

# Books By Winston Groom

## Tim Horz

*Forrest Gump* Winston Groom, 2002-10 In the 1960s, Forrest Gump, a pleasant and obedient son with low intelligence, joins the army, returns from Vietnam famous for his heroics, and makes millions on a Louisiana shrimp boat while steadfastly loving a girl from his childhood.

**GUMP & CO** Winston Groom, 1995-09 The rise and fall and rise again of Forrest Gump continues, as Forrest gains the love and respect of his son.

**Only** Winston Groom, 1998-06 Only is an Old English Sheepdog, the only survivor of an accidentally poisoned litter of sheepdogs, and he makes an irreplaceable addition to the home of George and Alice Martin.

**Gumpisms** Winston Groom, 1994 America's most endearing new hero will win smiles and hearts everywhere this July--in the eagerly anticipated Paramount motion picture *Forrest Gump*, starring Tom Hanks, and the accompanying novel. Now, straight from the movie and book comes *Gumpisms*, a treasure trove of wit and wisdom from the world according to Gump.

As Summers Die Winston Groom, 1995 Donation.

**Patriotic Fire** Winston Groom, 2006-05-02 December 1814: its economy in tatters, its capital city of Washington, D.C., burnt to the ground, a young America was again at war with the militarily superior English crown. With an enormous enemy armada approaching New Orleans, two unlikely allies teamed up to repel the British in one of the greatest battles ever fought in North America. The defense of New Orleans fell to the backwoods general Andrew Jackson, who joined the raffish French pirate Jean Laffite to command a ramshackle army made of free blacks, Creole aristocrats, Choctaw Indians, gunboat sailors and militiamen. Together these leaders and their scruffy crew turned back a British force more than twice their number. Offering an enthralling narrative and outsized characters, *Patriotic Fire* is a vibrant recounting of the plots and strategies that made Jackson a national hero and gave the nascent republic a much-needed victory and surge of pride and patriotism.

**El Paso: A Novel** Winston Groom, 2016-10-04 Bestseller • Southern Independent Booksellers Association Bestseller • Mountains and Plains Independent Booksellers Association Three decades after the first publication of *Forrest Gump*, Winston Groom returns to fiction with this sweeping American epic. Long fascinated with the Mexican Revolution and the vicious border wars of the early twentieth century, Winston Groom brings to life a much-forgotten period of history in this sprawling saga of heroism, injustice, and love. *El Paso* pits the legendary Pancho Villa against a thrill-seeking railroad tycoon

known only as the Colonel—whose fading fortune is tied up in a colossal ranch in Chihuahua, Mexico. But when Villa kidnaps the Colonel's grandchildren and absconds into the Sierra Madre, the aging New England patriarch and his son head to El Paso, hoping to find a group of cowboys brave enough to hunt down the Generalissimo. Replete with gunfights, daring escapes, and an unforgettable bullfight, El Paso becomes an indelible portrait of the American Southwest in the waning days of the frontier, one that is "sure to entertain" (Jackson Clarion-Ledger).

*Aviators* Winston Groom, 2013 Story of Charles Lindbergh, Eddie Rickenbacker and Jimmy Doolittle tales of their heart stopping adventures. World War II.

**Shiloh, 1862** Winston Groom, 2012 In this gripping telling of the first great and terrible battle of the Civil War, Groom describes the dramatic events of April 6 and 7, 1862, when a bold surprise attack on Ulysses S. Grant's encamped troops and the bloody battle that ensued would alter the timbre of the war.

**Vicksburg, 1863** Winston Groom, 2010-04-20 In this thrilling narrative history of the Civil War's most strategically important campaign, Winston Groom describes the bloody two-year grind that started when Ulysses S. Grant began taking a series of Confederate strongholds in 1861, climaxing with the siege of Vicksburg two years later. For Grant and the Union it was a crucial success that captured the Mississippi River, divided the South in half, and set the stage for eventual victory. Vicksburg, 1863 brings the battles and the protagonists of this struggle to life: we see Grant in all his grim determination, Sherman with his feistiness and talent for war, and Confederate leaders from Jefferson Davis to Joe Johnston to John Pemberton. It is an epic account by a masterful writer and historian.

**The Crimson Tide** Winston Groom, 2000 Prominent author Winston Groom provides a lively illustrated history of the team that has dominated college football in the South and ranked consistently among the best in the nation.

*Groom, Winston - Forrest Gump as an Example of the Transformation from a Novel into a Movie* Tim Horz, 2001-06-21 Facharbeit (Schule) aus dem Jahr 1998 im Fachbereich Didaktik für das Fach Englisch - Literatur, Werke, Note: 1, Priv. Gymnasium Marienstatt, Veranstaltung: Leistungskurs Englisch, Sprache: Deutsch, Abstract: "Hello - My name is Forrest, Forrest Gump!" Everyone who knows the movie Forrest Gump remembers this first sentence, the beginning of Forrest's story. This sentence is an introduction as well as the foundation for a story that describes Forrest's life in a very detailed way. In the film Forrest is a narrow-minded, naive and completely innocent boy from the Deep South who lives in a very strange way through a decisive period of America's immediate past. His participation in this period is so strange because he is actively making history without realising that; he only lives from day to day - and his most immediate goal is to finally reach his one and only love - Jenny. Therefore, his life can be described as "accidental-like on a breeze", and at the same time he has a "destiny" as well - and in the end Forrest is smart enough to understand this paradox of his life. Forrest Gump is basically a mirror of the sixties and seventies of our century. Through his eyes we can see our immediate past. "We"

includes the older audience - who lived through that period themselves - as well as the younger audience who can learn a lot about the era of their parents. The movie touched the souls of many Americans who can identify certain parts of their own life (or the life of their parents) in that of Forrest, but those feelings were shared throughout the world by many nations as well. But the movie itself is based on a novel written by Winston Groom. Here the author describes a different Forrest Gump - and yet the same. This other Forrest Gump had a different life, but the key elements are still the same in his modified "counterpart". Therefore it will be my goal to find out by what means and how well Groom's original novel Forrest Gump was transformed into the movie version Forrest Gump. There will be a detailed comparison between the two characterisations of Forrest Gump, a look at the "minor" characters, different views on the "visual conversion" and a final decision whether the transformation itself can be called appropriate or not.

*Forrest Gump; Based On The Novel By Winston Groom; Screenplay By Eric Roth; Director: Robert Zemeckis; Starring: Tom Hanks* Winston Groom, Eric Roth, Robert Zemeckis, 2004

**A Storm in Flanders** Winston Groom, 2018-04-01 From the Pulitzer Prize-nominated author of *Forrest Gump*: A fascinating, evenhanded, page-turning account of Ypres's pivotal WWI battles ( San Francisco Chronicle). The Ypres Salient in Belgian Flanders was the most notorious and dreaded territory in all of World War I—possibly of any war in history. After Germany's failed attempt to capture Britain's critical ports along the English Channel, a bloody stalemate ensued in this pastoral area no larger than the island of Manhattan. Ypres became a place of horror, heroism, and terrifying new tactics and technologies: poison gas, tanks, mines, air strikes, and the unspeakable misery of trench warfare. Drawing on the journals of the men and women who were there, Winston Groom has penned a drama of politics, strategy, the human heart, and the struggle for victory against all odds. This ebook features 16 pages of black-and-white historical photographs. Everything nonfiction should be. — Fort Worth Star-Telegram Groom reconstructs a forgotten military passage that serves as a cautionary tale about war's consequences. — Pittsburgh Tribune-Review Groom's account, full of detail and the smell of gunsmoke, is expertly paced and free of dull stretches. — Kirkus Reviews Moving . . . Inspiring . . . An important and brilliantly written book. — Booklist

**Winston Groom** Serena Blount, 2015 Article on the works of Winston Groom.

**The Generals** Winston Groom, 2015 Groom tells the intertwined and uniquely American tales of George Patton, Douglas MacArthur, and George Marshall. These three remarkable men-of-arms who rose from the gruesome hell of the First World War to become the finest generals of their generation during World War II redefined America's ideas of military leadership and brought forth a new generation of American soldier. Against the backdrop of the most dramatic moments of the twentieth century, you'll discover new insights into the lives of America's most celebrated warriors.

**Ronald Reagan Our 40th President** Winston Groom, 2012-03-05 Chronicles the life of the fortieth president of the

United States, including his acting career, time in the army, and legacy as commander-in-chief.

**Better Times Than These** Winston Groom, 1994 Frank Holden and other soldiers from varying backgrounds find their lives radically changed in Vietnam by a war that they find difficult to understand or support.

**Shrouds of Glory** Winston Groom, 1996-07 Groom, author of *Forrest Gump* and other fiction, provides a thoughtful narrative account of Confederate leader General Hood, as well as his military cohorts, troops, and nemeses, from their bizarre cat-and-mouse chase through Georgia and Tennessee to the horrors of the charge at Franklin. Excellent bandw photographs, maps. Annotation copyright by Book News, Inc., Portland, OR

**The Allies** Winston Groom, 2018-11-13 Best-selling author Winston Groom tells the complex story of how Franklin Roosevelt, Winston Churchill, and Joseph Stalin--the three iconic and vastly different Allied leaders--aligned to win World War II and created a new world order. By the end of World War II, 59 nations were arrayed against the axis powers, but three great Allied leaders--Franklin Roosevelt, Winston Churchill, and Joseph Stalin--had emerged to control the war in Europe and the Pacific. Vastly different in upbringing and political beliefs, they were not always in agreement--or even on good terms. But, often led by Churchill's enduring spirit, in the end these three men changed the course of history. Using the remarkable letters between the three world leaders, enriching narrative details of their personal lives, and riveting tales of battles won and lost, best-selling historian Winston Groom returns to share one of the biggest stories of the 20th century: The interwoven and remarkable tale, and a fascinating study of leadership styles, of three world leaders who fought the largest war in history.
