**Your Purpose Is Calling** Dharius Daniels, 2022-09-20 Discover exactly who you were created to be and what you were created to do by learning to see yourself the way God sees you. The key to understanding, embracing, and unleashing your God-given uniqueness is possessing an accurate picture of your true identity. After all, if you don't know who you are, how could you ever know what you've been born to do? In *Your Purpose Is Calling*, Dr. Dharius Daniels, founder of Change Church, takes you on a journey of discovering your identity through a threefold solution of finding fulfillment, fit, and fruitfulness. In the process, you'll learn to: Overcome the obstacles--such as comparison, approval seeking, and emotional injuries--that inhibit you from fully embracing yourself Exit the boat of normal living and step onto the sea of the abnormal Thrive through effective self-leadership Uncover your unique design, desires, dreams, and destiny God says that his people are exceptional, which means your future need not be limited by the world's expectations. Move forward with the confidence that your individual purpose is as unique and exceptional as you are.

**RePresent Jesus** Dharius Daniels, 2014-10-07 Discover the joy and power of walking in the footsteps of Jesus. There is an image of Jesus we often possess in our minds, and there is a Jesus of the Scriptures. Unfortunately the two aren't always consistent. Often the emphasis in preaching, teaching, and writing is placed on Christ's death and resurrection. These aspects of Jesus's ministry are obviously essential, but so is His life. Through Christ's death we received forgiveness and reconciliation; however, His life provides us with something that is equally essential: an example. Without His example, godliness becomes a nebulous notion that can mutate into a religion that doesn't reflect its founder. *Re-Present Jesus* identifies twelve core character traits of Jesus and coaches the reader into discerning how these traits can be applied to their own lives and contexts. Covering attributes such as His love, wisdom, grace, generosity, and humility, Daniels presents a picture of Jesus that people will want to follow.

**Dear Wow** Lisa Jacobs-Watson, 2021-06-22 *Dear WOW* is a collection of poetry and prose that prompts understanding about Godly wisdom. Those who enjoy journal writing will find this book refreshing. It is a daily devotional, writing guide, and meditation tool that connects women with the Holy Spirit over a 31-day journey. Part 1 is easy to read excerpts of womanly experiences that provide light humor and thought-provoking messages. Part 2 is poetry with spiritual value. Part 3 contains pages for the reader to write notes from their own "Dear Journal" perspective. *Dear WOW* is a reading and writing invitation

for Bible study and personal spiritual growth.

**Live Slowly** Jodi H. Grubbs, 2024-04-30 After assuming the rapid pace and stress of city living in the States, Jodi Grubbs realized God was bidding her to return to the island time of her childhood home. Evoking the gentle rhythms of Bonaire in the Caribbean, Jodi invites you to a life anchored by the forced pauses of spiritual practices and an openhandedness before God.

**Relational Intelligence** Dharius Daniels, 2020-01-28 Relational Intelligence is your action plan for getting smart about who you surround yourself with. Using Jesus's relational framework for choosing the twelve disciples, this book gives you the tools you need to define, discern, align, assess, and activate your relationships to unlock your greatest potential. Years of ministry leadership experience have taught Dr. Dharius Daniels that there's no such thing as a casual relationship. All of our relationships either push us forward into our God-given purposes or hold us back from who we're meant to be. If you're serious about taking your life to the next level, you should be serious about taking your relationships to the next level, too. Scripture gives us a blueprint for the way relationships should be managed, and this blueprint helps us construct and grow relationships that are fruitful. It tells us that our spiritual, physical, financial, emotional, and professional progress is greatly impacted by who we allow to be a part of our lives and what part we allow them to play. Relational Intelligence reminds us that with our destiny on the line, relationships are too consequential to nonchalantly roll the dice in managing them. Daniels shows us that relationships were part of God's design, and when we understand and apply what God has to say about them, we can finally learn to: Reflect on the people that God has placed in our lives Avoid unnecessary relational turmoil Be intentional in each of our relationships Accomplish our God-given purpose When your purpose is on the line, the cost of relational unintelligence is too great to pay. Join Daniels as you uncover the secret to gaining the relational intelligence you need to build the purposeful life that you want.

In My Feelings Dharius Daniels, 2018-01-05 Almost every aspect of our lives is impacted by our feelings. Our feelings influence our moods, our decisions, and our activity. We all have them and we should. However, just because we have feelings, doesn't mean our feelings should have us. As one writer masterfully put it, our feelings should be indicators, not dictators. In this booklet, Dr. Dharius Daniels gives a crash course on emotional intelligence and provides a practical path for the reader to follow to experience freedom and wholeness. We can't walk in our purpose and be in our feelings at the same time. This booklet is a box cutter that will help you break out of the box of your feelings and into the amazing future God has planned for you.

Summary of Dharius Daniels's Relational Intelligence Everest Media, 2022-08-29T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The question of how we define and categorize our relationships is an important one. We must define what categories exist and what they mean for us and the people in our lives. #2 We use the word earn too loosely. It is too flippantly used. It is too generously given. And most importantly, we give the title of friend to people who don't deserve it. #3 There is a difference between giving your life to someone and spending your life with them. We must be good at defining and stewarding our relationships. As the apostle Paul said, we owe no man anything but love. #4 I was 19 years old and a sophomore at Millsaps College in Mississippi. I was experiencing a bout of situational depression. I had just experienced a series of events that I was not emotionally prepared to handle. I met Terrance Alexander through a mutual friend, and he helped me develop better relationships with others.
