John Sandford Lucas Davenport Novels 6-10 John Sandford, 2012-01-10 Novels six through ten in #1 New York Times bestselling and Pulitzer Prize-winning author John Sandford's Prey series, featuring Minneapolis homicide investigator Lucas Davenport. NIGHT PREY A savage psychopath is playing cat and mouse with Lucas Davenport. But both killer and detective find themselves at odds with a female investigator who has intensely personal reasons for catching the killer herself—and fast. MIND PREY Lucas Davenport has met his match—a nemesis more intelligent, and more depraved, than any he has tracked before. A pure, wanton killer who knows more about mind games than Lucas himself—and with a female psychiatrist already in his trap, he's one step ahead. SUDDEN PREY The crime spree should have ended when Lucas Davenport killed the female bank robber during the shoot-out. But it's just beginning, because the woman's husband isn't about to let Lucas—or anyone he loves—escape retribution. SECRET PREY When a wealthy banker is shot dead during a hunting trip, Lucas Davenport's routine murder investigation turns into a cat-and-mouse game with a killer who won't hesitate to take the fight to Lucas himself. And those he loves... CERTAIN PREY A wealthy socialite has been murdered. Now the killer must tie up a few loose ends. One is the witness. The other is Lucas Davenport—and of all the criminals Davenport has hunted, none has been as efficient or as ferociously intelligent as the woman who's hunting him.

John Sandford: Lucas Davenport Novels 16-20 John Sandford, 2012-03-13 Novels sixteen through twenty in #1 New York Times bestselling and Pulitzer Prize-winning author John Sandford's Prey series, featuring Minneapolis homicide investigator Lucas Davenport. BROKEN PREY Two bodies are found three weeks apart. Same condition, same display—but there's nothing to link the two victims, nothing to indicate that the killings end here. But that's not about to stop Lucas Davenport. INVISIBLE PREY A wealthy woman and her maid are murdered. Robbery would seem the likely scenario, except that none of the clues are coming together for Lucas Davenport. At least not those he can see. PHANTOM PREY After one troubled college-age student disappears and two are found slashed to death, Lucas Davenport finds himself hunting what appears to be a modern-day Jack the Ripper. WICKED PREY Out of Lucas Davenport's past comes a psycho nursing a violent grudge. But why go after Davenport for revenge when Davenport's young daughter is so close, and so vulnerable? STORM PREY When a simple robbery turns deadly, the thieves close in on the one woman who was the only possible witness: Lucas Davenport's wife. They have only one option—eliminate her. And fast.

Certain Prey John Sandford, 2014-12-02 "One of [the] best" (Orlando Sentinel) Lucas Davenport Novels—now with a New Introduction by the Author. Clara Rinker is twenty-eight, beautiful, charmingly southern—and the best hit woman in the business. She just goes about her business, collects her money, and goes home. Her latest hit sounds simple: a defense attorney wants a rival eliminated. No problem—until a witness survives. Clara usually knows how to deal with loose ends: cut them off, one by one, until they're all gone. This time, there's one loose end that's hard to shake. Lucas Davenport has no idea of the toll this case is about to take on him. Clara knows his weak spots. She knows how to penetrate them, and how to use them. And when a woman like Clara has the advantage, no one is safe.

Chosen Prey John Sandford, 2014-09-02 He seems like such a nice man. You'd never guess what was going on in his mind... Art history professor James Qatar has a hobby: he takes secret photographs of women to fuel more elaborate fantasies. When he's alone. Behind locked doors. Then one day, he goes a step further and... well, one thing leads to another. Qatar has no choice. He has to kill her. And you know something? He likes it. When Deputy Chief Lucas Davenport takes the case, he assumes it'll be straightforward police work. He couldn't be more wrong. As the investigation trail takes some unexpected turns, it becomes clear that nothing is straightforward about this killer, his victims, or his motives. And to stop him Lucas has no choice but to walk right into his lair. WITH A NEW INTRODUCTION BY JOHN SANDFORD

Mortal Prey John Sandford, 2002-05-13 Years ago, Lucas Davenport almost died at the hands of Clara Rinker, a pleasant, soft-spoken, low-key Southerner, and the best hitwoman in the business. Now retired and living in Mexico, she nearly dies herself when a sniper kills her boyfriend, the son of a local druglord, and while the boy's father vows vengeance, Rinker knows something he doesn't: The boy wasn't the target—she was—and now she is going to have to disappear to find the killer herself. The FBI and DEA draft Davenport to help track her down, and with his fiancée deep in wedding preparations, he's really just as happy to go—but he has no idea what he's getting into. For Rinker is as unpredictable as ever, and between her,

her old bosses in the St. Louis mob, the Mexican druglord, and the combined, sometimes warring, forces of U.S. law enforcement, this is one case that will get more dangerous as it goes along. And when the crossfire comes, anyone standing in the middle won't stand a chance.... Filled with the rich characterization and exceptional drama that are his hallmarks, *Mortal Prey* proves that John Sandford just keeps getting better.

Noir Fiction and Film Lee Clark Mitchell, 2021 The argument of *Noir Fiction and Film* is curiously counterintuitive: that in a century of hard-boiled fiction and detective films, characteristics that at first seemed trivial swelled in importance, flourishing into crucial aspects of the genre. Among these are aimless descriptions of people and places irrelevant to plot, along with detectives consisting of little more than sparkling dialogue and flippant attitudes. What weaves together such features, however, seems to be a paradox: that a genre rooted in solving a mystery, structured around the gathering of clues, must do so by misdirecting our attention, even withholding information we think we need to generate the suspense we also desire. Yet successful noir stories and films enhance that suspense through passing diversions (descriptive details and eccentric perspectives) rather than depending on the center pieces of plot alone (suspected motives or incriminating traces). As the greatest practitioners of the genre have realized, the how of detective fiction (its stylistic detours) draws us in more insistently than the what or the who (its linear advance). And the achievement of recent film noir is to make that how become the tantalizing object of our entire attention, shorn of any pretense of reading for the plot, immersing us in the diversionary delight that has animated the genre from the beginning.

The Investigator John Sandford, 2023-01-19 Letty Davenport, the brilliant and tenacious adopted daughter of Lucas Davenport, takes the investigative reins in the newest thriller from #1 bestselling author John Sandford. But when her skills catch Colles' attention, she is offered a lifeline: real investigative work. Texas oil companies are reporting thefts of crude. Rumour has it that a sinister militia is involved. Who is selling the oil? And what are they doing with the profits? Letty is partnered with a Department of Homeland Security investigator, John Kaiser. When the case turns deadly, they know they're onto something big. The militia has an explosive plan... and the clock is ticking down. From the bestselling and unputdownable author of the *Prey* series, *The Investigator* is perfect for fans of James Patterson and Lee Child.

ruthless than anyone had feared... FEATURING A NEW INTRODUCTION BY THE AUTHOR

The Troubleshooter Austin S. Camacho, 2004-04-28 Dan Balor, a high powered Washington attorney, buys an apartment building in the heart of the city, hoping to create low income housing for good families. Instead he finds the building occupied by squatters: drug dealers, winos, and hookers intent on staying in place. Police and private investigators are unable to empty the building for use by paying residents. No one seems willing or able to take on this challenge until Balor meets Hannibal Jones. Hannibal soon finds himself up against a local crime boss and his powerful mob connected father. The conflict spreads until Hannibal realizes that his stand against the mob could explode into a full-fledged riot unless he can somehow end it all, without surrendering the building and the neighborhood to the criminals.

Rampage (The Singular Menace, 3) John Sandford, Michele Cook, 2017-07-11 John Sandford and Michele Cook complete their New York Times bestselling thriller series in this explosive finale! Fans of James Dashner, Harlan Coben, and James Patterson will love this nail-biting trilogy. Shay Remby and her band of renegade activists have got the corrupt Singular Corporation on the run. Their exposé is finally working. Or is it? Even as revelations about the human experimental subjects break in the news, Singular's employees are slithering out of sight. And then the CEO is killed in a plane crash . . . Convenient accident—or sabotage? Shay's gang begins to see signs that there may be even more powerful figures managing events—mopping up the mess, and moving the operation further out of sight. It will take nothing short of a rampage to stop the Singular menace for good. . . . Praise for the Singular Menace series: “A fabulous mix of outlandish hijinks, techno-noir, and teen cheek—LA style.
