

A Rip Through Time

S Ben Porath

A Rip Through Time Kelley Armstrong, 2022-05-31 In this series debut from New York Times bestselling author Kelley Armstrong, a modern-day homicide detective finds herself in Victorian Scotland—in an unfamiliar body—with a killer on the loose. A great read. —Charlaine Harris MAY 20, 2019: Homicide detective Mallory Atkinson is in Edinburgh to be with her dying grandmother. While out on a jog one evening, Mallory hears a woman in distress. She's drawn to an alley, where she is attacked and loses consciousness. MAY 20, 1869: Housemaid Catriona Mitchell had been enjoying a half day off, only to be discovered that night strangled and left for dead . . . exactly one hundred and fifty years before Mallory is strangled in the same spot. When Mallory wakes up in Catriona's body in 1869, she must put aside her shock and adjust quickly to her new reality: life as a housemaid to an undertaker in Victorian Scotland. She soon discovers that her boss, Dr. Gray, also moonlights as a medical examiner and has just taken on an intriguing case, the strangulation of a young man, similar to the attack on herself. Her only hope is that catching the murderer can lead her back to her modern life . . . before it's too late. In *A Rip Through Time*, New York Times bestselling author Kelley Armstrong introduces a brand-new series mixing mystery, romance, and fantasy with thrilling results.

A Rip Through Time Kelley Armstrong, 2022-05-31 In this series debut, a modern-day homicide detective finds herself in Victorian Scotland—in an unfamiliar body—with a killer on the loose. May 20, 2019: Homicide detective Mallory is in Edinburgh to be with her dying grandmother. While out on a jog one evening, Mallory hears a woman in distress. She's drawn to an alley, where she is attacked and loses consciousness. May 20, 1869: Housemaid Catriona Mitchell had been enjoying a half-day off, only to be discovered that night in a lane, where she'd been strangled and left for dead . . . exactly one-hundred-and-fifty years before Mallory was strangled in the same spot. When Mallory wakes up in Catriona's body in 1869, she must put aside her shock and adjust quickly to the reality: life as a housemaid to an undertaker in Victorian Scotland. She soon discovers that her boss, Dr. Gray, also moonlights as a medical examiner and has just taken on an intriguing case, the strangulation of a young man, similar to the attack on herself. Her only hope is that catching the murderer can lead her back to her modern life . . . before it's too late. *Outlander* meets *The Alienist* in Kelley Armstrong's utterly compelling new series, mixing romance, mystery, and fantasy with thrilling results.

Disturbing the Dead Kelley Armstrong, 2024-05-07 *Disturbing the Dead* is the latest in a unique series with one foot in the

1860s and the other in the present day. The *Rip Through Time* crime novels are a genre-blending, atmospheric romp from New York Times bestselling author Kelley Armstrong. Victorian Scotland is becoming less strange to modern-day homicide detective Mallory Atkinson. Though inhabiting someone else's body will always be unsettling, even if her employers know that she's not actually housemaid Catriona Mitchell, ever since the night both of them were attacked in the same dark alley 150 years apart. Mallory likes her job as assistant to undertaker/medical examiner Dr. Duncan Gray, and is developing true friends—and feelings—in this century. So, understanding the Victorian fascination with death, Mallory isn't that surprised when she and her friends are invited to a mummy unwrapping at the home of Sir Alastair Christie. When their host is missing when it comes time to unwrap the mummy, Gray and Mallory are asked to step in. And upon closer inspection, it's not a mummy they've unwrapped, but a much more modern body.

A Rip Through Time Kelley Armstrong, 2022-05-31 In this series debut, a modern-day homicide detective finds herself in Victorian Scotland—in an unfamiliar body—with a killer on the loose. May 20, 2019: Homicide detective Mallory is in Edinburgh to be with her dying grandmother. While out on a jog one evening, Mallory hears a woman in distress. She's drawn to an alley, where she is attacked and loses consciousness. May 20, 1869: Housemaid Catriona Thomson had been enjoying a half-day off, only to be discovered that night in a lane, where she'd been strangled and left for dead . . . exactly one-hundred-and-fifty years before Mallory was strangled in the same spot. When Mallory wakes up in Catriona's body in 1869, she must put aside her shock and adjust quickly to the reality: life as a housemaid to an undertaker in Victorian Scotland. She soon discovers that her boss, Dr. Gray, also moonlights as a medical examiner and has just taken on an intriguing case, the strangulation of a young man, similar to the attack on herself. A Rip Through Time Series, 3 Books Set, a Rip Through Time, the Poisoner's Ring, Disturbing the Dead, by Kelley Armstrong Kelley Armstrong, 2024-05-07

An Ordinary Sort of Evil Kelley Armstrong, 2026-05-19 New York Times bestselling author Kelley Armstrong returns to Victorian Scotland in the latest in the genre-blending *Rip Through Time* series. Modern-day homicide detective Mallory Mitchell has grown accustomed to life in Victorian Scotland after travelling 150 years into the past into the body of a housemaid. She's built a new life for herself. Even though she works as an assistant to forensic-science pioneer Dr. Duncan Gray and Detective Hugh McCreadie, she considers them true friends. And with Gray in particular, perhaps, someday, something more. Late one night, Gray and Mallory are summoned urgently to the home of Lady Adler, a patron of Gray's undertaking business, and they assume there's been a death in the household. But instead, they arrive in the midst of a seance with a ghost demanding Gray's presence. The ghost is Lady Adler's former maid, who had gone missing but now

requests that Gray investigate her murder. Although Gray and Mallory are skeptical, they agree to look into the matter, whether she's dead or alive. But unsure if there's been a murder or not, unable to call out the medium as a fraud, and concerned for the fate of the young maid, Gray and Mallory are once again drawn into a mystery much more puzzling--and more dangerous--than it first seems

POISONER'S RING KELLEY. ARMSTRONG,2023

Death at a Highland Wedding Kelley Armstrong,2025-05-20 Death at a Highland Wedding is the fourth installment in New York Times bestselling author Kelley Armstrong's gripping Rip Through Time Novels. After slipping 150 years into the past, modern-day homicide detective Mallory Atkinson has embraced her new life in Victorian Scotland as housemaid Catriona Mitchel. Although it isn't what she expected, she's developed real, meaningful relationships with the people around her and has come to love her role as assistant to undertaker Dr. Duncan Gray and Detective Hugh McCreadie. Mallory, Gray, and McCreadie are on their way to the Scottish Highlands for McCreadie's younger sister's wedding. The McCreadies and the groom's family, the Cranstons, have a complicated history which has made the weekend quite uncomfortable. But the Cranston estate is beautiful so Gray and Mallory decide to escape the stifling company and set off to explore the castle and surrounding wilderness. They discover that the groom, Archie Cranston, a slightly pompous and prickly man, has set up deadly traps in the woods for the endangered Scottish wildcats, and they soon come across a cat who's been caught and severely injured. Oddly, Mallory notices the cat's injuries don't match up with the intricacies of the trap. These strange irregularities, combined with the secretive and erratic behavior of the groom, put Mallory and Duncan on edge. And then when one of the guests is murdered, they must work fast to uncover the murderer before another life is lost. New York Times bestselling author Kelley Armstrong's unique time travel mystery series continues to entertain as Mallory adjusts to life in the 1870s.

The Poisoner's Ring Kelley Armstrong,2023-05-23 A modern-day homicide detective is working as an undertaker's assistant in Victorian Scotland when a serial poisoner attacks the men of Edinburgh and leaves their widows under suspicion. Edinburgh, 1869: Modern-day homicide detective Mallory Atkinson is adjusting to her new life in Victorian Scotland. Her employers know she's not housemaid Catriona Mitchell—even though Mallory is in Catriona's body—and Mallory is now officially an undertaker's assistant. Dr. Duncan Gray moonlights as a medical examiner, and their latest case hits close to home. Men are dropping dead from a powerful poison, and all signs point to the grieving widows... the latest of which is Gray's oldest sister. Poison is said to be a woman's weapon, though Mallory has to wonder if it's as simple as that. But she must tread carefully. Every move the household makes is being watched, and who knows where the investigation will lead. New York Times bestselling author Kelley Armstrong is known for her exquisite world building, and this latest series is no exception. The Poisoner's Ring brings the intricacies of Victorian Scotland alive as Mallory again searches for a 19th-century

killer as well as a way home.

Disturbing the Dead Kelley Armstrong, 2024-05-07 The latest in a unique series with one foot in the 1860s and the other in the present day. The Rip Through Time crime novels are a genre-blending, atmospheric romp.

Schemes & Scandals Kelley Armstrong, 2024-12-03 It's Mallory Atkinson's first Christmas in Scotland. Victorian Scotland, that is. Also, as the twenty-first-century detective learns, Christmas really isn't a thing in Victorian Scotland. It's all about Hogmanay. But her boss, Dr. Duncan Gray, treats her to an early gift of tickets to the event of the season: a Charles Dickens reading. There, they bump into Lady Inglis—the lovely widow who has sent Gray sexy letters trying to entice him back to her bed. Lady Inglis introduces Mallory to Dickens—the meeting of a lifetime—but in return she wants their help. She's being blackmailed. Someone stole letters she wrote to another lover and is threatening to publish them. Mallory isn't sure what to make of Lady Inglis, but no woman deserves that, so she insists on taking the case with or without Gray's help. Growing tension between them soon tells Mallory that Gray is hiding a secret of his own. She has until Hogmanay to uncover the blackmailer...and, hopefully, to put things right with Gray so they can enjoy the holiday together. Note this is not a full-length novel. It's a novella set after *Disturbing the Dead*.

Cocktails & Chloroform Kelley Armstrong, 2023-12-05 For modern-day detective Mallory Atkinson, being trapped in the body of a Victorian housemaid means overcoming endless obstacles. Her current challenge is winning over the suspicious young parlormaid, Alice. Mallory's plan starts with teaching the girl to make Molotov cocktails, which is a perfectly valid science experiment and not at all a desperate ploy to gain Alice's attention. Before the lesson can begin, though, Alice receives a letter that has her slipping off in the night. Concerned for her safety—and naturally curious—Mallory follows. Mallory finds Alice at what seems like a simple dance hall, watching young men and women flirting and whirling in pretty dresses and dapper suit-coats. But nothing here is what it seems, and what starts as a simple surveillance exercise turns into a full-scale spy mission with Mallory's boss, Dr. Duncan Gray, at her side. Before the evening is done, those Molotov cocktails are probably going to come in handy. Note this is not a full-length novel. It's a novella set after *The Poisoner's Ring*.

A Love Through Time Marti Jones, A. Marti Jones, 1994 Time-travel romance from the bestselling author of *Dreamweaver*. Although tree surgeon Libby Pfifer was well versed in plant lore, she couldn't explain how a fall from an old oak tree landed her in another century. Yet there she was, face-to-face with Geronimo and an army captain whose good looks tempted her even while his brusque manner made her want to wring his neck.

The Earth Through Time Harold Leonard Levin, 1978 This best-selling historical geology text provides an excellent balance of basic geology and paleontology. The new eighth edition provides rich, authoritative coverage of the history of the Earth, offering the most comprehensive history in the discipline today. It maintains its strong approach to stratigraphy and paleontology that other texts have lost. The text's paleogeographic maps are excellent in detail and are a vital component in

understanding the earth's history.

A Gesture Through Time Elizabeth Ruth Block, 2005 Fiction. Elizabeth Block's debut novel, A GESTURE THROUGH TIME (written under fiscal sponsorship of Intersection for the Arts, San Francisco, selected as a 1997 Heekin Foundation first novel fellowship finalist, short-listed with an honorable mention for the 2004 Starcherone fiction prize, and the recipient of a Djerassi Resident Artists Program Tread of Angels fellowship) is one of the most inventive narratives in contemporary literature. Elizabeth Block's A GESTURE THROUGH TIME is a novel for the new millennium. Deft and funny and wise, it examines authorship, narration, technology, love, and memory, and asks most playfully what it means to tell a story. Always inventing and bravely trying out new strategies, she puts most writers and their sorry pretenses of invention to shame. In the spirit of Stern's Tristram Shandy, A GESTURE THROUGH TIME captures the relation of muse and amuse, taking the reader on a spirited, pleasure-filled journey--Maxine Chernoff.
