

I Went To See My Father

Scotland. Court of Session

I Went To See My Father Kyung-Sook Shin, 2023-04-11 An instant bestseller in Korea and the follow up to the international bestseller, *Please Look After Mom*; centering on a woman's efforts to reconnect with her aging father, uncovering long-held family secrets. Two years after losing her daughter in a tragic accident, Hon finally returns to her home in the countryside to take care of her father. At first, her father only appears withdrawn and fragile, an aging man, awkward but kind around his own daughter. Then, after stumbling upon a chest of letters, Hon discovers the truth of her father's past and reconstructs her own family history. Consumed with her own grief, Hon had been blind to her father's vulnerability and her family's fragility. Unraveling secret after secret and thanks to conversations with loving family and friends, Hon grows closer to her father, who proves to be more complex than she ever gave him credit for. After living through one of the most tumultuous times in Korean history, her father's life was once vibrant and ambitious, but spiraled during the postwar years. Now, after years of emotional isolation, Hon learns the whole truth, from her father's affair and involvement in a religious sect, to the dynamic lives of her own siblings, to her family's financial hardships. What Hon uncovers about her father builds towards her understanding of the great scope of his sacrifice and heroism, and of his generation as a whole. More than just the portrait of a single man, *I Went to See My Father* opens a window onto humankind, family, loss, and war. With this long-awaited follow-up to *Please Look After Mom*—flawlessly rendered by award-winning translator Anton Hur—Kyung-Sook Shin has crafted an ambitious, global, epic, and lasting novel.

I, Rigoberta Menchu Rigoberta Menchu, 2010-01-12 A Nobel Peace Prize winner reflects on poverty, injustice, and the struggles of Mayan communities in Guatemala, offering "a fascinating and moving description of the culture of an entire people" (The Times) Now a global bestseller, the remarkable life of Rigoberta Menchú, a Guatemalan peasant woman, reflects on the experiences common to many Indian communities in Latin America. Menchú suffered gross injustice and hardship in her early life: her brother, father and mother were murdered by the Guatemalan military. She learned Spanish and turned to catechistic work as an expression of political revolt as well as religious commitment. Menchú vividly conveys the traditional beliefs of her community and her personal response to feminist and socialist ideas. Above all, these pages are illuminated by the enduring courage and passionate sense of justice of an extraordinary woman.

From My Father's Hands to My Father's Hands Paula Ann McDonald, 2012-03-07 For the first two years of her life

she feels love, but suddenly her protector is gone! She's too young to even know her Mother is gone. From the innocence of childhood, to the growing sickness and abuse in her life, she is confused and full of fear! How will she ever make it when there is no time to wonder only time to survive? She wants to be the good little girl, and please her family; she wants to be loved! She wants to be right with God! The confusion, pain, and abuse are unbearable! The family sickness is more than one can comprehend! What she is asked to do is impossible for the sake of her siblings she MUST do it, but is she strong enough? Walk through the journey with her from her earthly father to her heavenly Father.

Sampson v. Sampson, 332 MICH 214 (1952), 1952 53

My Father and Me Michael A. Bertola, 2021-04-08 My Father and Me is an autobiographical story that incorporates some of my most cherished memories that I have chosen to share with the reader, which is filled with love, a smidgen of danger, and good old-fashioned family values. It all starts in Sicily, Italy, in 1896. Families were migrating to America for a better life as harsh economic times were felt by all. My father Frank starts a gambling house, and it becomes quite successful. The mob steps in, and things get dicey. Frank must figure a way out or else. The family's many activities and interactions sometimes lead to unexpected consequences. While the stories of my experiences growing up are lively and delightful, the stories from my dad and those from friends and family are heart-warming stories of respect and most of all love.

I Thought My Father Was God Paul Auster, Nelly Reifler, 2002-09-07 The true-life stories in this unique collection provide a window into the American mind and heart (The Daily News). One hundred and eighty voices - male and female, young and old, from all walks of life and all over the country - talk intimately to the reader. Combining great humor and pathos this remarkable selection of stories from the thousands submitted to NPR's Weekend All Things Considered National Story

Project gives the reader a glimpse of America's soul in all its diversity.

Early Western Travels, 1748-1846 Reuben Gold Thwaites, 1905

Supreme Court ,

The Smarter Bomb Anat Berko, 2016-09-01 This compelling book offers a unique glimpse into the motivations of suicide bombers, especially women and children, and those who recruit and dispatch them. As a woman and a mother, Anat Berko was able to win the trust of imprisoned bombers and speak with them intimately. Entering Israel's most heavily secured cells, she met with female and adolescent would-be suicide bombers and their dispatchers, lawyers, and interrogators. The personal stories are greatly enriched by the inclusion of the sketches and letters many prisoners gave to the author. She explores vital questions: What leads individuals to place explosives on their bodies, kill and injure scores of civilians, and take their own lives? Do men really believe that death will transport them to paradise, where Allah, virgins, and wine await them? Are women victims of unbearable pressure to commit this act of terror? Can a woman be "good" according to the criteria of Arab/Palestinian society and a terrorist at the same time? Is involvement in terrorism a sign of the liberation of Palestinian women or another way of preserving their social inferiority, thus explaining their low status and the inferior rewards the families of female suicide bombers receive? Who are the dispatchers, and how do they manipulate and convince women and youngsters to go calmly to their death? The answers to these questions offer a rare and candid portrayal that will be essential reading for all those wanting to understand the interior world of suicide bombers and how to communicate with terrorists.
