RS Peters

"You are" vs. "you're" — what is the difference between them? Sep 22, 2017 · There is no difference. You are is normally contracted to you're in speech, because English doesn't like two vowels without a consonant to separate them, and one of them gets deleted. Either you're or you are can be used; speaker's choice. The same thing applies to I'm, he's, she's, we're, and they're, among other contractions. It's just colloquial English, that's all. Which one is right? "You've been doing great!" or "You are doing ... Sep 26, 2020 · As I mentioned in my comment, the usage depends in reference to the context of where it is used. Both sentences are grammatically correct and can be used. But then again, it depends on where you are using it. You are doing great. This sentence uses present continuous tense. It represents an action that is happening now and might continue in the near future. You ... *"You're keeping well" vs "You keep doing well"* Feb 23, 2016 · No, they mean different things. "Keeping well" means "keeping healthy". So "I hope you're keeping well" is a slightly old fashioned greeting. It might be addressed to an older person (for whom being "well" might be in some doubt). I can't imagine a child using it with their friends. To "keep doing well" is not an idiom. "Well" is the adverb related to "good". The ... **word choice - English Language Learners Stack Exchange** Jan 8, 2015 · I'm looking for a way to say something along the lines of "I understand where you're coming from", but without any implication of agreement. As I know if I wanted to say that someone is like someone/thing I'll say... **lyrics - English Language Learners Stack Exchange** In the song "You're so vain" Carly Simons says: You walked into the party Like you were walking on a yacht Your hat strategically dipped below one eye Your scarf, it was apricot You had o... **word choice - "You gonna" vs "you're gonna." - English Language ...** For the usage "you are," "You're gonna" is more common. "You gonna" is not unheard of but it's pretty sloppy. Note that in some situations, like ebonics, "you gonna" is considered perfectly natural if not grammatical. The more casual the situation, the more you gonna hear "you gonna." Note also that these two words, "you" and "you're" sound similar. You gonna find situations ... *"I'm rubber; you're glue"* - *English Language Learners Stack ...* Aug 11, 2019 · I don't really understand the rubber and glue reference in the idiom: I'm rubber, you're glue. Whatever you say bounces off me and sticks to you. since as we all know glue does stick on rubber. *expressions - What to answer to "you're too kind"? - English ...* Aug 29, 2021 · Note that responses to "thank you"

vary widely across age, location and culture, even among native English speakers. For example, in the context of an act of service or lending a favor, among older speakers it is common to answer "Thank you, [you're too kind]." with "You're welcome." Younger speakers may say "It's nothing" or "No problem". See also "My pleasure" ... **Reply to someone who says "you are the best" [closed]** Someone appreciated my work and wrote "You are the best, thanks." How should I reply to this as a courtesy?
