Quardeay Julien

*She Used To Be A Pornstar, Now She's a Boss* Quardeay Julien, 2018-07-15 Memoir of a Pornstar Everything is about sex except sex. Sex is about power. - Oscar Wilde Cypress Ross was a walking statement about sex and being a woman. Determined to make something of herself she finds her way into a world that many refuse to venture into. The world of porn. Porn is all entertainment when you are a spectator but being the woman in front of the camera causes more drama than Cypress thought would come of it. Before porn she was just a sex addict, but porn brought out something new. And with these unleashed desires comes major problems and traumatic events in spade. Based on true events, follow Cypress as she navigates through the world of adult entertainment while trying to maintain healthy relationships and get an education. Because sex is all fun and games until it's on camera and the world can judge. This is the Memoir of a Pornstar

When we were just friends Elen Chase ,2023-08-07 You are the one thing in my life right now that makes sense Marco has one goal: break up with his not-quite sugar daddy by the end of the day. He's determined to end it as much as the older man is determined to keep him under his thumb. Luís is having a bad day. They usually know better than to stick their nose into other people's business but when they hear the man at the next table patronizing his young boyfriend, they just can't let it go and get involved in the worst possible way. The fact that the young man looks vaguely familiar is certainly a coincidence. And the attraction between them surely won't lead to anything. They could be friends at best. Just friends. But do "just friends" look at each other like that? Content warning: the book includes depictions of narcissistic abuse, sexual assault, attempted rape
