The Complete Dom/Sub Trilogy Justus Roux, 2013-12 This is Justus Roux's bestselling Dom/sub trilogy. "Mine" - Tara had always been curious about being a submissive and when she read a submissive's journal, which was posted online, she knew this was the lifestyle she wanted to live. She found a club which was owned by a man named Gabriel. After being accepted into the club Tara put herself up for auction without thinking about it. Once at the auction she quickly began to wonder if she had made a mistake. Every man that came up to inspect her did not appeal to her. She couldn't see herself serving them. She was about to give up and hope that whoever won her would at least be gentle. Then she heard his deep voice. The moment she laid eyes on Raven she was mesmerized. Raven had no intention on going to the auction. He was tired of training submissives, which in the end weren't what he needed and he wasn't what they needed. Alex drags Raven to the auction and chooses Tara for him to bid on. It was obvious by how nervous the woman was she was new to this lifestyle and he felt she would be perfect for Raven. Raven reluctantly does what Alex wants and he easily wins the bid for Tara. Now Raven and Tara will embark on a year's journey together. He will teach her everything about this lifestyle and she will be his final hope in staying in this lifestyle. "Surrender to Me" - Michael was starting his journey with Mistress Delilah. He is excited and yet frightened by all of this. He is not like Delilah's perfect submissive Tram, nor any of the other submissives in this community. Michael is not too happy about sharing Delilah with Tram, especially knowing that Tram has already earned her collar. And to make matters even more difficult, Master Gabriel, the owner of the club, seems to adore Delilah. With so many distractions for his Mistress will she be able to give Michael the training he needs. Or is this relationship doomed from the start. "Perfect Submission" - Mistress Delilah was confused by her growing attraction to Master Gabriel. It was more than admiration or lust. Ever since that dream she had about submitting to Master Gabriel, the thought of it consumed her and distracted her from being a good Mistress to Tram and Michael. Delilah decided to ask Master Gabriel to teach her about submission. She had to get this out of her system so that she could focus on her submissives. Master Gabriel was surprised when Delilah asked him to take her on the journey of submission. He had wanted this woman since the moment she became a member of this club. He was the one that gave her Tram and her new submissive Michael. However, he knows training Delilah will not be easy. He must try to control his growing love for her and focus on teaching her about submission.

more accurately, something his d**k likes, he gets it. His woman are hot, successful and experienced in BDSM. Until, he meets Maggie. She's not at all his usual type. She's round, lush and a hot-mess of a woman. It's obvious she doesn't belong at La Petite Mort Club and he can't help following her. She needs someone to look out for her. She's a little rabbit in a club full of predators. When she gets herself into a situation, he has no choice but to rescue her. When he realizes that she's a natural submissive and innocent of the kinkier side of sex, he'll stop at nothing to have. He can't wait to show her how good it'll feel when she surrenders to his desires. Maggie had no idea that the club she was going to was a sex club. She tries not to look, but there are people doing it everywhere. She is not getting turned on by it. Not at all. Really, she isn't. All she has to do, is find her friend and get out of there. Of course, that's easier said than done. Not only has she bumped into just about every person in the club, but one of the men—a very handsome and extremely rude stranger—not only follows her, but suggests that they do it in the hallway. As if she'd ever do something like that. She's a recently divorced, mother of three, not some wild, young woman. She tells him, in no uncertain terms, what she thinks of his suggestion but then, she finds herself in a dangerous situation. Will the rude stranger save her, or will he turn out to be even more dangerous than the others?

Queer Transfigurations James Welker, 2022-05-31 The boys love (BL) genre was created for girls and women by young female manga (comic) artists in early 1970s Japan to challenge oppressive gender and sexual norms. Over the years, BL has seen almost irrepressible growth in popularity and since the 2000s has become a global media phenomenon, weaving its way into anime, prose fiction, live-action dramas, video games, audio dramas, and fan works. BL's male-male romantic and sexual relationships have found a particularly receptive home in other parts of Asia, where strong local fan communities and locally produced BL works have garnered a following throughout the region, taking on new meanings and engendering widespread cultural effects. *Queer Transfigurations* is the first detailed examination of the BL media explosion across Asia. The book brings together twenty-one scholars exploring BL media, its fans, and its sociocultural impacts in a dozen countries in East, Southeast, and South Asia—and beyond. Contributors draw on their expertise in an array of disciplines and fields, including anthropology, fan studies, gender and sexuality studies, history, literature, media studies, political science, and sociology to shed light on BL media and its fandoms. *Queer Transfigurations* reveals the far-reaching influences of the BL genre, demonstrating that it is truly transnational and transcultural in diverse cultural contexts. It has also helped bring about positive changes in the status of LGBT(Q) people and communities as well as enlighten local understandings of gender and sexuality throughout Asia. In short, *Queer Transfigurations* shows that, some fifty years after the first BL manga appeared in print, the genre is continuing to reverberate and transform lives.

Modern Fantasies on Love versus Classical Romances Ljuba Tarvi, 2023-07-14 Viewed through the lens of physics, love conquers nothing is the conclusion reached when love patterns in romances are viewed through laws of quantum physics. In this book, based on the metaphor “Love/Text is Energy,” love in fiction is interpreted in the same way as subatomic particles

are studied in quantum mechanics — by investigating traces of their clashes in giant colliders, i.e., as Marx's 'converted forms' of the protagonists' conscious and unconscious decisions and actions. The book introduces the Token Valence Method, which assumes that a word, like an elementary particle, is neither a particle nor a wave but rather a quantum state. The TVM has revealed three models of love patterns in fiction: adaptation (21st century), alienation (20th century), and imagination (1991-2021).

The Columbia Guide to the Latin American Novel Since 1945 Raymond L. Williams, 2007-09-21 In this expertly crafted, richly detailed guide, Raymond Leslie Williams explores the cultural, political, and historical events that have shaped the Latin American and Caribbean novel since the end of World War II. In addition to works originally composed in English, Williams covers novels written in Spanish, Portuguese, French, Dutch, and Haitian Creole, and traces the profound influence of modernization, revolution, and democratization on the writing of this era. Beginning in 1945, Williams introduces major trends by region, including the Caribbean and U.S. Latino novel, the Mexican and Central American novel, the Andean novel, the Southern Cone novel, and the novel of Brazil. He discusses the rise of the modernist novel in the 1940s, led by Jorge Luis Borges's reaffirmation of the right of invention, and covers the advent of the postmodern generation of the 1990s in Brazil, the Generation of the Crack in Mexico, and the McOndo generation in other parts of Latin America. An alphabetical guide offers biographies of authors, coverage of major topics, and brief introductions to individual novels. It also addresses such areas as women's writing, Afro-Latin American writing, and magic realism. The guide's final section includes an annotated bibliography of introductory studies on the Latin American and Caribbean novel, national literary traditions, and the work of

individual authors. From early attempts to synthesize postcolonial concerns with modernist aesthetics to the current focus on urban violence and globalization, *The Columbia Guide to the Latin American Novel Since 1945* presents a comprehensive, accessible portrait of a thoroughly diverse and complex branch of world literature.

Making Sense of Contemporary British Muslim Novels Claire Chambers, 2019-04-23 This book is the sequel to *Britain Through Muslim Eyes* and examines contemporary novelistic representations of and by Muslims in Britain. It builds on studies of the five senses and 'sensuous geographies' of postcolonial Britain, and charts the development since 1988 of a fascinating and important body of fiction by Muslim-identified authors. It is a selective literary history, exploring case-study novelistic representations of and by Muslims in Britain to allow in-depth critical analysis through the lens of sensory criticism. It argues that, for authors of Muslim heritage in Britain, writing the senses is often a double-edged act of protest. Some of the key authors excoriate a suppression or cover-up of non-heteronormativity and women's rights that sometimes occurs in Muslim communities. Yet their protest is especially directed at secular culture's ocularcentrism and at successive British governments' efforts to surveil, control, and suppress Muslim bodies.

Cloaked A.D. Justice, One word easily summed up my entire life: ordinary. I lived with my grandmother in a rural town in Montana. As I worked beside her in our small store, she taught me everything I needed to know. Except how to find her when she disappeared into thin air. Yesterday, going off to college was my greatest adventure. But the truth about my childhood was hidden from me my entire life, cloaked by a powerful spell. I thought all the tales she told me were just bedtime stories...children's fantasies. Until I stumbled into the Covis Realm. Until I learned my mother was killed because she was a mage. Until I was told my father died defending her. Until I realized I'm the rightful heir to the throne. Mages were hunted and killed because of their powers. They said a mage could never be the queen. My response? Watch me.

One Kiss Sabel Simmons, 2025-08-11 Please note: This book was originally published under my pen name, Linzi Basset, as *Just a Kiss Kill me now!* How am I supposed to understand a word the man says when all I can think of while looking at his lips moving is how badly I want him to get inside my knickers? Knickers, or panties, as most of you would call it. Yes, I'm that one. The one who uses medieval words and was the biggest nerd at school. Okay, back to the hunk. There I was, driving and singing along at the top of my voice to my favorite rock band, when all of a sudden, a shrieking siren disrupted my enjoyment. Speeding, my ass. The needle hardly hugged 75mph! Ah, okay, apparently, this is a 60 zone. Bad girl. Bad, bad girl! Daphne Fowler never thought receiving a speeding ticket from the sexiest cop she'd ever seen would turn into a torrid love affair. Least of all that she would lose her heart to him, especially amid an investigation, both of them became entangled in. All it took was just a kiss... Please note: Although the blurb is in 1st POV, the book is written in 3rd POV.
