Bound By The Past Cora Reilly, 2020-05-19 Dante My life's a tale of betrayal. I killed so many because they betrayed our cause, because they betrayed the Outfit. A hypocrite. A liar. A murderer. That's what I am. Five times I betrayed the Outfit. With my blood I made a vow to our cause, swore my life to it, promised to put the Outfit first. Above all else. Five times I chose a woman over the good of the Outfit. I betrayed my father. My vow. My men. You reap what you sow. Would my betrayals destroy everything I swore to protect? Valentina On our wedding day I made a vow to stand by Dante's side. In good and in bad times. To love him through it all. Growing up in the mafia, I knew the challenges in our life would be numerous. I never expected them to tear at the very base of our family, of our existence.

The Acquisition of Spanish Morphosyntax Ana Teresa Pérez-Leroux, Juana Muñoz Liceras, 2012-12-06 Recent developments in linguistic theory, as well as the growing body of evidence from languages other than English, provide new opportunities for deeper explorations into how language is represented in the mind of learners. This collection of new empirical studies on the acquisition of Spanish morphosyntax by leading researchers in the field of language acquisition, specifically contributes to the characterization of the L1 / L2 connection in acquisition. Using L1 and L2 Spanish data from children and adults, the authors seek to address the central questions that have occupied developmental psycholinguists in the final decades of the previous century and that will no doubt continue engaging them into the present one.

Bound by Retribution and Redemption J.K. Morris,2025-08-19 Ten years ago, Aislinn Thorne walked away from the only man she ever loved to protect him from the darkness clawing at her soul. But running hasn't silenced the voice in her head—or the bond that refuses to break. Now, forced back into the orbit of Austin Aquendil—the Calystral Prime and her fated other half—Ash must navigate a fragile alliance to stop the Voidbound from enacting a ritual that could tear the world apart. The danger is greater than ever, but the real battle might be with the past—and with the undeniable connection neither of them can outrun. As secrets unravel and trust is tested, Austin and Ash must decide whether the bond that once broke them can now save everything... or whether it will destroy them both. Love, duty, and destiny collide in the fight for the Eternal Balance—because some bonds are forged by fate... and others by fire.
