

Fortunes Of Jaded Women

Carolyn Huynh

The Fortunes of Jaded Women Carolyn Huynh, 2022-09-06 A GOOD MORNING AMERICA BOOK CLUB PICK For fans of Amy Tan, KJ Dell’Antonia, and Kevin Kwan, this “sharp, smart, and gloriously extra” (Nancy Jooyoun Kim, *The Last Story of Mina Lee*) debut follows a family of estranged Vietnamese women—cursed to never know love or happiness—as they reunite when a psychic makes a startling prediction. Everyone in Orange County’s Little Saigon knew that the Duong sisters were cursed. It started with their ancestor, Oanh, who dared to leave her marriage for true love—so a fearsome Vietnamese witch cursed Oanh and her descendants so that they would never find love or happiness, and the Duong women would give birth to daughters, never sons. Oanh’s current descendant Mai Nguyen knows this curse well. She’s divorced, and after an explosive disagreement a decade ago, she’s estranged from her younger sisters, Minh Pham (the middle and the mediator) and Khuyen Lam (the youngest who swears she just runs humble coffee shops and nail salons, not Little Saigon’s underground). Though Mai’s three adult daughters, Priscilla, Thuy, and Thao, are successful in their careers (one of them is John Cho’s dermatologist!), the same can’t be said for their love lives. Mai is convinced they might drive her to an early grave. Desperate for guidance, she consults Auntie Hua, her trusted psychic in Hawaii, who delivers an unexpected prediction: this year, her family will witness a marriage, a funeral, and the birth of a son. This prophecy will reunite estranged mothers, daughters, aunts, and cousins—for better or for worse. A multi-narrative novel brimming with levity and candor, *The Fortunes of Jaded Women* is about mourning, meddling, celebrating, and healing together as a family. It shows how Vietnamese women emerge victorious, even if the world is against them.

The Enchanted Hacienda J.C. Cervantes, 2023-05-16 Don't miss J.C. Cervantes's next book *The Anatomy of Magic* coming March 2025 “This summer’s sweetest confection is J.C. Cervantes’s *The Enchanted Hacienda*. This book is like dipping your brain into a jar of serotonin.” —New York Times Book Review This is a contemporary coming-of-age story, with a sprinkling of magic, that’s one of my most anticipated reads of the year. —Emily Henry, #1 New York Times bestselling author, in *Elle Magazine* When Harlow Estrada is abruptly fired from her dream job and her boyfriend proves to be a jerk, her world turns upside down. She flees New York City to the one place she can always call home—the enchanted Hacienda Estrada. The Estrada family farm in Mexico houses an abundance of charmed flowers cultivated by Harlow’s mother, sisters, aunt, and cousins. By harnessing the magic in these flowers, they can heal hearts, erase memories, interpret dreams—but not

Harlow. So when her mother and aunt give her a special task involving the family's magic, she panics. How can she rise to the occasion when she is magicless? But maybe it's not magic she's missing, but belief in herself. When she finally embraces her unique gifts and opens her heart to a handsome stranger, she discovers she's far more powerful than she imagined. With unforeseen twists, romance, and a heavy sprinkle of magic, *The Enchanted Hacienda* is a captivating coming-of-age debut exploring identity, unconditional family love, and uncovering the magic within us all.

My Mother Cursed My Name Anamely Salgado Reyes, 2025-06-10 Three generations of fiercely strong and stubborn Mexican American women face grief head-on as they attempt to shed generational trauma and discover the true meaning of home in this "magical, haunting, and joyful" (Carolyn Huynh, author of *The Fortunes of Jaded Women*) novel that feels like "a grown-up *Encanto* with a *Gilmore Girls* twist" (Marissa Stapley, New York Times bestselling author). For generations, the Olivares women have sought to control their daughters' destinies, starting with their names. In life, Olvido constantly clashed with her carefree daughter. Then teenage Angustias discovered she was pregnant and left her mother's home in search of her own. Ten years later, Felicitas finally meets her estranged grandmother and is terribly disappointed when Olvido is nothing like a grandmother should be. She is strict, cold, and...dead. Now, Olvido is convinced the only way her spirit will cross over is if she resolves her unfinished business—to make sure Angustias is in a better place regarding family, job, husband, and God—and Felicitas is the only person who can see or hear her. Heartbroken about her mother's passing and desperate to put Olvido's tiny Texas home in her rearview mirror as quickly as possible, Angustias doesn't understand why suddenly everyone in town seems to be conspiring to set her up with every eligible bachelor in town, offer her jobs, and invite her and Felicitas to church every Sunday. As Olvido attempts to puppeteer her granddaughter to "fix" Angustias's life from beyond the grave, Angustias tries desperately to find a better place for Felicitas, and Felicitas struggles to keep her ability to see the dead a secret from Angustias, all three Olivares girls are forced to learn how to actually listen to one another. "Incredibly written by Salgado Reyes, this is a spell-binding debut brimming with magic, secrets, and love that will stay with you long after the last page" (María Alejandra Barrios Vélez, author of *The Waves Take You Home*).

Where Rivers Part Kao Kalia Yang, 2025-02-11 In the 1960s when Kalia's mother, Chue, was born, the US was actively recruiting Hmong Laotians to assist with CIA efforts in Laos's Secret War. By the time Chue was a teenager, the US had completely vacated Laos, and the country erupted into genocidal attacks on the Hmong people, who were perceived as traitorous for their involvement. Notably, from 1964-1973, Laos became victim to the heaviest bombardment by the United

States against communist Pathet Lao, becoming the most heavily bombed country in history. Fearing vengeful soldiers looking to take their lives, Chue and her family quickly fled their village for the jungle, leaving all that they knew behind. Perpetually on the run, the family was often on the brink of starvation, and death loomed. During this tumultuous period, Chue met her husband, Bee, and unwittingly left her mother behind forever when she escaped to a refugee camp with his family, a mistake she would regret for the rest of her life. There, Chue, Bee, and their daughters lived in a state of constant fear and hunger until they finally made it to America. The determined couple enrolled in high school classes despite being in their late twenties and worked grueling factory jobs to provide for their family, yet most who meet Chue know nothing of her extraordinary resilience and traumatic past. In *Where Rivers Part*, told from her mother's point of view, Kao Kalia Yang unveils her mother's epic struggle towards safety and the important undocumented history of a time and place most US readers know nothing about, offering insight into America's Secret War in Laos with tenderness and unvarnished clarity. In doing so, she excavates the plight of many refugees, who suffer silently and are often overlooked as one of the essential foundations of this country. For readers of *The Wild Swans* by Jung Chang, *The Spirit Catches You When You Fall Down* by Anne Fadiman, and those who flock to stories about survival during wartime, *Where Rivers Part* is not only a personal account of resilience and survival but also a powerful and transporting look into Laos's Secret War and the lived experiences of the Hmong people--

What We Kept to Ourselves Nancy Jooyoun Kim, 2024-07-02 From the New York Times bestselling author of *The Last Story of Mina Lee* comes a propulsive new novel of a family that unravels when a stranger is found dead in their backyard, only to find he might hold the key to finding their mother who disappeared a year ago--

Red String Theory Lauren Kung Jessen, 2024-01-09 Booklist: The Biggest, Buzziest Romance Books of 2024 In this charming rom-com about two star-crossed lovers, a woman whose life is guided by her belief in the red-string of fate finds her perfect match—but his skepticism about true love puts a knot in their chances. Just a date . . . or a twist of fate? When it comes to love and art, Rooney Gao believes in signs. Most of all, she believes in the Chinese legend that everyone is tied to their one true love by the red string of fate. And that belief has inspired her career as an artist, as well as the large art installations she makes with (obviously) red string. That is until artist's block strikes and Rooney begins to question everything. But then fate leads her to the perfect guy . . . Jack Liu is perfect. He's absurdly smart, successful, handsome, and after one enchanting New York night—under icy February skies and fueled by fried dumplings—all signs point to destiny. Only Jack doesn't believe. And after their magical date, it looks like they might be lost to each other forever . . . until they're given one more chance to reconnect. But can Rooney convince a reluctant skeptic to take a leap of fate?

Mendell Station J.B. Hwang, 2025-07-22 A surprising and evocative debut. -Grace D. Li, New York Times bestselling author of *PORTRAIT OF A THIEF* A tender debut that follows a woman who, after her best friend's death, loses her faith and

quits her job to join the postal service, quickly becoming an 'essential worker' as the city shuts down. It's January 2020, and Miriam is already getting a sense that the world might be ending. First, she learns that her best friend, Esther, has died. Then her faith in God—in everything, really—follows suit. Her job teaching Scripture at a private Christian school suddenly seems untenable, so she quits. Thankfully, the postal service is hiring. While Miriam finds comfort in her route, the mail truck can hardly outpace the memory of her lost friend and eroded faith. She finds herself composing letters to Esther that she will never deliver, reflecting on their shared childhoods and deep understanding of each other's difficult families. *Mendell Station* depicts one woman's deliverance through the peculiar rhythms of work, and the beauty found in small details and gestures, those quotidian labors of love.

Sunshine Nails Mai Nguyen, 2023-07-04 A tender and funny debut about a Vietnamese Canadian family who will do whatever it takes to keep their no-frills nail salon afloat after a multimillion-dollar chain opens across the street. Vietnamese refugees Debbie and Phil Tran have made a good life for themselves in Toronto, but their landlord has just jacked up the rent of their family-run nail salon, Sunshine Nails, and it's way more than they can afford. When Take Ten, a glamorous chain offering a more luxurious salon experience, moves into the neighborhood, the Tran family is terrified of losing their business—and the community they've built around them. But daughter Jessica comes to their rescue. She's just moved back home after a messy breakup and an even messier firing. Together with her workaholic brother, Dustin, and recently immigrated cousin, Thuy, they devise some good old-fashioned sabotage. But as the line between right and wrong gets blurred, relationships are put to the test, and Debbie and Phil must choose: Do they keep their family intact or fight for their salon? Full of memorable manicures and even more memorable characters, *Sunshine Nails* is a humorous and heartfelt novel about family, resilience, and what it means to start over.

The Banned Bookshop of Maggie Banks Shauna Robinson, 2022-11-01 A sparkling bookish story about rules just begging to be broken. — Abby Jimenez, New York Times bestselling author of *Part of Your World* and *The Friend Zone* I, Maggie Banks, solemnly swear to uphold the rules of Cobblestone Books. If only, I, Maggie Banks, believed in following the rules. When Maggie Banks arrives in Bell River to run her best friend's struggling bookstore, she expects to sell bestsellers to her small-town clientele. But running a bookstore in a town with a famously bookish history isn't easy. Bell River's literary society insists on keeping the bookstore stuck in the past, and Maggie is banned from selling anything written this century. So, when a series of mishaps suddenly tip the bookstore toward ruin, Maggie will have to get creative to keep the shop afloat. And in Maggie's world, book rules are made to be broken. To help save the store, Maggie starts an underground book club, running a series of events celebrating the books readers actually love. But keeping the club quiet, selling forbidden books, and dodging the literary society is nearly impossible. Especially when Maggie unearths a town secret that could upend everything. Maggie will have to decide what's more important: the books that formed a small town's history, or the stories

poised to change it all.

Always a matchmaker, never a match... Olivia Huang Christenson is excited-slash-terrified to be taking over her grandmother’s matchmaking business. But when she learns that a new dating app has made her Pó Po’s traditional Chinese zodiac approach all about “animal attraction,” her emotions skew more toward furious-slash-outraged. Especially when L.A.’s most-eligible bachelor Bennett O’Brien is behind the app that could destroy her family’s legacy . . . Liv knows better than to fall for any guy, let alone an infuriatingly handsome one who believes that traditions are meant to be broken. As the two businesses go head to head, Bennett and Liv make a deal: they’ll find a match for each other—and whoever falls in love loses. But Liv is dealing with someone who’s already adept at stealing business ideas . . . so what’s stopping him from stealing her heart too?

The Family Recipe Carolyn Huynh, 2025-04-01 “Delightful....A funny yet poignant tale of one family’s search for belonging and understanding.” —Charmaine Wilkerson, New York Times bestselling author From the author of the “sharp, smart, and gloriously extra” (Nancy Jooyoun Kim, New York Times bestselling author) *Good Morning America* Book Club Pick *The Fortunes of Jaded Women*, a stunning family dramedy about estranged siblings competing to inherit their father’s Vietnamese sandwich franchise and unravel family mysteries. Duc Tran, the eccentric founder of the Vietnamese sandwich chain *Duc’s Sandwiches*, has decided to retire. No one has heard from his wife, Evelyn, in two decades. She abandoned the family without a trace, and clearly doesn’t want anything to do with Duc, the business, or their kids. But the money has to go to someone. With the help of the shady family lawyer, Duc informs his five estranged adult children that to receive their inheritance, his four daughters must revitalize run-down shops in old-school Little Saigon locations across America: Houston,

San Jose, New Orleans, and Philadelphia—within a year. But if the first-born (and only) son, Jude, gets married first, everything will go to him. Each daughter is stuck in a new city, battling gentrification, declining ethnic enclaves, and messy love lives, while struggling to modernize their father's American dream. Jude wonders if he wants to marry for love or for money—or neither. As Duc's children scramble to win their inheritance, they begin to learn the real intention behind the inheritance scheme—and the secret their mother kept tucked away in the old fishing tackle box, all along. The Family Recipe is about rediscovering one's roots, different types of fatherly love, legacy, and finding a place in a divided country where the only commonality among your neighbors is the universal love of sandwiches.

Sir Francis Drake John Sugden,2012-04-24 How well do you know the life of one of Britain's great maritime heroes?

Discover the truth behind a man who remains a legendary figure of history more than four hundred years after his death. Sir Francis Drake's career is one of the most colourful on record. The most daring of the corsairs who raided the West Indies and Spanish Main, he led the English into the Pacific, and circumnavigated the world to bring home the Golden Hind laden with Spanish treasure. His attacks on Spanish cities and ships transformed his private war into a struggle for survival between Protestant England and Catholic Spain, in which he became Elizabeth I's most prominent admiral and marked the emergence of England as major maritime nation. 'Excellent...It deserves to become the standard Drake life. His scholarship is impeccable' Frank McLynn, Sunday Telegraph
