

Health Wealth And Prosperity

John Piper

Health, Wealth, and Happiness David W. Jones, Russell S. Woodbridge, 2017-07-25 Be faithful in your giving and God will reward you financially. It's not always stated that blatantly but the promises of the Prosperity Gospel--or the name-it-and-claim-it gospel, the health-and-wealth gospel, the word of faith movement, or positive confession theology--are false. Yet its message permeates the preaching of well-known Christian leaders: Joyce Meyer, T. D. Jakes, Joel Osteen, Creflo Dollar, Kenneth and Gloria Copeland, and many more. The appeal of this teaching crosses racial, gender, denominational, and international boundaries. Why are otherwise faithful Christians so easily led astray? Because the Prosperity Gospel contains a grain of biblical truth, greatly distorted. For anyone who knows that Prosperity Gospel theology is wrong but has trouble articulating and refuting the finer points, this concise edition contains all the robust arguments of the hard-hitting original edition in a shorter, more accessible form.

Health, Wealth & Happiness David Jones, Russell Woodbridge, 2011-10-28 A timely exploration and discussion of the prosperity gospel movement.

Money Matters R. Paul Stevens, Clive Lim, 2021-01-26 A guide to investing in heaven and being “rich toward God” Christians often hesitate to talk about money in spiritual contexts, but in the gospels Jesus talks more about money than about “religious” topics like prayer and heaven. Money Matters advocates following Jesus’s lead in engaging with matters of economy and finance in a faith-driven way, in both our individual and our corporate lives. The authors draw on their contrasting life experiences to offer a well-rounded look at money in the twenty-first century. Paul Stevens, who grew up well-off in Canada and worked as a carpenter, a banker, and later a pastor and professor of theology, finds a complementary voice in Clive Lim, who grew up without money in Singapore, and now works there as an entrepreneur and head of a family investment firm. With frequent scriptural references, Stevens and Lim offer insight into navigating the economic systems of today, aiming to help individuals, churches, and societies become faithful stewards who store up “treasures in heaven” by investing in the kingdom of God. Money Matters is a comprehensive yet accessible guide to integrating one’s faith with one’s approach to money. Just as the Bible variously treats money as a blessing, a sacrament, and a problem, so do Stevens and Lim approach this matter judiciously—avoiding the prosperity gospel on one side and the demonization of material wealth on the other. Capitalism is treated as what it is: a system that has created widespread opportunity and relieved poverty for

millions while also exacerbating the gap between the haves and the have-nots. The authors' wisdom is at turns theological, historical, and practical—and always focused on what it means to live with faithful integrity in our contemporary global economy.

Stone Medicine Leslie J. Franks, 2016-02-13 A comprehensive manual for using crystals, gems, and stones to address physical, emotional, and spiritual health conditions • Includes an extensive Materia Medica detailing the healing and spiritual properties of 200 crystals and stones based on Classical Chinese Medicine • Explores the role played by the color of each stone, its Yin and Yang qualities, crystalline structure, chemical composition, and topical and internal applications • Explains how to make stone and crystal elixirs, wear stones as healing jewelry, use them in massage and energy work, and cleanse and recharge them • Based on the oral teachings of Dr. Jeffrey C. Yuen, a Taoist priest from the ancient lineage of the Jade Purity School (88th generation) masters In addition to herbalism and acupuncture, Chinese Medicine has a rich tradition of using stones as medicine, passed from generation to generation for thousands of years. In this comprehensive guide and extensive Materia Medica, Leslie J. Franks presents the Stone Medicine teachings of Dr. Jeffrey C. Yuen, an 88th generation Taoist priest from the ancient lineage of the Jade Purity School, which dates to the Han dynasty, 206 BCE. Detailing the therapeutic properties of 200 gems, stones, minerals, and crystals, Franks begins with an extensive look at 15 different forms of quartz, followed by chapters on transformative stones, protective stones, nourishing stones, source energy stones, and alchemical stones. She explains the physical, emotional, and spiritual conditions each stone can treat and how their color, form, hardness, and energetic qualities affect us according to Chinese Medicine. She discusses how to make stone and crystal elixirs for internal and topical use, how to charge quartz with the healing properties of other stones, how to cleanse and recharge a stone after use, and how to combine stones to create healing formulas for individual conditions. She explains different techniques of wearing stones as healing jewelry and how to use them in massage and energy work. She examines the chemistry and sacred geometry of crystal structure, revealing how the minerals contained in the stones affect our physiology by supporting our Jing (Essence); by nourishing Qi (energy), blood, and fluids; and by clearing Wind, Cold, Damp, and Heat conditions that can lead to disease. Including a thorough primer on Traditional Chinese Medicine and backed by modern scientific research, this book explains how stones access our deepest layers, vibrating ever so slowly, to initiate deep lasting change.

Let the Nations be Glad John Piper, 2020-05-21 'Mission is not the ultimate goal of the church. Worship is. Missions exist because worship doesn't. Worship is ultimate.' John Piper's contemporary classic draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach. Piper offers a biblical defence of God's supremacy in all things, providing a sound theological foundation for missions. He examines whether Jesus is the only way to salvation and issues a passionate plea for God-centredness in the missionary enterprise,

seeking to define the scope of the task and the means for reaching 'all nations'. Let the Nations Be Glad! is a trusted resource for missionaries, pastors, church leaders, youth workers, seminary students, and all who want to connect their labours to God's global purposes. This third edition has been revised and expanded throughout and includes new material on the 'prosperity gospel'.

Strange Fire John F. MacArthur, 2013-11-19 In Strange Fire, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? The charismatic movement has always been a breeding-ground for scandal, greed, bad doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of the prosperity gospel. Too many charismatic celebrities promote a “Christianity” without Christ, a Holy Spirit

without holiness. And their teaching is having a disastrous influence on a grand scale, as large television networks broadcast their heresies to every part of the world. In *Strange Fire*, MacArthur lays out a chilling case against the modern Charismatic movement that includes: Rejecting its false prophets. Speaking out against their errors. Showing true reverence to the Holy Spirit. Clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.

African Governance and Development Issues in a World of Change Ikechukwu Anthony Kanu, Catherine Chiugo Kanu, Kanayo Nwadiakor, 2018-08-16 The present work is part of the outcome of the 2018 International Conference of the Association for the Promotion of African Studies, which had the theme African ideologies in a world of change. Heraclitus of Ephesus, an ancient philosopher and one of the important thinkers in human history, said that change is the basic law of nature and the condition of all things. All things are in a state of flux. You cannot step twice into the same river, for just as water in a river is ceaselessly changing, so are all things in a state of flux. In relation to Africa's historical experience, Alik Shahadah observes that Africa is a continent where cultures have smashed through deserts; crossed trade routes; traveled through immigration borders, disregarding her notions of geography and race; and names, foods, cultures, religions, genetics have jumped between Asia and Africa, etc. with blatant disregard for our social constructions. The Association for the Promotion of African Studies, in her 2018 international conference, provided a context for African scholars to study African ideologies in a world of change, especially as it concerns politics and development in Africa from a variety of points of view. This piece, which is a collection of academic papers from seventeen scholars, focuses on the processes of change and disorganization of the various traditional, social, and cultural patterns and organizations and then on the possible recrystallization of some traditional elements within the more modern and differentiated societies.

Paul's Spirituality in Galatians P. Adam McClendon, 2015-03-25 Spirituality is a hot topic in today's culture. Spirituality is essentially how one's beliefs and experiences influence the way one lives their life. Such influences for living are of critical importance to one's faith within the Christian community. What role does the Bible play in developing an expressed spirituality among the Christian community? How do one's religious traditions, cultural influences, and personal preferences influence the way Christian spirituality is perceived and expressed? All too often, and at times unintentionally, the foundational truths of the Bible are subordinated to tradition, culture, and personal preference. This book provides a context for understanding Paul's foundational components for Christian spirituality within the book of Galatians while showing how an accurate understanding of these components can and should serve as a corrective lens to various aspects of Christian spirituality as expressed and experienced today.

15 Secrets to a Wonderful Life Michael Youssef, 2008-03-14 Dr. Youssef shares the plan and process for living a positive life. He takes points from each of the fifteen chapters and casts them into easily understood modern contexts to show

how it's not what we think or say to ourselves that makes us positive; it's what we allow to become part of us.

The Future of Pentecostalism in the United States Eric Patterson, Edmund Rybarczyk, 2007-11-26 One hundred years after the Azusa Street Revival stunned Los Angeles and changed Western Christianity, Pentecostalism has become the fastest growing religious movement in the world. However, many Pentecostal denominations in the United States are in a slow decline. Will Pentecostalism survive in North America in the twenty-first century? If so, what forms will it take? *The Future of Pentecostalism in the United States* brings together leading scholars of charismatic and Pentecostal Christianity to discuss and forecast these issues. The book looks at American Pentecostalism from a variety of disciplinary perspectives including sociology, theology, history, and the arts. The book also considers various traditions and sub-movements within U.S. Pentecostalism, such as African American Pentecostal and charismatic Latino churches, urban postmodern charismatic congregations, and the role of Pentecostal institutions of higher education.

Preaching to Korean Immigrants Rebecca Seungyoun Jeong, 2022-09-14 In terms of practical-theology's critical reflection on marginalized people's wounds in a wider society, this book investigates the question, "How to proclaim the good news in response to first-generation Korean immigrants' contextual suffering in the United States?" To answer the question, the book starts with investigating Korean immigrant hearers' contextual predicaments in a new land to point out emerging

practical-theological issues in relation to the practice of preaching. In this book, the primary subjects are first-generation Korean immigrants, especially those who have relatively low socio-economic status and struggle with the purpose of their lives as immigrants, particularly those whose material dreams have been shattered. In order to proclaim the good news, this book proposes a more appropriate immigrant theology for/in the practice of preaching by reclaiming the priorities of God's future in our lives and confirming God's active identification with Korean immigrant congregations in the depths of their predicament. Such reconstructive work for immigrant theology arises in response to their existential hardships, marginality, ethnic discrimination, and relative powerlessness in life. While acknowledging both the possibilities and limits of the diverse forms of current Korean immigrant preaching, the book then offers a strategic proposal for a new homiletic theory, namely "a psalmic-theological homiletic." This proposed homiletic is deeply rooted in the theology of the Psalms and their rhetorical movement. This re-envisioned mode of eschatological and prophetic preaching in times of difficulty recovers ancient Israel's psalmic, rhetorical tradition that aims toward faith. Its theological-rhetorical strategy intends to both transform hearers' habitus of living in faith and enhance their hope-filled life through communal anticipation of God's coming future on the margins. Specifically, this proposed homiletic critically adopts key features from psalms of lament and their typical, fourfold theological-rhetorical movement (i.e., lament, retelling a story, confessional doxology, and obedient vow) as now core elements of a revised Korean-immigrant preaching practice.

The Ministry of the Word, Vol. 22, No. 11 Various Authors,2018-11-01 This issue of The Ministry of the Word contains the first nine messages given during the fall 2002 term of the full-time training in Anaheim, California. The general subject of this series of messages is Christ and the Church in the Psalms. These messages are the continuation of the unveiling of the economy of God concerning Christ and the church in the Psalms. Four words summarize the central thought of the book of Psalms--Christ, house, city, and earth. The Psalms reveal Christ as a church-loving, church-building, and church-supplying Christ. As the great Shepherd of the sheep, He leads us into the church, the house of God, and we enjoy God in the house of God. The church as the house needs to be strengthened and enlarged to become the city, which signifies the kingdom where God the King rules with His authority.

Fake Christianity Jed Coppenger,2025-03-04 We are the problem. But Jesus can save us from ourselves. Fake Christianity is deceptive and deadly. And, unfortunately, it's very much alive today. We can easily recognize problems and hypocrisy around us. But it takes humility and courage to face the error and deception within us. With a pastoral heart, Jed Coppenger shows us how unnoticed hypocrisy, like prayerlessness, neglect of the Bible, gossip, bitterness, and every form of

ungodliness, compromise our heart and weaken our Christian witness. In Fake Christianity, Coppenger looks to the teachings of Jesus that address a culture remarkably like our own. He exposes ten traps of inauthentic faith and provides a gospel-centric response. The best way to tell a fake thing is to look at the real thing. That's true when looking at gems. It's also true of the Christian life. If we want to understand what's true and good, we must look to Jesus. And we must listen to Him. I'm praying that God would use this book to help Christians hear Jesus' words more clearly. I hope every reader will be better equipped to join Jesus as He pushes back the darkness of hypocrisy with the light of the gospel.
