Simon Baskett

Alcalá de Henares Juan Van-Halen, 1999

A History of Archaeological Tourism Margarita Díaz-Andreu, 2020-02-24 This book examines the relationship between archaeological tourism and professional archaeology. To do so, it explores the connection - most visibly through nationalism and global capitalism - from its origins in the early modern period to World War II. How separate is the development of archaeological tourism from that of the formation of archaeology as a discipline? And do the fields operate in two different worlds? Scholarly discussions have largely treated them as distinct fields with no connection, while histories of archaeology, in particular, have focused on aspects such as the history of archaeological discoveries, archaeological thought and, more recently, the political relationship between archaeology and nationalism and other ideologies. Largely missing from all these accounts has been an examination of how archaeology has been incorporated into society, for example through something that all humans enjoy - leisure - in the form of archaeological tourism. Moreover, just as histories of archaeology have largely ignored the connection between archaeology and tourism, so too has tourism in the reverse direction. Recent studies on tourism have centered on topics such as economy (sustainable and recession tourism) and new types of tourism (including ecotourism and medical tourism).

Novel Destinations Shannon McKenna Schmidt, Joni Rendon, 2008-05-20 It's often said that a good book takes us somewhere we've never been before, and here's the proof: a book-lover's Baedeker to more than 500 literary locales across the United States and Europe. *Novel Destinations* invites readers to follow in the footsteps of much-loved authors, discover the scenes that sparked their imaginations, glimpse the lives they led, and share a bit of the experiences they transformed so eloquently into print. If you're looking to indulge in literary adventure, you'll find all the inspiration and information you need here, along with behind-the-scenes stories such as these: After Ernest Hemingway survived two near-fatal plane crashes during an African safari, he perused his obituaries and sipped champagne on a canal-side terrace in Venice. Washington Irving's wisteria-draped cottage in the Hudson Valley was once occupied by members of the Van Tassel family, immortalized in *The Legend of Sleepy Hollow*. A mysterious incident at a stone tower near Dublin made such a vivid impression on James Joyce that he drew on it for the opening scene of *Ulysses*. Sir Arthur Conan Doyle consulted on the mystery of Agatha Christie's 1926 disappearance before she resurfaced under an assumed name in northern England. Nathaniel Hawthorne's

The House of the Seven Gables was inspired by a seaside manse in Salem, Massachusetts, infamous witch trials in which his ancestor played a role.

El club de los 5 y medio Julián Climent, 2021-06-22 Este relato cuenta la historia de un club gastronómico y cultural que se convierte poco a poco en una sociedad cuasi secreta: el club de los cinco. Este club, con sede en el centro de Madrid, y cuyas reglas no escritas contienen la estricta confidencialidad de sus actividades, se dedica a investigar los casos complejos de un abogado matrimonialista y de un detective privado de larga trayectoria profesional. Menos mal que los otros miembros del club: una médica genetista y forense, un empresario con tanto dinero y tiempo sobrante que no sabe en qué gastar ambos, y un trotamundos con gran experiencia vital e hijas de varias madres les prestan ayuda teórica, sentimental y desde luego práctica. Entre las bambalinas del reducido club, un joven hacker excelente con varias carreras científicas inconclusas, les asesora, mostrándoles la fragilidad actual de la privacidad. En esta primera entrega de la saga, la principal tarea de tan insólito club es descubrir dónde está un niño y porqué que desaparece de un colegio de élite. La policía con desprecio cataloga la desaparición de secuestro parental, pero no lo resuelve. Puede ser que no, o que sí, ya se verá. Un inesperado actor, tan conspicuo como inspirado presta una ayuda inigualable para resolver el dilema, y por eso se le nombra medio miembro del club. El relato, de cierta morosidad, está trenzado con un lenguaje literario y contiene dosis de suspense de ironía a partes iguales y distintas, es un decir.

Alcalá de Henares Jose María Pinilla Martín De Loeches, 2019-07-23 Desde el conocimiento y la reflexión sobre su ciudad - Alcalá de Henares -, JOSÉ MARÍA PINILLA nos acerca mediante su obra periodística a la historia y tradiciones de aquélla; a la política local y a los hechos culturales relevantes; a la sociedad alcalaína en general. Toda la extensa colaboración con el Diario de Alcalá queda aquí recogida en su totalidad, como una secuencia de 177 fotos realizadas a lo largo del lustro que daba entrada al siglo XXI.

Paradores of Spain Jan Read, Maite Manjón, 1977 The historic Paradores of Spain are the fulfilment of every traveller's dream. These many lovingly restored castles and monasteries offer hospitality in the grand manner with food and wine to match. Their superb settings and romantic associations have made them famous amongst world travelers. Jan Read has been joined by his wife Maite Manjón to make this beautiful volume a very special celebration of these Castles in Spain. The chapter on each Parador starts with a concise historical introduction setting the building in its place in Spain's long history. Then follows a section on the regional foods written with discerning appreciation by two people who know some of the rarer delicacies of this fascinating country. The wines of the region in which the Parador is situated are critically viewed and for those with an interest in exotic cooking Maite Manjón has selected her favorite recipes. -- From publisher's description.

De instituto psiquiátrico \"La milagrosa\" a base Primo de Rivera \"Vulgo manicomio\" 1926-2007 Rafael Fernández López, 2014-04-25 La base \"Primo de Rivera\" no es un conjunto de edificios emblemáticos, ni poseen una riqueza

arquitectónica especial, ni están catalogados dentro de aquellos que consiguieron que Alcalá de Henares fuese declarada “Patrimonio de la Humanidad”, sin embargo son historia de la ciudad y como tal, respetable y digna de ser conocida. Entre sus trece capítulos y dos apéndices el lector descubrirá los avatares de este establecimiento, su transformación y mejora, su ruina y reconstrucción, los organismos que en él se establecieron, las unidades militares que lo utilizaron y las actividades que en él se desarrollaban. Este esfuerzo de síntesis, este pedazo de nuestra historia merecen la oportunidad de ser conocido y disfrutarlo. Rafael Fernández, paracaidista ejemplar y escritor preocupado por la historia, nos pide con este libro, que no la olvidemos, que aprendamos de ella y que fortalezca nuestro cariño por esta ciudad ejemplar que es Alcalá de Henares. J. Cifuentes Alvarez

De forasteros y turistas Moreno Garrido, Ana, 2022-06-17 Cuesta imaginar una España no turística, pero a muchos les cuesta todavía más imaginar una España turística antes del boom y eso que el turismo entró muy pronto en el debate sobre la contemporaneidad y lo español. Este libro narra cómo España empezó, y aprendió, a ser turística desde finales del siglo XIX cuando comenzaron a llegar sus primeros turistas y las élites nacionales se aficionaron a uno de los fenómenos que más consecuencias ha tenido sobre el mundo contemporáneo. El turismo español previo al boom no es ni el de las cifras millonarias, ni el del gran negocio nacional, sino el de la exploración de temas profundamente arraigados en la época como el descubrimiento de la nación, la nueva relación del cuerpo con los placeres al aire libre, la ambición europeizadora, los sentimientos de identidad, la imagen de España en el mundo y la sensación de movimiento y velocidad. Es también una oportunidad para visitar unos años fundamentales en la construcción moderna de España de la mano de los que la miraron y la «reelaboraron» con otros ojos: sus turistas.

Top 10 Madrid DK Travel, 2016-11-01 Newly revised, updated, and redesigned for 2016. Includes maps and photographs.

Urdangarin Eduardo Inda,Esteban Urreiztieta,2012-10-18 Con ritmo de thriller, Eduardo Inda y Esteban Urreiztieta, los periodistas de El Mundo que destaparon en 2006 la prehistoria del caso Urdangarin y en septiembre de 2011 la historia moderna, relatan con todo lujo de detalles el primer gran escándalo de corrupción de un miembro de la familia real española. De cómo un plebeyo guipuzcoano jugador de balonmano pasa a convertirse en hijo político del rey, diezmar las arcas públicas y acabar imputado por cinco delitos (malversación, prevaricación, falsedad, fraude y blanqueo de capitales). Urdangarin. Un conaseguidor en la corte del rey Juan Carlos aporta grandes novedades: la bronca entre el príncipe de Asturias y el duque de Palma a cuenta del palacete de Barcelona, la reunión en La Zarzuela que disparó las acciones de Nóos, lo que piensa don

Juan Carlos del asunto o cuál es la potencia de las «bombas atómicas» que el socio Diego Torres amenaza con hacer estallar en cualquier momento.

Bibliografía del arte en España María Paz Aguilo,1976

Novel Destinations, Second Edition Shannon McKenna Schmidt, Joni Rendon, 2017-05-02 Follow in the footsteps of much-loved authors, including Ernest Hemingway, James Joyce, Virginia Woolf, Mark Twain, Jack Kerouac, Jane Austen, and many more. For vacationers who crave meaningful trips and unusual locales, cue National Geographic's *Novel Destinations*—a guide for bibliophiles to more than 500 literary sites across the United States and Europe. Check into Hemingway's favorite hotel in Sun Valley, or stroll about Bath's Royal Crescent while entertaining fantasies of Lizzie Bennett and her Mr. Darcy. The fully revised second edition includes all of the previous sites—with updated locations—plus color images and an expanded section on all things Brontë. The book begins with thematic chapters covering author houses and museums, literary festivals and walking tours. Then, in-depth explorations of authors and places take readers roaming Franz Kafka's Prague, James Joyce's Dublin, Louisa May Alcott's New England, and other locales. Peppered with great reading suggestions and little-known tales of literary gossip, *Novel Destinations* is a unique travel guide, an attractive gift book, and the ultimate bibliophile's delight.
