The Sniper Jim Lindsay, 2023-03-07 Jim Lindsay's *The Sniper* reveals, for the first time ever, the full story of the deadliest sniper in Marine Corps history, Chuck Mawhinney, who served in the Vietnam war at age 18—written with his full cooperation and participation. Charles Chuck Mawhinney is a United States Marine who holds the Corps' record for the most confirmed sniper kills (and the second most of any US service member in history), having recorded 103 confirmed kills in 16 months during the Vietnam War. He was also the youngest—killing the enemy as a teenager. In 1967, at the age of 18, Mawhinney joined the Marines and began his ascent from recruit to the Marine Corps' deadliest sniper. During his tours—in one of the most dangerous war zones of Vietnam—his character and charisma helped him deal with life and death in a hell hole with other young men a long way from home. After Vietnam, Mawhinney married and settled into his post-war life, raised a family, and was content that no one knew of his accomplishments in war. Then in 1991 he was startled and dismayed when outed by a fellow Marine sniper, Joseph Ward, who spoke of Mawhinney's number of kills in his book, *Dear Mom*. Newspapers picked up the story and Mawhinney's life changed forever. The notoriety troubled him at first, but then he accepted the fame and used the opportunity to train service men and lawmen in the art of long-distance shooting. At last, Chuck's full story is told, including his heroic exploits in battle and the terrible toll that taking a life exerts on a human being.

Glory Denied: The Vietnam Saga of Jim Thompson, America's Longest-Held Prisoner of War Tom Philpott, 2012-05-28 Now hailed as a classic, one of the most unforgettable and heartbreaking books ever written about the Vietnam War. *Glory Denied* is the harrowing and heroic story of Floyd Jim Thompson, captured in March 1964, who became the longest-held prisoner of war in American history. Tom Philpott juxtaposes Thompson's capture, torture, and multiple escape attempts with the trials of his young wife, Alyce, who, feeling trapped, made choices that forever tied her fate to the war she despised. One of the most honest books ever written about Vietnam (Oliver Stone), *Glory Denied* demands that we rethink the definition of a true American hero.

Private Security Companies during the Iraq War Scott Fitzsimmons, 2015-07-16 This book explores the use of deadly force by private security companies during the Iraq War. The work focuses on and compares the activities of the US companies Blackwater and DynCorp. Despite sharing several important characteristics, such as working for the same client (the US State Department) during the same time period, the employees of Blackwater fired their weapons far more often, and killed and seriously injured far more people in Iraq than their counterparts in DynCorp. In order to explain this disparity, the book undertakes the most comprehensive analysis ever attempted on the use of violence by the employees of these firms. Based on extensive empirical research, it offers a credible explanation for this difference: Blackwater maintained a relatively bellicose military culture that placed strong emphasis on norms encouraging its personnel to exercise personal initiative, proactive use of force, and an exclusive approach to security, which, together, motivated its personnel to use violence quite freely against anyone they suspected of posing a threat. Specifically, Blackwater's military culture motivated its personnel to fire upon suspected threats more quickly, at greater distances, and with a greater quantity of bullets, and to more readily abandon the people they shot at when compared to DynCorp's personnel, who maintained a military culture that encouraged far less violent behaviour. Utilizing the Private Security Company Violent Incident Dataset (PSCVID), created by the author in 2012, the book draws upon data on hundreds of violent incidents involving private security personnel in Iraq to identify trends in the behaviour exhibited by the employees of different firms. Based on this rich and original empirical data, the book provides the definitive study of contemporary private security personnel in the Iraq War. This book will be of much interest to students

of the Iraq War, Private Security Companies, Military Studies, War and Conflict Studies and IR in general.

I.N.L.A - Deadly Divisions Henry McDonald, Jack Holland, 2016-06-29 The Irish National Liberation Army was one of the most ruthless terrorist organisations during the troubles in Northern Ireland. Formed in 1974 as a splinter group of the Official IRA, the INLA's campaign of murder throughout the 1970s and 1980s included such notorious acts as the bombing of the Droppin' Well in Derry in 1982 and, perhaps most infamously, the kidnapping and mutilation of Dublin dentist by former member, the 'Border Fox'. Many of their leading members found death at the end of a gun, including founder members Seamus Costello and Ronnie Bunting, and leader Dominic McGlinchey. The INLA were also involved in numerous bloody feuds and splits. This new revised edition of a classic book brings the INLA story right up to date, featuring the 1997 killing of LVF leader Billy 'King Rat' Wright; their 1998 ceasefire; their continuing involvement in punishment attacks and criminal activities; and their declaration, in October 2009, that their armed campaign was finally over.

Fighting Through to Anzio Stewart Mitchell, 2023-12-30 This is the inspiring story of two Gordon Highlanders Territorial Army battalions which saw action in some of the Second World War's fiercest battles. After evacuation from Dunkirk, 6th Gordons fought in Tunisia in 1943, leading to the German surrender in North Africa. Following a spell in Iraq,

the 1st London Scottish fought in Sicily and then the Battle of Monte Cassino where Private George Mitchell won his posthumous Victoria Cross, the most prestigious of the numerous gallantry awards to the men of both battalions. In January 1944, the 6th Gordons were the first British battalion ashore at Anzio. While the landing was unopposed, the Germans mounted devastating counter-attacks but, despite almost 400 killed, wounded and captured, the Battalion heroically held on. The 1st London Scottish arrived to fight alongside their Regimental 'brethren' suffering equally heavy devastating casualties. After the break-out, the Gordons pipe band led the liberation parade in Rome. Both battalions went on to fight up through Italy to smash the Gothic Line and eventual victory.
