

Wild Things The Art Of Nurturing

Roland C. Warren

Wild Things Stephen James, David Thomas, 2011-07-14 A practical guide to understanding the way, the mind, and the heart of a boy. A boy's endless imagination, hunger for adventure, and passionate spirit are matched only by his deep desire to be affirmed, esteemed, and loved. Yet over the past few decades, our culture has adopted a model of parenting and educating children that doesn't affirm, celebrate, nurture, or embrace a boy's wildness but rather seeks to tame it. As a result, many moms and dads find themselves frustrated, confused, and wearied by their sons' behavior. The truth is, boys don't need to be tamed—they need to be understood, loved, challenged, and encouraged. Based on clinical research and filled with practical tips and suggestions, therapists Stephen James and David Thomas give fresh insight and much-needed encouragement on the road to raising boys by talking about: Parenting the different stages in a boy's life Healthy discipline and correction Sitting still and paying attention Hot topics like screen time and dating Wild Things helps Christian parents, teachers, mentors, and coaches understand and explore the hearts, minds, and ways of boys and the vital role parents and caregivers play on the journey to authentic manhood.

Famous at Home Dr. Josh Straub, Christi Straub, 2022-05-03 No one wakes up and decides, "I'm planning to ruin my marriage, neglect my kids, and cause mistrust in my family." Yet our personal pursuits and busyness can lead us there. In this book, marriage and leadership coaches Dr. Josh and Christi Straub show how seven core decisions can help us put what's most important center stage in our lives. *Famous at Home* is Josh and Christi's realistic, grace-filled look at the struggles families face in a culture that competes for their time, attention, and identity. Whether you've found yourself putting more effort into becoming famous on stages outside the home, or your stage is the home, *Famous at Home* offers guidance and inspiration to help you give your family the best version of you instead of your leftovers. *Famous at Home* will help you and your spouse Be on the same team—fighting for each other and not against each other Stay emotionally connected even if work, distance, or busyness are in the way Deeply invest in the emotional lives of your children You really can be famous at home, showing up in intentional and meaningful ways for your biggest fans. All it takes is realizing that the greatest red carpet you'll ever walk is through your front door.

Landmarks Bill Delvaux, 2013-03 A fresh new voice in contemplative Christian writing sets out nine spiritual markers--letting go of idols, overcoming scars, grasping identity, and more--that people must encounter if to truly come alive.

Raising Emotionally Strong Boys David Thomas, 2022-06-14 About those meltdowns, blowups, and one-word answers . . . Some say that's just how boys are--prone to outbursts or sullenness. But what's behind these and other issues? Drawing from twenty-five years of counseling boys and working with parents, David Thomas sheds light on common emotional struggles, including anger, anxiety, and depression, and shares practical ways you can help your son be ● Resourceful--equipped to work through his emotions in constructive ways ● Aware--so that he better understands himself, including his strengths and weaknesses ● Resilient--having the capacity to cope and feel competent ● Empathetic--able to understand the feelings and experiences of others Helpful also for grandparents, teachers, and anyone else who has a boy in their life, this book shows how a strong emotional foundation leads to a Christ-like sense of masculinity that will serve him well his whole life. Also available: *Strong and Smart*, a companion workbook to help boys understand themselves better and learn how to work through overwhelming emotions--all from a biblical perspective.

Modern Parents, Vintage Values, Revised and Updated Sissy Goff, Melissa Trevathan, 2020-06-09 Why is anxiety so rampant among kids today? What's the magic age for giving my child his first cell phone? Her first social media account? How do I teach my teenager things like gratitude and respect in such an entitled and disrespectful world? Melissa Trevathan and Sissy Goff hear these types of questions on a daily basis in their counseling offices and at parenting events across the country. Today, more than ever before, we live in a culture that is at war against our parenting. And today, more than ever before, we're meeting parents who feel lost as to how to help. This book does just that. It addresses the issues we hear parents struggling with the most when it comes to raising their children (technology, disrespect, entitlement, substance abuse, anxiety, depression, etc.), but it doesn't stop there. Melissa and Sissy move through those modern-day troubles to get back to the vintage values we all deeply value in the lives of kids. They help you discover—whether your child is a toddler or a teenager—what it looks like to cultivate kindness, gratitude, integrity, responsibility and more in the lives of the kids you love. *Modern Parents, Vintage Values* offers you a roadmap—a way through the hurdles you are facing today in your parenting—helping you discover more of how to instill those true, foundational, vintage values that will make a lasting difference in the lives of your kids...values that are built upon an unshakeable foundation of faith and hope. And that's ultimately where this map will lead—to Christ—and to what it looks like for both you and your kids to have hope in Him in these changing times.

Raising Resilient Sons Colleen Kessler, 2020-12-08 You're a caring mother of boys, part of the boy mom phenomenon—now learn how to raise your son to be compassionate, empathetic, and emotionally intelligent with this parenting guide made just for you. Raising a boy, also known as being a “boy mom,” is tough in today's culture. We want our sons to grow into strong men who will stand up for what's right and take care of those they love, but we also want them to share their thoughts, show their feelings, and express emotions in appropriate ways. At its core, we need to teach our boys

empathy. That's where emotional intelligence comes in. Boys need to understand what they're feeling in any given situation and be able to regulate themselves accordingly. In this first-ever book combining emotional intelligence with parenting specific to boys, boy moms will learn how to help their sons: - identify and name their emotions - develop empathetic listening skills - nurture positive and lasting relationships with others - tackle life with a growth mindset - use strategies like mindfulness to regulate their emotions With *Raising Resilient Sons*, parents will be equipped with the tools they need to build up their sons into the men they know they can be—men who look for the good, spread kindness, react with empathy, and lead with strength and resilience.

Power, Agency, and Women in the Mission of God Susan L. Maros, Vince L. Bantu, Kirsteen Kim, 2024-05-10 This volume fulfills the need for an accessible academic book that addresses the gender issues that women face as Christian disciples, whether in formal leadership roles or engaging leadership in informal means, and considers these issues in the context of world Christianity. In an era in which mission is “from everywhere, to everywhere,” when local churches strive to be missional, and when Christians are engaged in intercultural ministry, this book invites a scholar-practitioner conversation, engaging multiple disciplines and perspectives to explore the role of women in the mission of God. An interdisciplinary and intercultural conversation about women will enrich the church's ongoing effort to be faithful to God's call to women (and men) to participate in God's work in the world.

The Masculinity Conspiracy Joseph Gelfer, 2011-08-14 What if the biggest conspiracy in human history had gone completely unnoticed? What if that conspiracy was responsible for some of the biggest problems the world faces today? Wouldn't you want to know? Wouldn't you want to do something about it? Well guess what: You can. The *Masculinity Conspiracy* argues that nearly every assumption about masculinity in contemporary society is wrong. The result is nothing short of exposing a worldwide conspiracy that has been preventing humanity from reaching its fullest potential.

The Middle Matters Lisa-Jo Baker,2019-07-23 The best-selling author of *Never Unfriended* opens up about midlife and what it feels like to have outgrown those teenage jeans—but finally grown into the shape of our souls. “I want to give Lisa-Jo’s book a standing ovation.”—Aarti Sequeira, chef and TV personality Do you ever wonder how you woke up one day with all the responsibilities of a grown-up who secretly enjoys buying groceries in bulk, can no longer recognize the tween celebrities on the magazines at checkout, but is still surprised when a Starbucks barista calls you “ma’am”—because your inside self is frozen in time to about twenty years ago? So does Lisa-Jo Baker. In these intimate reflections on midlife, Lisa-Jo invites us to get a good look at our middles and gives us permission to embrace them—beyond what the media, the mirror, or the magazines say. Through gutsy, beautiful storytelling, she admits out loud what most of us are thinking about marriage, parenting, the bathroom scale, and how badly we all want to buy those matching Magnolia Market mugs. Her delicious stories come from not being afraid of who she is, because Lisa-Jo knows that the middle might be the best part of the love story of life, kids, faith, doubt, marriage, failure, wonder, and the muffin top—and that these are all good things. She’s not asking you to seize the day, just to make sure you actually see it for all its wildly ordinary glory. Welcome to the middle! Praise for *The Middle Matters* “What a thought-provoking collection of reflections and wisdom! Through personal stories about love, loss, and life in the middle, Lisa-Jo invites us to take a long look inside our own mind’s secret nooks and crannies, which aren’t nearly as dark, scary, or ordinary as we might think.”—Layla Palmer, *The Lettered Cottage* blog “With

captivating wit, hard-won wisdom, and breathtaking honesty, Lisa-Jo has written a love letter to the delicious middle.”—Mandy Arioto, president and CEO of MOPS International and author of *Have More Fun* “With Lisa-Jo’s guts as our unfettered guide, may we finally learn the sumptuous truth of our years: that a grilled cheese sandwich without the middle is just toast.”—Erin Loechner, founder of OtherGoose and author of *Chasing Slow* “Thank you, Lisa-Jo, for reminding women everywhere how important it is to find meaning in the midst of the confusing middle.”—Joy Prouty, artist and educator

Parenting with Heart Stephen James, Chip Dodd, 2018-10-16 Parents want to be the best person they can for their children, but much of the time they may feel like giraffes on ice--clumsy, unprepared, and in imminent danger of going down. The good news is, our children don't need perfect parents. They need authentic, fully-hearted, relationally engaged parents who can mess up and move on more than parents who always get it right. In this freeing book, respected therapists and bestselling authors Stephen James and Chip Dodd invite parents to let go of perfectionism and micromanaging as they learn to parent from a place of emotional honesty and intimacy. Through their clinical experience and relatable true stories, they show parents that raising children to become capable, loving, and wise-hearted adults is far more about accepting our flaws than projecting an impossible standard to our children that we already know we can't live up to. Parents will learn how to resolve issues from their own childhoods, tune into their feelings and the emotions of their children, and be present with their families through both the best and worst of circumstances.

God Has Smiled on Me Daniel Whyte, III, 2009-07 Daniel Whyte III's father, Rev. Daniel White, Jr., was not a perfect man but he loved his family dearly. And even though there were many problems in the family, Rev. White did what so many black fathers today do not do--he stayed with his family through thick and thin. This book is a tribute to him--a father who stayed. If we are honest with ourselves, we'll admit that what too many fathers also are, is missing--missing from too many lives and too many homes. They have abandoned their responsibilities, acting like boys instead of men. And the foundations of our families are weaker because of it. --President Barack Obama The Chapters Below will Inspire You to be the Best Father that You Can Be: The Importance of Fathers Staying What Great Men Have Said About Their Fathers Great Black Fathers Besides My Own Father A Tribute to My Father's Legacy ...and much more
