ARTES ESCÉNICAS, EDUCACIÓN Y PEDAGOGÍA PARA PENSAR Javier Alfonso Delgadillo, Egnan Yesid

Álvarez, Miguel Ángel Rodríguez, Rosangela Martins, Hanz Plata, Pedro Morales López, Lisbet Cecilia Cepeda, Henry Wilson León, Claudia Patricia Gallo, 2024-05-17 Persuadidos de que la escuela consigue ser un territorio apto para procurar oportunidades para la expansión de la autoestima, la creatividad, el pensamiento crítico, las emociones o los valores sociales a través de las artes, experimentados maestros colombianos aquí deliberan y se pronuncian en torno al papel que ejerce la educación artística en la cultura contemporánea y en el currículum escolar, tanto desde una configuración universal, que nos lleva a indagar por la construcción cultural, como desde las esferas artísticas que pueden tener cabida en la escuela, como son la, la música, la expresión corporal, el teatro, la danza o las producciones audiovisuales. Es así, que el propósito de este compendio es ofrecer a educadores, a artistas y a todos aquellos profesionales que intermedian en procesos formativos educativos y didácticos, apreciables insinuaciones para considerar la propia experiencia desde distintos enfoques teóricos que atienden a heterogéneos puntos de vista en la sistematización de procesos de enseñanza y aprendizaje fecundos y demostrativos.

Guía (inútil) para madres primerizas 3 Ingrid Beck, Paula Rodríguez, 2014-11-01 Anti-manual de autoayuda focalizado en la escolarización de los niños para reírse de las versiones edulcoradas de la maternidad. Los chicos siguen creciendo. Pasaron cinco años desde la última Guía(inútil) para madres primerizas . A lo largo de este período, las autoras estuvieron sometidas al vejamen diario de preparar una o dos viandas, a relacionarse con gente con la que jamás se habrían relacionado, a tratar con maestras, profesores y directivos, a preparar cartulinas sobre las constelaciones, a conseguir campanitas, a responder si Rosas fue bueno o malo, y a actuar de princesitas, lavanderas, sirenas y otros monstruos. Este libro, como los dos anteriores, está plagado de datos inútiles y de experiencias personales, pero también de información chequeada y conversada con especialistas. Con una alta dosis de humor ácido, Ingrid Beck y Paula Rodríguez nos pasean por la trepidante aventura de elegir escuela. Intentan, sin éxito, dar respuestas a un abanico de preocupaciones que va desde los tips para lidiar con las mamis del grado hasta el bullying y las malas notas. Este anti-manual de autoayuda no ofrece soluciones mágicas pero nos ayuda a no sentirnos tan solas en la batalla escolar y a reírnos a carcajadas de ese deporte

extremo que es la maternidad.
