**Kingdom Journey** Sean P. Finnegan,2023-12-21 News flash: The Bible doesn't teach that people go to heaven or hell when they die. Rather, it teaches that God's kingdom will come to this earth in judgment and restoration, making everything wrong with the world right. The doorway into the age to come is not death but the return of Christ when his followers experience resurrection rather than disembodiment. This simple idea is not only the key to understanding the biblical vision of the future, but it also formed the core of Jesus's gospel message, and it provides the motivation to live out your faith today. The goal of this book is nothing short of igniting a revolution in the church's understanding of the kingdom of God. Kingdom Journey marries a biblical exploration to a historical investigation to explain not only what the kingdom of God is, but also how Christianity lost this precious pearl of great price. Thankfully, several movements over the past five centuries have initiated recoveries of the kingdom idea, but many Christians remain in the dark, beset with medieval folk theology. This book will open your eyes to seek first the kingdom of God and his righteousness with clarity and vigor.

**The Complete Idiot's Guide to the Last Days** Richard H. Perry,2006 For many, the idea of the Last Days brings to mind concerns and fears about the End of the World, The Antichrist, The Mark of the Beast, World War, and Armageddon. For centuries, man has been occupied with the idea that someday the world will come to an end. These fears and concerns have been fuelled by natural disasters, famines, world wars, and the writings of people such as Nostradamus, Jeane Dixon, and Tim LaHaye. When we think about the Last Days, we have more questions than answers. Is the world really going to end? Should we be concerned about the future? Where are we today in relation to the Last Days? Author Richard H. Perry urges readers to 'consider the source' when caught up in these questions that don't seem to have answers. In *The Complete Idiot's Guide to the Last Days*, Perry takes readers to the source of all discussion on the subject: the Bible itself.
