Changing Canvas: Explorations in Contemporary Indian Writing in English Dr. Priyanka Singl,Dr Satish Grover,2025-03-25 The landscape of Indian Writing in English has undergone a remarkable transformation in recent decades. From its early roots in colonial discourse and nationalist narratives, it has evolved into a vibrant, diverse, and dynamic field that engages with a broad spectrum of themes, voices, and genres. The present volume, *Changing Canvas: Explorations in Contemporary Indian Writing in English*, brings together a collection of critical essays that examine the emerging directions, thematic innovations, and evolving aesthetics in contemporary Indian English literature. This edited book aims to provide a comprehensive overview of the latest developments in the field, reflecting the socio-political, cultural, and literary changes

that shape contemporary Indian consciousness. With the rise of globalization, digital media, diasporic engagements, and shifting gender perspectives, Indian writers in English have expanded the boundaries of storytelling, experimenting with form, voice, and subject matter. Issues such as identity politics, environmental concerns, subaltern voices, postmodern narratives, feminist reinterpretations, queer expressions, and urban alienation now find nuanced and powerful representations in literature. The essays included in this volume critically explore works by both established and emerging writers, examining how literature continues to respond to and reflect the complexities of modern India. Each contributor brings a unique perspective, offering insightful readings and critical frameworks that engage with current literary debates and scholarly discourses. It is our hope that this volume will serve as a valuable resource for students, scholars, and enthusiasts of Indian Writing in English, and will inspire further inquiry into the rich and ever-evolving tradition of Indian literature written in the English language. We are grateful to all the contributors whose scholarship and dedication have made this book possible. We also thank the readers for their interest and engagement with this important and evolving field of study.

VOICES OF INDIAN FEMININITY: An Anthology of Critical Essays Dr. Priyanka Singla, 2023-11-06 The anthology that lies ahead takes you on a journey through the rich tapestry of Indo-Anglian literature, specifically highlighting the portrayal of women by female authors of the genre. This book is an attempt to critically explore and appreciate the literary contributions of these authors, who have effortlessly voiced the myriad experiences of Indian women, their struggles, resilience, and liberation, through their profound narratives. This collection seeks to unravel the layers of womanhood intricately woven by these authors, bridging the gap between tradition and modernity, domesticity and rebellion, and despair and hope. Our exploration navigates the diverse dimensions of female existence within the societal constructs that have long defined them. The literary sojourn transcends the remarkable works of eminent authors like Toru Dutt, Kamala Das, Pratibha Roy, Chitra Banerjee Divakurni, and others. Their narratives engage the reader in a vivid exploration of female identities constructed meticulously to challenge age-old norms and societal expectations, thereby enabling women to rightfully claim their space. The underlying objective of this anthology is not merely to delve into a literary dissection of the portrayal of women; rather, it seeks to emphasize the role of literature as a potent tool to redefine the perception of women in the Indo-Anglian literary landscape. The essays in this anthology offer an enriching and multi-dimensional analysis of the evolving identities of women, their continuous struggles, and their indomitable spirit of resilience against societal challenges. As you embark on this enlightening journey, you will encounter multi-dimensional female characters symbolizing the exceptional spirit and strength of Indian women. This anthology thus pays a heartfelt tribute to the enduring legacy of Indo-Anglian literary women and aims at acknowledging and celebrating their significant imprints in literary history. DR. PRIYANKA SINGLA, ASSOC. PROF., GCW, HISAR.

Spaces of Religion in Urban South Asia István Keul, 2021-02-25 This book explores religion in various spatial constellations in South Asian cities, including religious centres such as Varanasi, Madurai and Nanded, and cities not readily associated with religion, such as Mumbai and Delhi. Contributors from different disciplines discuss a large variety of urban spaces: physical and imagined, institutional and residential, built and landscaped, virtual and mediated, historical and contemporary. In doing so, the book addresses a wide range of issues concerning the role of religion in the dynamic interplay of factors which characterise complex urban social spaces. Chapters incorporate varying degrees and forms of the religious/spiritual, ranging from invisible and incorporeal to material and explicit, embedded in and expressed as spatial politics, works of fiction, mission, pilgrimage, festivals and everyday life. Topics examined include conflictual situations involving places of worship in Delhi, inclusive religious practices in Kanpur, American Protestant mission in Madurai, the celebration of the Prophet's birthday in Lahore, gardens as imaginative spaces, the politics of religion in Varanasi and many others. Illustrating and analysing ways and forms in which religion persists in South Asian urban contexts, this book will be of interest to researchers and students in the fields of cultural studies, the study of religions, urban studies and South Asian

studies.
