

Die Kunst Des Verfhrens

Karin Nielsen-Saines

Die Kunst Des Übersetzens Paul Cauer,1914

Die Kunst des Möglichen – Management mit Kunst Sigrid Bekmeier-Feuerhahn,Steffen Höhne,Rolf Keller,Birgit Mandel,Martin Tröndle,Karen van den Berg,Tasos Zembylas,2014-06-15 Das Verhältnis zwischen Kulturmanagement und Kunst hat sich seit seinen Anfängen in den 1990er-Jahren fundamental verändert: Vom Verständnis eines Kulturmanagements als bloße »Ermöglichung« der Kunst – darum bemüht, nicht die Autonomie von Kunst und Kunstschaffenden zu tangieren – erfolgte ein Rollenwandel hin zur aktiven Mitgestaltung in Prozessen künstlerischer Kreativität. Die Beiträge des Jahrbuchs für Kulturmanagement 2013 befassen sich aus historischer, systematischer und empirischer Perspektive mit dem Verhältnis von Kunst und Management und entwickeln Konzepte für eine Neubestimmung im Verhältnis von Kulturproduktion und Management. Untersucht werden dabei die Paradigmen bzw. Leitideen, die das jeweilige Rollenverständnis der involvierten Akteure definieren und diese im Kontext aktueller gesellschaftlicher und politischer Entwicklungen verorten.

Concept and Judgment in Brentano's Logic Lectures Robin D. Rollinger,2020-11-16 Concept and Judgment in Brentano's Logic Lectures is concerned with a crucial aspect of Brentano's philosophy as it was developed in his logic lectures from c. 1870 to c. 1885. The first part of the volume is an analysis of his theory of concept and judgment. The second part consists of materials, including a German edition and English translation of notes that a student took from a lecture course that Brentano gave. A short book by this student on Brentano is also translated in the materials. The access to Brentano's philosophy is enhanced by this volume not only with regard to his logic as a theory of deductive inference, but also to his descriptive psychology, metaphysics, and philosophy of language.
