Sa première cuite Guylaine Benech,2024-07-06 En France, nous produisons de bons vins, mais lorsqu'il s'agit de faire de la prévention, nous ne sommes pas des champions. Résultat : nos ados prennent leur première cuite en moyenne à 15 ans, ce qui est bien trop tôt. À cet âge, leur cerveau est en pleine maturation, et l'alcool est particulièrement nocif. Ce livre invite les parents, les grands-parents et tous les adultes ayant la responsabilité d'éduquer un enfant ou un adolescent, à adopter une nouvelle posture éducative, plus soucieuse de prévention. Dans un langage accessible et souvent drôle, Guylaine Benech expose les méthodes les plus efficaces pour accompagner nos jeunes et leur parler sans tabou d'alcool. Elle présente les données issues de la recherche scientifique internationale, pour nous aider à préparer au mieux nos enfants à leur future vie d'adulte. À PROPOS DE L'AUTRICE Titulaire d'un DEA en sociologie et d'un master en conseil et gestion publique, Guylaine Benech est consultante formatrice. Elle a vécu au Québec, où elle s'est initiée aux approches nord-américaines en santé publique. Aujourd'hui, elle vit et travaille en Bretagne. Spécialiste reconnue au niveau national, elle forme et accompagne les professionnels à la mise en oeuvre de programmes de prévention. Elle intervient auprès d'étudiants, anime des ateliers en entreprise et donne des conférences participatives auprès du grand public. Impliquée dans des associations de soutien à la parentalité, elle est maman de trois enfants. Sa première cuite est son troisième livre.

Les Superpouvoirs de la respiration Thomas Similowski,Guillaume Gallienne,Guillaume Jacquemont,2024-08-28 Que dit votre souffle de votre état de santé ou de vos émotions ? Pourquoi respirer par le nez favorise-t-il la relaxation ? L'aromathérapie, ça marche ? Et comment faire porter sa voix ? Peut-on développer sa force respiratoire comme son endurance sportive ? Dans ce livre accessible à tous, Thomas Similowski et Guillaume Jacquemont offrent un tour d'horizon des pouvoirs exceptionnels de la respiration sur notre bien-être physique et psychologique. S'appuyant sur de nombreux travaux récents en biologie, pneumologie, neurologie, sciences cognitives et psychophysiologie, ils détaillent notamment l'influence clé de l'appareil respiratoire sur notre cerveau, dont l'activité est modulée en profondeur par le souffle. Grâce à de multiples exercices, il est ainsi possible de faire de notre souffle un puissant atout. En praticien, le Pr Similowski n'oublie pas

les 10 millions de Français qui souffrent de maladies respiratoires chroniques et donne des pistes pour les soulager. Thomas Similowski est professeur de pneumologie à Sorbonne Université. Coordonnateur médical du département « Respiration, réanimation, réadaptation respiratoire, sommeil » à l'hôpital de la Pitié-Salpêtrière à Paris. Il est aussi directeur d'une unité de recherche en neurophysiologie respiratoire Inserm Sorbonne Université. Guillaume Jacquemont est journaliste scientifique au mensuel Cerveau&Psycho. Centralien, il est l'auteur de La Science des rêves (Flammarion, 2020).

Les adoados : mieux vivre l'adolescence de l'enfant adopté Johanne Lemieux, 2023-01-27T00:00:00-05:00 Parent par adoption d'un adolescent, vous avez le souhait de parfaire vos connaissances afin de mieux accompagner votre enfant vers sa vie d'adulte ? Ce troisième tome de la collection Adopteparentalité se penche notamment sur les questions de la maturité affective, du développement du cerveau, du sentiment d'appartenance, du lien d'attachement, des traumatismes du passé et des perspectives d'avenir. Ce faisant, il vous accompagne avec bienveillance pour vous aider à comprendre et départager les enjeux spécifiques d'un jeune « modèle de base » de ceux qui se retrouvent dans la normalité adoptive.

En finir avec l'hypothyroïdie - Ce que votre médecin ne vous dit pas et que vous devriez savoir Benoît Claeys, Thierry Hertoghe, 2015-07-03 Fatigué d'être fatigué ? Ce livre s'adresse à tous les hypothyroïdiens qui passent de médecin en médecin sans trouver de solutions à leur mal-être : fatigue chronique, prise de poids, frilosité, déprime, troubles de la mémoire, perte de cheveux... Il dénonce un déni : la grande majorité des insuffisances thyroïdiennes ne sont pas diagnostiquées et quand elles le sont, elles sont mal prises en charge. Le Dr Claeys explique en détail pourquoi la thyroïde peut être à l'origine de vos symptômes, même quand les analyses sont « normales », comment faire le bon diagnostic et surtout comment traiter efficacement. Vous saurez : - Si vos symptômes viennent d'un dysfonctionnement de la thyroïde (test exclusif) - Les bonnes analyses à demander - Pourquoi il ne suffit pas simplement d'être « dans les normes » - Pourquoi le

dosage de la TSH n'est pas fiable - Quels sont les traitements adaptés au cas par cas - Ce qu'est une hypothyroïdie à R-T3 et comment la traiter - Les vitamines et oligo-éléments indispensables en cas d'hypothyroïdie - Comment réduire les toxiques qui interfèrent avec la thyroïde Illustré de nombreux cas cliniques, écrit avec humanité, ce livre peut mettre fin au calvaire de millions de personnes. Le Dr Benoît Claeys soigne depuis plus de 10 ans dans son cabinet de Waterloo (Belgique) des personnes souffrant d'hypothyroïdie. Ce livre rassemble toute son expérience.

Cerveau Et Psycho Gratuit Introduction

In the digital age, access to information has become easier than ever before. The ability to download Cerveau Et Psycho Gratuit has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Cerveau Et Psycho Gratuit has opened up a world of possibilities. Downloading Cerveau Et Psycho Gratuit provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Cerveau Et Psycho Gratuit has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Cerveau Et Psycho Gratuit. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work

to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Cerveau Et Psycho Gratuit. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Cerveau Et Psycho Gratuit, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Cerveau Et Psycho Gratuit has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Cerveau Et Psycho Gratuit Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Cerveau Et Psycho Gratuit is one of the best book in our library for free trial. We provide copy of Cerveau Et Psycho Gratuit in digital format, so the resources that you find are reliable.
