

The Girl Who Waited

RJ Alexander

The Girl Who Waited Too Long Md Tazeem Ansari, 2025-07-24 She waited for years... not because she was weak, but because love had promised to return. "The Girl Who Waited Too Long" is a heartbreaking, soul-stirring journey of Meera—a girl who loved once and never truly stopped. As life moved on, she stood still, holding on to a promise made under the rain. But when truth finally arrives, it's wrapped in silence, secrets, and the kind of pain that only real love can carry. A story of longing, letters, and letting go—this book is for anyone who ever waited for something they couldn't forget.

The Woman Who Waited Andreï Makine, 2011-11-07 A moving, utterly captivating love story: Romeo and Juliet as if told by Chekhov or Dostoevsky. In a remote Russian village a woman waits, as she has waited for almost three decades, for the man she loves to return. Near the end of World War II, nineteen-year-old Boris Koptek left the village to join the Russian army, swearing to the sixteen-year-old love of his life, Vera, that as soon as he returned they would marry. Young Boris, who with his engineering battalion fought his way almost to Berlin, was reported killed in action crossing the Spree River. But Vera refuses to believe he is dead, and each day, all these years later, faithfully awaits his return. Then one day the narrator arrives in the village, a twenty-six-year-old native of Leningrad, who is fascinated both by the still-beautiful woman and her exemplary story, and little by little he falls madly in love with her. But how can he compete with a ghost that will not die? Beautifully, delicately, but always powerfully, Andreï Makine delineates in masterly prose the movements and madness that constitute the dance of pure love. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The Collected Works of P. G. Wodehouse P. G. Wodehouse, 2023-11-19 The Collected Works of P. G. Wodehouse is a delightful collection of humorous novels and short stories filled with wit, charm, and linguistic brilliance. His writing style is known for its clever wordplay, elaborate plot twists, and sharp comedic timing. Set in the early 20th century, Wodehouse's works provide a satirical look at British society, focusing on eccentric characters, social conventions, and the absurdities of

everyday life. Readers will be captivated by his intricately crafted narratives and comedic dialogue. P. G. Wodehouse's literary legacy continues to be celebrated for his timeless humor and unique storytelling prowess. With this collection, readers can immerse themselves in the whimsical world created by one of the greatest comic writers of the 20th century. Whether you are a longtime fan or a new reader, The Collected Works of P. G. Wodehouse is a must-read for anyone looking to experience the joy of classic comedic literature.

Not George Washington □ *An Autobiographical Novel* P.G. Wodehouse, 2021-01-01 'Not George Washington' is an autobiographical novel by P.G. Wodehouse, presented in two parts of narratives.

The End of the Story Liliana Heker, 2012-05-22 Liliana Heker is one of the most remarkable voices of the Argentinean generation after Borges ... her fiction chronicles the small tragedies that take place within the vast tragedy of our history. A universal and indispensable writer. - Alberto Manguel When Diana Glass witnesses Leonora's abduction from a street in Buenos Aires, she despairs that her friend has joined the ranks of los desaparecidos, the missing ones. She begins to write the story of their friendship, but certain memories, details, and whispered allegations about Leonora's fate consistently intrude. Leonora was born to drink life down to the bottom of the glass. But, Diana wonders, is that necessarily a virtue? Gripping, intelligent, and intricately structured, Liliana Heker's novel of an unstable revolutionary pasionaria has inflamed readers across Latin America. *The End of the Story* is a shocking study of the psychology of torture, and a tragic portrait of Argentina's Dirty War.

You Throw Like a Girl Rachele Alpine, 2017-02-14 Miss Congeniality meets She's the Man in this hilarious MIX novel about a girl torn between competing in a beauty pageant and playing on the boy's baseball team. Gabby's summer vacation isn't shaping up to be that great. Her dad was just deployed overseas, and Gabby is staying at her grandmother's house with her mom and baby sister until he returns. The one bright spot is that Gabby plans to sign up for the local softball league—her greatest love and a passion she shares with her Dad who was a pitcher in college. But when Gabby goes to sign up for the summer league, she discovers that there wasn't enough interest to justify a girl's team this year. And to top it off, a horrible miscommunication ends with Gabby signed up to participate in the Miss Popcorn Festival—the annual pageant that Gabby's mom dominated when she was younger. Besides not having any interest in the pageant life, Gabby made a promise to her dad that she would play softball for the summer. Since her pitching skills rival any boy her age, Gabby creates a master plan: disguise herself as a boy and sign up for the boy's baseball team instead—and try to win the pageant to make Mom happy. Can Gabby juggle perfecting her pageant walk and perfecting her fastball? Or will this plan strike out?

Serpent In the Garden of Dreams (EasyRead Large Bold Edition) ,

The Cambridge University Magazine , 1843

More Doctor Who and Philosophy Courtland Lewis, Paula Smith, 2015-10-15 *More Doctor Who and Philosophy* is a

completely new collection of chapters, additional to *Doctor Who and Philosophy* (2010) by the same editors. Since that first *Doctor Who and Philosophy*, much has happened in the Whoniverse: a new and controversial regeneration of the Doctor, multiple new companions, a few creepy new enemies of both the Doctor and planet Earth. And the show's fiftieth anniversary! We've learned some astounding new things from the ever-developing story: that the Doctor's number one rule is to lie, that he claims to have forgotten his role in the mass extermination of the Time Lords and the Daleks, that the Daleks do have a concept of divine beauty (divine hatred, of course), and that Daleks may become insane (didn't we assume they already were?) Oh, and the cult of the Doctor keeps growing worldwide, with more cultish fans in the US, more and bigger Who conventions, more viewers of all ages, and more serious treatment by scholars from many disciplines. New questions have been raised and new questioners have come along, so there are plenty of new topics for philosophical scrutiny. Is the "impossible" girl really impossible? Is there anything wrong with an inter-species lesbian relationship (the kids weren't quite ready for that in 1963, but no one blinks an eye in 2015)? Can it really be right for the Doctor to lie and to selectively forget? We even have two authors who have figured out how to build a TARDIS—instructions included! (Wait, there's a catch, no . . . ?) And then there's that old question that just won't go away: why does the Doctor always regenerate as a male, and is that ever going to change? An added feature of this awesome new volume is that the editors have reached out to insiders of Who fandom, people who run hugely successful Who conventions, play in Who-inspired bands, and run wildly popular podcasts and websites, to share their privileged insights into why the Doctor is so philosophically deep. No more spoilers. It's time for the truly thoughtful travelers in both time and space to rev up the TARDIS once more. . . . Allons-y, Alonzo!

Who Is the Doctor Graeme Burk, Robert Smith, 2012-04-01 "A joyful celebration of fan love. Unofficial episode guides don't come much more engaging than this" (Benjamin Cook, co-author of *Doctor Who: The Writer's Tale*). Doctor Who was already the world's longest-running science fiction series when it returned in 2005 to huge success. Enormously popular, the BBC show encompasses multiple other genres, from horror to comedy to action and historical adventure, and is loved for its uniquely British wit and clever scripting. Its hero, its monsters, and even its theme song have become pop culture icons. In this volume covering six seasons of the new series, two Doctor Who experts provide insights into everything from the history of the show, including Daleks, Cybermen, and the eight Classic Series Doctors, to a detailed episode guide. As Neil Gaiman complained to the authors, "I have just lost four hours to your blasted book. And I only meant to glance at it." Allons-y!

The Essential Works of P. G. Wodehouse P. G. Wodehouse, 2023-12-27 In *The Essential Works of P. G. Wodehouse*, a masterful anthology, Wodehouse's signature blend of humor, satire, and intricate narrative flourishes emerges vividly, capturing the essence of his literary genius. This collection showcases a diverse array of his works, featuring the beloved characters such as Jeeves and Wooster, and the comic misadventures that ensue in the British upper class. With a style characterized by sparkling wit and an unparalleled command of language, the anthology reflects the societal quirks and

cultural dynamics of early 20th-century England, remaining timeless in its appeal and relevance. Pelham Grenville Wodehouse, known for his profound influence on comic writing, drew from his own privileged upbringing and experiences in Edwardian England to craft his narratives. His consistent exploration of class dynamics, loveable rogues, and the absurdity of life's situations is a testament to his keen observations of human nature. Wodehouse's warm, engaging prose invites readers into a world that is both fantastically humorous and richly detailed, making him one of the foremost comedic writers of his time. This essential compilation is not just an introduction to Wodehouse's oeuvre but a celebration of laughter and literary craftsmanship. It is highly recommended for both longtime fans and new readers seeking to escape into a whimsically crafted universe where humor reigns supreme. Engage with Wodehouse's delightful prose and discover the timeless joy that has captivated readers for generations.

The Greatest Works of P. G. Wodehouse P. G. Wodehouse, 2023-12-02 In *The Greatest Works of P. G. Wodehouse*, readers are invited into a whimsical world of humor, wit, and the intricacies of British society in the early 20th century. This collection showcases Wodehouse's signature style, characterized by sparkling dialogue and intricate plots filled with misunderstandings and charming characters. The literary context of Wodehouse's work shines through as he deftly navigates the themes of class, romance, and the absurdities of life, often set against the backdrop of the British upper class and their antics, especially amusingly illustrated in the lives of Bertie Wooster and Jeeves. P. G. Wodehouse was a prolific English author whose career spanned over seventy years, significantly shaping the landscape of comedic literature. Raised in a middle-class household with strong influences from the British educational system, Wodehouse's early exposure to literature fostered a keen sense for character development and humor. His experiences in journalism and his love for the performing arts, particularly musicals, greatly informed his writing, allowing him to blend sharp commentary with engaging storytelling. For lovers of comedy and keen observers of human nature, *The Greatest Works of P. G. Wodehouse* is an essential addition to any library. It is a delightful exploration of the absurdities inherent in life, making it an ideal recommendation for both seasoned readers of Wodehouse and newcomers alike, ensuring laughter and joy from beginning to end.

The Ultimate P. G. Wodehouse Collection P. G. Wodehouse, 2022-12-10 In *The Ultimate P. G. Wodehouse Collection*, readers are presented with a compendium of some of Wodehouse's most beloved works, showcasing the author's trademark wit and whimsical narrative style. The collection reflects Wodehouse's mastery of comedic prose, characterized by its dexterous use of language, absurd situations, and a charming cast of characters, including the indelible Bertie Wooster and his sagacious valet Jeeves. Set against the backdrop of early 20th-century England, this compilation not only provides a delightful escape into a world of upper-class folly but also serves as a snapshot of the societal norms and idiosyncrasies of the British aristocracy during that era. P. G. Wodehouse, often hailed as one of the greatest comic writers in the English language, crafted narratives that were deeply imbued with his own experiences and observations of the upper crust. Born in

1881 in Guildford, England, Wodehouse was educated at Dulwich College and later pursued a career in journalism and fiction. His first-hand knowledge of the English elite and his penchant for humor shine through in his writing, illuminating the absurdities of life in the upper classes. This collection is a must-read for fans of classic literature and comedy alike, presenting a delightful overview of Wodehouse's genius. Each story is crafted with meticulous care, inviting readers to immerse themselves in a world where misunderstandings abound and laughter is a guaranteed outcome. Whether a new or returning reader, this collection beckons with the promise of joy and entertainment, and showcases why Wodehouse remains a literary icon.

The Oxford Annotated Mishnah Shaye J. D. Cohen, Robert Goldenberg, Hayim Lapin, 2022-06-30 The Mishnah is the foundational document of rabbinic law and, one could say, of rabbinic Judaism itself. It is overwhelmingly technical and focused on matters of practice, custom, and law. The Oxford Annotated Mishnah is the first annotated translation of this work, making the text accessible to all. With explanations of all technical terms and expressions, The Oxford Annotated Mishnah brings together an expert group of translators and annotators to assemble a version of the Mishnah that requires no specialist knowledge.

The Way of an Indian Frederic Remington, 2022-11-13 In 'The Way of an Indian' by Frederic Remington, the reader is immersed in a collection of vivid and detailed sketches that shed light on the life and culture of Native Americans in the late 19th century. Remington's unique blend of artistic skill and keen observation capture the essence of the Plains Indians with unparalleled authenticity. The book offers a glimpse into a rapidly changing world where indigenous communities are facing the pressures of modernization and encroachment. Remington's writing style is both evocative and informative, making this book a valuable resource for anyone interested in Native American history and culture. Frederic Remington, a renowned artist and writer, traveled extensively in the American West, where he developed a deep fascination with the Native American tribes he encountered. His firsthand experiences and interactions with indigenous peoples inspired him to create 'The Way of an Indian' as a form of cultural preservation and celebration. This book is highly recommended for readers who seek a deeper understanding of Native American life and traditions. Through Remington's detailed illustrations and insightful commentary, 'The Way of an Indian' provides a valuable window into a disappearing way of life.

Dancing with the Doctor Lorna Jowett, 2017-06-30 Lorna Jowett delves into the distinctive stories and characters, including the Doctors themselves, their female and male companions, Captain Jack Harkness, Missy, Sarah Jane and her young comrades. She considers the showrunners, directors, producers and writers and the problems this flagship science fiction series has had in offering alternative gender models. Constructions of masculinity, the author function, and how gender intersects with the other facets of identity, race, ethnicity and age, are just some of the areas explored in this accessible and wide-ranging re-view of these hotly debated elements of the successful BBC franchise.

Outlines of English and American Literature; An Introduction to the Chief Writers of England and America, to the Books They Wrote, and to the Times in Which They Lived William J. Long, 2023-11-14 Reproduction of the original. The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision.

The Ultimate Wodehouse Collection P.G. Wodehouse, 2020-05-17 P.G. Wodehouse was an English author and one of the most widely read humorists of the 20th century. Wodehouse worked extensively on his books, sometimes having two or more in preparation simultaneously. He would take up to two years to build a plot and write a scenario of about thirty thousand words. After the scenario was complete he would write the story. Early in his career he would produce a novel in about three months, but he slowed in old age to around six months. He used a mixture of Edwardian slang, quotations from and allusions to numerous poets, and several literary techniques to produce a prose style that has been compared to comic poetry and musical comedy.
