The Marriage Portrait: Reese's Book Club Maggie O'Farrell, 2023-07-11 WOMEN'S PRIZE FOR FICTION FINALIST • REESE'S BOOK CLUB PICK • NEW YORK TIMES BEST SELLER • The author of award-winning *Hamnet* brings the world of Renaissance Italy to jewel-bright life in this unforgettable fictional portrait of the captivating young duchess Lucrezia de' Medici as she makes her way in a troubled court. "I could not stop reading this incredible true story." —Reese Witherspoon (Reese's Book Club Pick) O'Farrell pulls out little threads of historical detail to weave this story of a precocious girl sensitive to the contradictions of her station...You may know the history, and you may think you know what's coming, but don't be so sure. —The Washington Post Florence, the 1550s. Lucrezia, third daughter of the grand duke, is comfortable with her

obscure place in the palazzo: free to wonder at its treasures, observe its clandestine workings, and devote herself to her own artistic pursuits. But when her older sister dies on the eve of her wedding to the ruler of Ferrara, Modena and Reggio, Lucrezia is thrust unwittingly into the limelight: the duke is quick to request her hand in marriage, and her father just as quick to accept on her behalf. Having barely left girlhood behind, Lucrezia must now enter an unfamiliar court whose customs are opaque and where her arrival is not universally welcomed. Perhaps most mystifying of all is her new husband himself, Alfonso. Is he the playful sophisticate he appeared to be before their wedding, the aesthete happiest in the company of artists and musicians, or the ruthless politician before whom even his formidable sisters seem to tremble? As Lucrezia sits in constricting finery for a painting intended to preserve her image for centuries to come, one thing becomes worryingly clear. In the court's eyes, she has one duty: to provide the heir who will shore up the future of the Ferranese dynasty. Until then, for all of her rank and nobility, the new duchess's future hangs entirely in the balance. Full of the beauty and emotion with which she illuminated the Shakespearean canvas of Hamnet, Maggie O'Farrell turns her talents to Renaissance Italy in an extraordinary portrait of a resilient young woman's battle for her very survival.

Affinities Jennifer Mason, 2018-01-16 How is it possible to feel an affinity with a place? What is happening when someone feels almost literally transported to another time by a smell or a texture or a song? Why do striking family resemblances sometimes feel uncanny? In each of these cases a potent connection is being made, involving forces, flows, energies and atmospherics that conventional sociological approaches can find hard to grasp, but that are important nonetheless. In this innovative book Jennifer Mason argues that these are affinities – potent charges and charismatically lively connections in personal life, that rise up and matter in some way and that enchant or toxify the everyday. She suggests that exploring affinities opens up new possibilities for conceptualizing the experience of living in the world through what she calls the 'socio-atmospherics of everyday life'. This book invites the reader to embrace possibilities and themes that may seem outside the usual range, and to engage in a more open, attentive, inventive and poetic sociological sensibility.

Within and Without Empire Theo van Heijnsbergen, Carla Sassi, 2014-01-08 The concept of the border evoked by the title of the present volume provides a central interpretative key for our project at more than one level, as it is suggestive both of Scotland as a 'theoretical borderland' in relation to the Empire and postcoloniality, and of our attempt at bringing into dialogue scholars from different disciplinary backgrounds, including Scottish, Celtic and postcolonial studies. The 'Scotland' of the present volume's title is thus suggestive of a critical standpoint ...
