

# Thomas Mann The Magic Mountain

**Gale, Cengage Learning**

The Magic Mountain Thomas Mann, 2005-06-21 A monumental work of erudition and irony, sexual tension and intellectual ferment, *The Magic Mountain* is an enduring classic • Acclaimed translator John E. Woods has given us the definitive English version of Mann's masterpiece, presented here in a stunning hardcover edition. With this dizzyingly rich novel of ideas, Thomas Mann rose to the front ranks of the great modern novelists, winning the Nobel Prize in Literature in 1929. *The Magic Mountain* takes place in an exclusive tuberculosis sanatorium in the Swiss Alps—a community devoted to sickness that serves as a fictional microcosm for Europe in the days before the First World War. To this hermetic and otherworldly realm comes Hans Castorp, an “ordinary young man” who arrives for a short visit and ends up staying for seven years, during which he succumbs both to the lure of eros and to the intoxication of ideas. Everyman's Library pursues the highest production standards, printing on acid-free cream-colored paper, with full-cloth cases with two-color foil stamping, decorative endpapers, silk ribbon markers, European-style half-round spines, and a full-color illustrated jacket. Contemporary Classics include an introduction, a select bibliography, and a chronology of the author's life and times.

The Magic Mountain Thomas Mann, 2023-12-17 *The Magic Mountain* (German: *Der Zauberberg*) is a novel by Thomas Mann, first published in German in November 1924. It is widely considered to be one of the most influential works of twentieth-century German literature. Mann started writing what was to become *The Magic Mountain* in 1912. It began as a much shorter narrative which revisited in a comic manner aspects of *Death in Venice*, a novella that he was preparing for publication. The newer work reflected his experiences and impressions during a period when his wife, who was suffering from a lung complaint, resided at Dr. Friedrich Jessen's *Waldsanatorium* in Davos, Switzerland for several months. In May and June 1912, Mann visited her and became acquainted with the team of doctors and patients in this cosmopolitan institution. According to Mann, in the afterword that was later included in the English translation of his novel, this stay inspired his opening chapter (Arrival). The outbreak of World War I interrupted his work on the book. The savage conflict and its aftermath led the author to undertake a major re-examination of European bourgeois society. He explored the sources of the destructiveness displayed by much of civilised humanity. He was also drawn to speculate about more general questions related to personal attitudes to life, health, illness, sexuality and mortality. Given this, Mann felt compelled to radically revise and expand the pre-war text before completing it in 1924. *Der Zauberberg* was eventually published in two volumes by S.

Fischer Verlag in Berlin. The narrative opens in the decade before World War I. It introduces the protagonist, Hans Castorp, the only child of a Hamburg merchant family. Following the early death of his parents, Castorp has been brought up by his grandfather and later, by a maternal uncle named James Tienappel. Castorp is in his early 20s, about to take up a shipbuilding career in Hamburg, his home town. Before beginning work, he undertakes a journey to visit his tubercular cousin, Joachim Ziemssen, who is seeking a cure in a sanatorium in Davos, high up in the Swiss Alps. In the opening chapter, Castorp leaves his familiar life and obligations, in what he later learns to call the flatlands, to visit the rarefied mountain air and introspective small world of the sanatorium.

The Magic Mountain Thomas Mann, 2026-01-08

The Magic Mountain Thomas Mann, 1992 With this dizzyingly rich novel of ideas, Thomas Mann rose to the front ranks of the great modern novelists, winning the Nobel Prize in Literature in 1929. The Magic Mountain takes place in an exclusive tuberculosis sanatorium in the Swiss Alps—a community devoted to sickness that serves as a fictional microcosm for Europe in the days before the First World War. To this hermetic and otherworldly realm comes Hans Castorp, an ordinary young man who arrives for a short visit and ends up staying for seven years, during which he succumbs both to the lure of eros and to the intoxication of ideas. Acclaimed translator John E. Woods has given us the definitive English version of Mann's masterpiece. A monumental work of erudition and irony, sexual tension and intellectual ferment, The Magic Mountain is an enduring classic.

**The Magic Mountain, a Study of Thomas Mann's Novel Der Zauberberg** Hermann John Weigand, 1933

The Magic Mountain Thomas Mann, 1996 This is an intellectual drama of the forces which play upon modern man. Its theatre is a sanatorium in the Swiss mountains - a community organized with exclusive reference to ill-health.

**The Magic Mountain** Thomas Mann, 1927

**The Magic Mountain** Hermann J. Weigand, 2020-05-01 Praised highly by Mann himself, Weigand's book (originally published in 1933) is an essential piece of criticism on Mann's monumental novel. In his study of The Magic Mountain Weigand comments on the novel's genre and organization before dissecting the themes of disease and mysticism, Mann's use of irony, and other aspects of this masterpiece of German literature.

**The Magic Mountain** Thomas Mann, 1929

*Thomas Mann's The Magic Mountain* Rodney Symington, 2011-09-22 Thomas Mann's novel The Magic Mountain presents a panorama of European society in the first two decades of the 20th century and depicts the philosophical and metaphysical dilemmas facing people in the modern age. In the years leading up to the First World War, the fundamental elements of human nature were thrown into sharp relief by the political tensions that resulted in the ultimate metaphor for the innate destructiveness of humankind: the War itself. If such a war is the true expression of human tendencies, what hope is there for

the future? Through the figure of the main character of the novel, Thomas Mann explores the alternative philosophies of life available to human beings in the modern age, and invites the reader to undertake a personal odyssey of discovery, with a view to adopting a positive approach in an era that seems to offer no clear-cut answers. This book is a comprehensive commentary on Thomas Mann's seminal novel, one of the key literary artefacts of the 20th century. The author has taken upon himself the task of explaining all the references and allusions contained in the novel, and of providing readers who know little or no German with enough explanatory comment to enable them to understand the novel and extract the maximum reading pleasure from it.

**Thomas Mann's The Magic Mountain** Harold Bloom, 1986 A collection of critical essays on Mann's novel *The Magic Mountain* arranged in chronological order of publication.

**A study guide for Thomas Mann's "The Magic Mountain"** Gale, Cengage Learning, 2015-03-13 A study guide for Thomas Mann's *The Magic Mountain*, excerpted from Gale's acclaimed *Novels for Students* series. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust *Novels for Students* for all of your research needs.

**Thomas Mann's The Magic Mountain** Hans Rudolph Vaget, 2008-04-10 This collection seeks to illustrate the ways in which Thomas Mann's 1924 novel, *The Magic Mountain*, has been newly construed by some of today's most astute readers in the field of Mann studies. The essays, many of which were written expressly for this volume, comment on some of the familiar and inescapable topics of *Magic Mountain* scholarship, including the questions of genre and ideology, the philosophy of time, and the ominous subjects of disease and medical practice. Moreover, this volume offers fresh approaches to the novels underlying notions of masculinity, to its embodiment of the cultural code of anti-Semitism, and to its precarious relationship to the rival media of photography, cinema, and recorded sound.
