Son of the Storm Suyi Davies Okungbowa,2021-05-11 Fantastical beasts and forgotten magic propel a story about ambition and conspiracy. —Fonda Lee Everything I love to see in a fantasy story. Masterful. —Jenn Lyons [A]mbition and intrigue cause surprises on nearly every page. —NPR Books From city streets where secrets are bartered for gold to forests teeming with fabled beasts, a sweeping epic unfolds in this richly drawn fantasy inspired by the pre-colonial empires of West Africa. In this world, there is no destiny but the one you make. In the ancient city of Bassa, Danso is a clever scholar on the cusp of achieving greatness—except he doesn't want it. Instead, he prefers to chase forbidden stories about what lies outside the city walls. The Bassai elite claim there is nothing of interest. The city's immigrants are sworn to secrecy. When Danso stumbles across a warrior wielding magic that shouldn't exist, he's put on a collision course with Bassa's darkest secrets. Drawn into the city's hidden history, he sets out on a journey beyond its borders—and the chaos left in the wake of his discovery could bring down an empire. The Nameless Republic Son of the Storm

RENEGADE WIND Nancy Morse,2021-12-14 In 1883, as the final spike of the Northern Pacific Railroad is driven into the ground, completing the iron road through the heart of Lakota country, Black Moon's nephew Storm carries the war lance into battle against the railroad. But with his abduction of a railroad magnate's niece, the reckless warrior gets more than he

bargained for. High-spirited New York society girl Eliza Prentiss grudgingly accompanied her uncle to the wilds of Montana Territory to commemorate the completion of the railroad, but with the ceremony over, she is eager to return to civilization. When her train is attacked by Indians, she is taken captive by one of the renegades and brought to his hideout. Struggling to come to terms with a painful past and the changing world around him, the only thing that can soothe Storm's vengeful heart is love, but his efforts to court the fiery white woman in the hope of winning her love are dashed by her hatred. As weeks go by and Eliza's attempts to escape are thwarted, she is reluctantly drawn into the Lakota world and into the arms of her captor, who awakens within her feelings she has never known. Can the love that ignites between these two wild hearts survive when her ruthless uncle summons the military to track down her abductor and teach him a powerful lesson and when a lie forces Eliza to make a heartbreaking choice?

Bitter End Grace Hamilton, The truth will be revealed, whether they're ready or not. The firefight for the M-Bar's valuable resources rages on in the post-apocalyptic madness, but the Standings are finally standing together... until secrets that Maxine has tried to keep buried come to light. And when they do, they threaten to sever the last tenuous strands holding the family together. Reeling from betrayals that cut deeper than flying bullets, Josh Standing follows after his revenge-seeking father-in-law. He doesn't seem to have much choice, as it seems the Standings are collapsing from within and there isn't anything that can keep them together. And then they hear of a new horror: People are being rounded up and systematically slaughtered or enslaved by a single man leading a train of carnage. He's ruthless, he's cunning—and now he has Storm Standing, too. To save her family, Maxine will have to come face-to-face with her past and stand down her worst fears if she has any hope of stopping the man threatening her family. Before her final secrets become the death of them all.

Dynasties Edward L. Bowen, 2023-05-01 *Dynasties: Great Thoroughbred Stallions* unveils the remarkable legacies of twenty-four legendary sires, exploring the intricate dance of nature and ambition that shaped the world of Thoroughbred racing in the twentieth century. For centuries, man has attempted to manipulate nature in the form of the Thoroughbred racehorse. Sometimes the endeavor has succeeded beyond all expectations in the creation of a horse whose speed and "heart" recurred over generations. Other times, a great horse has emerged seemingly by happenstance to found an enduring sire line. In *Dynasties*, author Edward L. Bowen examines the exploits and legacies of some of the twentieth century's most influential sires. The twenty-four subject stallions represent a litany of revered names, from Fair Play and Hyperion to Northern Dancer and Mr. Prospector. Some, such as the undefeated Ribot, had greatness preordained. Others achieved it by defying the odds: Challenger II, for example, never won a race after he was imported to the United States, but he soon

produced a Preakness Stakes winner. Princequillo ran in claiming races, then later led the American sire list twice. Rough'n Tumble never left his Florida outpost but his best son, Dr. Fager, set a world record. "A look at the sire lines of the 20th Century—both those which lasted and those that burst brightly and faded instantly—is a paradox: a repeating series of singular tales," Bowen writes. Interwoven with these tales are the stories of the people whose imagination, skill, and luck brought them association with these great stallions, names equally as revered: Hancock, Whitney, Tesio, Vanderbilt, Khan. *Dynasties: Great Thoroughbred Stallions*, written by one of Thoroughbred racing's most respected historians, is an invaluable contribution to the literature of the sport.
