*Reading the Bible with Giants* David Paul Parris, 2015-03-04 Many readers of the Bible believe that interpreting the Scriptures well simply involves a two-way dialogue between themselves and the text. Implied in this view is the idea that we can simply jump over two thousand years of biblical interpretation. However, if we believe that God has been speaking through the Bible to devout believers throughout history it would seem that we should find a way to identify the insights they perceived in the text so that we can learn to read these sacred texts with them. Drawing on resources from Reception Theory, the goal of *Reading the Bible with the Giants* is to enable the contemporary reader to interpret the Bible in dialogue with those who have gone before us.

**What the Bible Does Not Say** Thomas Portman, 2025-03-04 My purpose for writing this book was not for monetary gain but to expose many false or erroneous concepts that are not in the bible.

**Parables and Teachings** Logan Anderson, 2019-05-31 Have you ever wanted to do in-depth studies on the truth in God's Word, but you didn't know where to start? Or are you a new Christian who is looking for a solid foundation into the fundamentals of Christianity and even learn about some of the more controversial and difficult topics? Or maybe you are a non-Christian who is just looking into what Christianity is all about. If you fit into any of those categories, then this book can help you to discover the truth of God's Word and set you up with a solid foundation on what it means to be a Christian. My goal throughout this book is to show the truth that is taught in the Bible, using the Bible itself to back up that truth. This book covers nineteen topics and includes my personal testimony. Some of these topics are: - What Is Truth? - The Gospel - Forgiveness - Creation - The Doctrine of Election

**The Ancient Secret of the Flower of Life, Volume 2** Drunvalo Melchizedek, 2000 The sacred Flower of Life pattern, the primary geometric generator of all physical form, is explored in even more depth in this volume, the second half of the famed Flower of Life workshop. The proportions of the human body, the nuances of human consciousness, the sizes and distances of the stars, planets and moons, even the creations of humankind, are all shown to reflect their origins in this beautiful and divine image. Through an intricate and detailed geometrical mapping, Drunvalo Melchizedek shows how the seemingly simple design of the Flower of Life contains the genesis of our entire third-dimensional existence. From the pyramids and mysteries of Egypt to the new race of Indigo children, Drunvalo presents the sacred geometries of the Reality

and the subtle energies that shape our world. We are led through a divinely inspired labyrinth of science and stories, logic and coincidence, on a path of remembering where we come from and the wonder and magic of who we are. Finally, for the first time in print, Drunvalo shares the instructions for the Mer-Ka-Ba meditation, step-by-step techniques for the re-creation of the energy field of the evolved human, which is the key to ascension and the next dimensional world. If done from love, this ancient process of breathing prana opens up for us a world of tantalizing possibility in this dimension, from protective powers to the healing of oneself, of others and even of the planet. Embrace the expanded vision and understanding that Drunvalo offers to the world. Coincidences abound, miracles flourish and the amazing stories of mysteries unveiled arise as the author probes the Ancient Secrets of the Flower of Life.

Contending for the Truth L. J. Anderson, 2025-02-07 What happens when God's people stop contending for the truth? In a world where confusion is often mistaken for compassion, and doctrinal compromise is praised as unity, Christians must not only believe the truth, they must be equipped to defend it. *Contending for the Truth* explores thirteen highly debated doctrines in Christianity today, applying biblical rigor to each and calling believers to stand firm on Scripture. From apologetics to creationism, church discipline to the doctrine of inerrancy, this book walks readers through contentious topics with clarity and conviction. Each chapter grounds its arguments in Scripture, compares doctrinal views, and invites readers to test everything against the Word of God, not tradition, consensus, or culture. Whether used for personal study, classroom engagement, or group discussion, this book will help readers: Identify theological drift in today's church Compare key doctrines against Scripture itself Engage contentious issues with clarity and confidence Contend for the faith with humility and courage This is not a primer on the basics of the faith. It's a theological sharpening stone for those seeking to grow, think, and live more biblically. Written by L. J. Anderson, author, independent scholar, and founder of Lamad Press, *Contending for the Truth* serves as a companion volume to his earlier work, *Theology and Apologetics*, applying that foundational method to real-world doctrinal challenges. Anderson holds a Master of Divinity, is pursuing a PhD in theological studies, and publishes accessible, academically grounded works for pastors, students, and lay leaders alike. If you're ready to think deeply, study biblically, and live faithfully, this book will challenge and equip you. Contents: Introduction Why God? Charlesworth,2006 The recovery of 800 documents in the eleven caves on the northwest shores of the Dead Sea is one of the most sensational archeological discoveries in the Holy Land to date. **The Paranormal Phenomena** Michael Hur,2016-02-20 As Bible believing Christians a question should be asked. Does the Bible confirm the existence of paranormal realities as they pertain to UFOs, ghosts, ancient outer-space travel, teleportation, time travel, shadow governments, and more? The answer to that question is yes it does. However what are the Bible's teachings regarding these subjects? Are they, the same as what mainstream media, and new age teachers are telling us or could it be that the Bible gives a different, and largely untold explanation to what they are. In this book called The Paranormal Phenomena you will read, and discover various Bible passages from the King James Authorized English Bible itself as it reveals many realities of the supernatural, and the paranormal events of this world.

Giants on My Shoulders, the Untold Story Behind the Greatest Upset in Boxing History Ben Clement,2012-09-01 An extraordinary account of the life of unknown club boxer, Frank Steele, who sparred with legendary boxing greats like Muhammad Ali, George Foreman, Joe Frazier and Ernie Shavers. Impoverished from birth and poorly educated, Frank did the best he could to parlay his boxing prowess and brute strength into fame and fortune. Hired as Foreman's chief sparring partner to help prepare the champ for the Ali Rumble in the Jungle fight in Africa, he was fired after doing his job too well -- beating up Foreman and knocking his headgear into the audience. When Ali heard about the incident, he paid Frank \$3,000 for the secret to defeating the unbeaten and seemingly invincible champion. This is the untold story of what led to the greatest upset in boxing history.
