Calling a Wolf a Wolf Kaveh Akbar, 2017-09-25 The struggle from late youth on, with and without God, agony, narcotics and love is a torment rarely recorded with such sustained eloquence and passion as you will find in this collection. --Fanny Howe This highly-anticipated debut boldly confronts addiction and courses the strenuous path of recovery, beginning in the wilds of the mind. Poems confront craving, control, the constant battle of alcoholism and sobriety, and the questioning of the self and its instincts within the context of this never-ending fight. From Stop Me If You've Heard This One Before Sometimes you just have to leave whatever's real to you, you have to clomp through fields and kick the caps off all the toadstools. Sometimes you have to march all the way to Galilee or the literal foot of God himself before you realize you've already passed the place where you were supposed to die. I can no longer remember the being afraid, only that it came to an end. Kaveh Akbar is the founding editor of Divedapper. His poems appear recently or soon in The New Yorker, Poetry, APR, Tin House, Ploughshares, PBS NewsHour, and elsewhere. The recipient of a 2016 Ruth Lilly and Dorothy Sargent Rosenberg Fellowship from the Poetry Foundation and the Lucille Medwick Memorial Award from the Poetry Society of America, Akbar was born in Tehran, Iran, and currently lives and teaches in Florida.

Vampiric Calling Terry Spear, 2011-03-05 A vampire targets a huntress for his own, and she's torn between wanting him and knowing she should terminate him. But in the dark of night, who will win the battle? Samantha Ramsay's always been different, a huntress born with the gene that makes her kind take up the sword to terminate rogue vampires, yet something isn't right. They've never targeted her before tonight, and now she realizes she can't kill the sexiest vampire she's ever encountered, who claims her for his own. Ralston Vaccarra has waited all the huntress's life to have her and no one, vampires or hunters alike, will have the woman he claimed for his own the day she was born, only will a huntress be able to accept him and his kind for what they are?

Speaking of Animals Robert Palmatier, 1995-04-30 No other nonhuman source has served as the basis for more metaphors than animals. Speaking of Animals is a dictionary of animal metaphors that are current in American English. It is comprehensive, historical, and metaphor-based. Each entry refers to the other dictionaries that catalog that same metaphor, and the dates of first appearance in writing are supplied, where possible, for both the metaphor and the name of the source. The main text is organized alphabetically by metaphor rather than by animal or animal behavior; all the metaphors are

classified according to their animal source in a list at the end of the book. An animal metaphor is a word, phrase, or sentence that expresses a resemblance or similarity between someone or something and a particular animal or animal class. True metaphors are single words, such as the noun tiger, the verb hog, and the adjective chicken. Phrasal metaphors combine true metaphors with other words, such as blind tiger, hog the road, and chicken colonel. Other animal metaphors take the form of similes, such as like rats leaving a sinking ship and prickly as a hedgehog. Still others take the form of proverbs, such as Don't count your chickens before they hatch and Let sleeping dogs lie. The horse is the animal most frequently referred to in metaphors, followed closely by the dog. The Bible is the most prolific literary source of animal metaphors, followed closely by Shakespeare.

Pilgrim Bell Kaveh Akbar, 2021-08-03 Kaveh Akbar's exquisite, highly anticipated follow-up to *Calling a Wolf a Wolf* With formal virtuosity and ruthless precision, Kaveh Akbar's second collection takes its readers on a spiritual journey of disavowal, fiercely attendant to the presence of divinity where artifacts of self and belonging have been shed. How does one recover from addiction without destroying the self-as-addict? And if living justly in a nation that would see them erased is, too, a kind of self-destruction, what does one do with the body's question, "what now shall I repair?" Here, Akbar responds with prayer as an act of devotion to dissonance—the infinite void of a loved one's absence, the indulgence of austerity, making a life as a Muslim in an Islamophobic nation—teasing the sacred out of silence and stillness. Richly crafted and generous, *Pilgrim Bell's* linguistic rigor is tuned to the register of this moment and any moment. As the swinging soul crashes into its limits, against the atrocities of the American empire, and through a profoundly human capacity for cruelty and grace, these brilliant poems dare to exist in the empty space where song lives—resonant, revelatory, and holy.

Call of the Cougar Terry Spear, 2014-11-19 Special Agent for the U.S. Department of Fish and Wildlife Services, Tracey Whittington, takes down wildlife traffickers and more, but what she doesn't expect is to be in a shootout, multiple times, when the business turns deadly. Nor does she suspect she'll be working with Hal Haverton, who serves as a part-time deputy for Yuma Town, Colorado, and runs his own horse ranch. As long as he doesn't stop her investigative work—she has been placed on administrative leave due to the last shootout—she'll be just fine. Hal Haverton has every intention of keeping the wild cat safe, even if it means helping her to solve the case when every time he turns around, she's involved in another shootout. When her boss asks their good friend, the sheriff, to have one of his deputies serve as a bodyguard for the cougar shifter, Hal's all for it. So is the other deputy, but Hal's got this covered. Even if getting somewhere with the lady means having his gun ready at all times. There are definite perks to getting to know the Special Agent better—if they live long enough to do something about it.

The Spirit Hunters Shirley G. East, 2019-08-14 A great drought has swept across western North America. The bison are

dying, and with them The People. The Chosen One was murdered long ago and The Sacred Relics of the Ancestors stolen. Running Bison is desperate. He and Prairie Grass have traveled far to the west, following a 'gut instinct' in search of Clover Blossom. He hopes that the old woman has the Sacred Relics... but he arrives too late. Clover Blossom is dead and her granddaughter, Sage has fled. Running Bison sees all hope for The People vanishing along with her. Sage has indeed fled; her grandmothers dying words frightening her into taking a large vicious dog and only what she can load on a single travois, along with the strange packet she knows contains 'spirit power'. She has been instructed to protect it with her life, and return it to The People. Set against the Panorama of the Rocky Mountains and Great Plains of North America during late Paleo-Indian's Agate Basin Period, 9,500 years ago, The Spirit Hunters attempts to portray the way of life, the pain, agony, and joy of these early Americans. Get swept along in the life and death struggle of The People as they seek to survive the drought, the wrath of the 'spirits', and the deadly attacks of Raiders and Savages. Their only hope is the powerful leader Running Bison and an even more powerful woman, 'The Chosen'.

Foxcatcher William H. Hallahan, 2019-10-22 Former CIA agent Charlie Brewer finds himself the bait in a trap set by the United States and Iran. "Best thriller I've read in years" (The Washington Post). Meet Robert McCall, a man sinking deep into the seamy underside of intelligence work, into activities he knows are both illegal and immoral. Now McCall sees a chance to redeem himself by thwarting a daring plot to smuggle America's most lethal high-tech war material to Iran. It's a chance he's ready to kill for. The likely victim: Charlie Brewer, a brilliant, embittered former intelligence operative who is desperate for answers. He was framed for an illegal arms deal and doesn't know why; he's been released from prison and doesn't know why; he thinks he's been marked for murder and doesn't know why. When Brewer is approached by Iran's most ruthless secret agent, he realizes treason may be the price of survival. "Up there with The Day of the Jackal for consistently sustained excitement." —Gregory McDonald "The pace is smoothly breakneck, the plot wonderfully intricate and clear, the characters richly diverse. The pleasure of this satisfying thriller is increased by its effective humor and some delicious twists at the end." —Publishers Weekly

Leadership Is Language L. David Marquet, 2020-02-04 Wall Street Journal Bestseller From the acclaimed author of Turn the Ship Around!, former US Navy Captain David Marquet, comes a radical new playbook for empowering your team to make better decisions and take greater ownership. As a leader in today's networked, information-dense business climate, you don't have full visibility into your organization or the ground reality of your operating environment. In order to harness the eyes, ears, and minds of your people, you need to foster a climate of collaborative experimentation that encourages people to speak up when they notice problems and work together to identify and test solutions. In Leadership Is Language, you'll learn

how choosing your words can dramatically improve decision-making and execution on your team. Marquet outlines six plays for all leaders, anchored in how you use language: • Control the clock, don't obey the clock: Pre-plan decision points and give your people the tools they need to hit pause on a plan of action if they notice something wrong. • Collaborate, don't coerce: As the leader, you should be the last one to offer your opinion. Rather than locking your team into binary responses (Is this a good plan?), allow them to answer on a scale (How confident are you about this plan?) • Commit, don't comply: Rather than expect your team to comply with specific directions, explain your overall goals, and get their commitment to achieving it one piece at a time. • Complete, not continue: If every day feels like a repetition of the last, you're doing something wrong. Articulate concrete plans with a start and end date to align your team. • Improve, don't prove: Ask your people to improve on plans and processes, rather than prove that they can meet fixed goals or deadlines. You'll face fewer cut corners and better long-term results. • Connect, don't conform: Flatten hierarchies in your organization and connect with your people to encourage them to contribute to decision-making. In his last book, *Turn the Ship Around!*, Marquet told the incredible story of abandoning command-and-control leadership on his submarine and empowering his crew to turn the worst performing submarine to the best performer in the fleet. Now, with *Leadership is Language* he gives businesspeople the tools they need to achieve such transformational leadership in their organizations.

Antifeminism and Family Terrorism Rhonda Hammer, 2002 Rhonda Hammer's *Antifeminism and Family Terrorism* presents original and provocative critical feminist perspectives on violence against women and children. Hammer provides a clear and insightful analysis of the current rhetoric produced by antifeminists who would deny the seriousness of the problem and thus undercut important feminist concerns. Dr. Hammer documents the tragic dimensions of the brutalization of women and children in the family, and the larger problem of the increasing poverty and oppression of women and children in the global economy.

Rekindling Our Passion for Jesus! Regina Elliott, 2012-03 What are you genuinely passionate about? Have you placed causes or issues, money and possessions, career advancements or promotions, family and fortune, fame or applause, community or cultural needs, sports, politics, or even religion before God? If you have, then where does God fit into your plans for life? Could it be that life is preoccupied with everything but Him? What really motivates you? What gets you up and going in the morning besides Starbucks or Folgers? Are you living the abundant life, or are you just existing? This book invokes a fresh look at the true meaning of what having a genuine relationship with Jesus is all about-and addresses pertinent issues to real life struggles we face in finding Him and serving Him- Who or What Do We Really Love? Realizing & Embracing Our Need for a Savior Pardoning the Unpardonable Seeking God's Agenda, Not Our Own Taming the Tongue Most importantly this book is about finding out how to have, and rekindling an intimacy with Christ we may have never experienced before!

Wildgun #8: Oregon Trail Jack Hanson,2003-01-28 The thrilling mountain man series from the creators of Longarm! With a caravanful of ornery pioneers in his command, hired mountain man and guide Will Barlow is loaded down with duties. Foraging for the group's food, for one. Breaking up fights among his charges, for another. And—although one couldn't rightly count this as a duty, exactly—stealing time enough for some good, old-fashioned rollicks in the grass with one lusty pioneer-gal. Aside from a few mishaps along the Oregon Trail, Barlow is confident (perhaps too confident) that the troupe'll arrive safe and sound at the West Coast.
