**Beyond Talent** John C. Maxwell,2011-04-18 Some talented people reach their full potential, while others self-destruct or remain trapped in mediocrity. What makes the difference? Author John C. Maxwell, the go-to guru for business professionals across the globe, insists that the choices people make--not merely the skills they inherit--propel them to greatness. In other words: if you really want to make an impact in your organization, it's the skills that take you beyond talent that matter most. In *Beyond Talent*, Maxwell shares thirteen attributes to add to your talent to maximize your potential and live the life of your dreams. Among other truths, readers will learn: belief lifts your talent; initiative activates your talent; focus directs your talent; preparation positions your talent; practice sharpens your talent; perseverance sustains your talent; and character protects your talent. You can have talent alone--but you'll inevitably fall short of your potential. *Beyond Talent* teaches you how to really stand out.

**Through It All** Marilyn Whitlock Hockersmith,2022-12-29 This book is meant to paint a picture to my grandchildren, nieces, nephews, cousins, extended families, friends, and loved ones to be attentive to your children. It was not in the closet nor was it a dream. He was an unwelcome visitor that followed me no matter where we moved to. He would always seek me out after everyone went to bed. It seemed like no one could ever see what was going on when he was around. I developed a hatred disposition that was visible. I hated each episode. I just wanted to be left alone. He would always find his way to me.

All I wanted was to be free and live childhood and a teenage life. It continued until age fifteen. I prayed that he would disappear, and one day he did. I've been teaching, preaching, singing the gospel for over forty years. I recognize that nothing is more important to me than living a life for God and being an example for Him. Through it all, God kept me and God equipped me with a spirit of discernment in this particular area. When I see it hovering over young males or young females, I am now able to intercede on their behalf. The lifestyle I had before Christ had no character. At that stage of my life, character did not count. I've been told a lot of things by people who are gone on to be with the Lord. So many people have helped me in dire straits throughout my life. Through it all, I thank God for introducing me to those who have helped. Some have gone on to be with the Lord. Some are still here to encourage me to persevere all for Christ Jesus and kingdom building. I'm grateful for those of you. I believe that God wants us to live and enjoy life abundantly. I believe in having godly character because character does count. Abuse--whether verbal, mental, physical, psychological actions or threats, financial, bullying, manipulation, humiliation, injury, or pornographic--is catastrophic and detrimental to one's life and future.

**Bull Sh\*t with Cream on It** Linda F. Robertson, 2023-02-28 **Bull Sh\*t with Cream on It: A Leadership Memoir** By: Linda F. Robertson About the Book Explore the vanishing Wyoming sheep ranching life of the 1950s while pondering parenting influences on young children to develop into leaders for the complexity of tomorrow's world. Linda F. Robertson takes you on a ride of personal adventures set in the solitude of Wyoming's sagebrush steppe and globally in far flung places such as Kyrgyzstan and Nigeria. Set in the historical context of the times and made richer by family photos, Robertson's memoir weaves the details about the day-to-day life on a sheep and cattle ranch with developing dispositions for leadership. Each chapter ends with a question inviting the readers to ponder their own childhood experiences and those influences on actions later in life. Finish the book laughing as you discover the story of Bull Sh\*t with Cream on It! The pursuit of pleasure must be the goal of every rational person. About the Author Born in Powell, Wyoming, Linda F. Robertson's memoir weaves together the story of Wyoming's ranch life provided by parents Dot and Lee Brunk and the global challenges as a public-school administrator and university director in Ohio. Husband Darrell Robertson's military and civilian careers provided opportunities to explore the world. He also served as her partner in the study of effective leadership. Daughter Michelle Settecase's work with EY's Women Fast Forward initiative worldwide provided motivation for Robertson to examine her own career path reflectively. However, enjoying life's great adventure and sharing it with others is central to Dr. Robertson's real passion. She framed this note card shared by her sister, Nancy Lewis (Nancy had received it from friends in New Zealand). Voltaire's quote and this photo from that card says it all.

**Stepping Stones** Bryan Britton,2012-11-12 The educational system in South Africa has failed the young learners of this new nation, says author Bryan Britton who has contributed this work as a very small step in the giant leap necessary to rehabilitate our highly susceptible youth and help them make sound and moral judgements. There has been little concern for the aspirations of the young people of South Africa. The benefits of learning, character building, moral education and religion

were lost in the turmoil of the 1980s and 1990s, resulting in a rudderless, sometimes murderous element, pervading South African society. The Rainbow Nation is today the crime mecca of the world, and the haves now have more and the have nots, appallingly less. Can we put an end to this moral decay? Perhaps adopting sound, non-sexist, non-racial and evergreen wisdom from the past can be used to commence regenerating the shredded moral fibre of this country? To aid youngsters in their search for ethics, the author has gathered a selection of pertinent wisdom from the past. Perhaps young people in South Africa will see in these excerpts, building blocks with which to construct a viable morality for their young lives and hence for the country they are destined to inherit.

My mentally ill mother abandoned me on a playground at age seven. So, I got tossed from one bad foster home to the next. When I was sixteen, my foster mom's boyfriend gave me the choice of joining him in bed or meeting his fists. I chose the latter. After being hospitalized from that encounter, I was finally made an emancipated minor. Now I'm nineteen and working at a slum diner, trying to scrape by to pay my bills while I attend college. Every single day I get sexually harassed by my creep boss and all the customers. I wish I lived in a time when men knew how to be gentlemen, a time when there was such a thing as true love. My life is flipped upside down when a strange old woman comes into the diner claiming to be one of my relatives and offering to pay me

\$10,000 to help her with her memoirs. She promises to reveal family secrets that have been kept for generations. Secrets that will explain my mother's mental illness and her disappearance.
