The Inspiration of God Dr. Allen K. Hand Sr., 2022-05-04 Firstly, the objective of that research was to assess the actions of the Civil Rights and the Progressive National Baptist Convention, Inc. (PNBC) movements. Based on 37 returns to a questionnaire of 39 reduced to 24 identified key criteria e-mailed to 158 persons across the country with forwarding permission, 92% of the respondents indicated that they either agreed or strongly agreed that the actions of the Civil Rights and PNBC movements were inspired of/by God. Additionally, this research identified some serious concerns and issues that each movement (mainly PNBC) has to address if each will continue to exist/survive. Secondly, the objective of that research was to document our history through our struggles, through our pains and gains, through our good times and bad times, through the ups and the downs; in other words, good, bad, or indifferent, it is what it is, our story (his-story, not their-story). Rev. Dr. Herbert D. Daughtry, Sr. constantly admonished us to make history, to interpret history, and to record history (or something to that effect and not necessarily in that order). When we do not do it ourselves in an accurate, precise, truthful, etc. manner, then others will tell their story, which (nine out of ten times) usually is not accurate, precise, truthful, etc. The old prophet acclaimed: And the LORD answered me, and said, Write the vision, and make it plain upon tables, that he may run that readeth it. (Habakkuk 2:2) Thirdly (and lastly), the objective of that research was to share information that we do not want to be locked in our minds only to take it to the so-called grave. Many persons who were super-knowledgeable (as I define it) about so many things that could have blessed the world took that super-valuable information to the grave - what a tremendous loss!!! As an aside, the loss is on multiple levels. Level one, we lost them. Level two, we lost what they did not share with us while they were alive. Level three, we lost the value of that buried information. (That is, someone could have taken that information and transformed it to new information. For example, Dr. Gabriel A. Oyibo solved the Unified Field Theorem that Albert Einstein did not live long enough to solve. So many things evolved from solving that equation. Just think: what would have happened to those many things that evolved from solving that equation if Dr. Oyibo would not have solved

that theorem? All those many things that evolved from solving that equation would not be in existence. Level four, those persons who took from those many things that evolved from solving that equation and incorporated that value into what they were doing. Etc. etc. etc. The number of these levels conceivably and theoretically approaches infinity. That is, there is no end to the theoretical lost when just one person does not bless the world with their knowledge, wisdom, and understanding.

1000 + 1 Fortunes, Short Stories and Proverbs for Success Canute Kelly, 2014-11-05 No two human beings have the same fingerprint nor feel the same sensations in exactly the same way at exactly the same time, and yet we can relate to a lot of the same emotions in similar ways. I reflected on some of the things my grandmother would say to me, thought about scenes I have seen in movies and how knowledge and habits are passed down through generations, and it makes me think of how connected we are as human beings. Some of the contents of things I have received from the papers in fortune cookies remind me of things my grandmother would say and sometimes take me back to pleasant memories from my childhood, and just like how a cookie is shared, I wanted to share the emotions the fortunes elicit.

**Life, I Don't Have the Answers. You Do: I Am Still Here** James Alexander Posley McTaggart III, 2014-12-11 His earliest memories swirl with vivid, colorful ambitions of a creative life helping others. From his days as a child in Brooklyn, New York, James Alexander Posley McTaggart III has let his imagination guide and inspire him. Now a professional counselor and mentor, he channels those ambitions to the page. In college, he began each day with a writing exercise he called "Morning Pages," in which he would write until he had filled three pages. This practice inspired a lifelong devotion to daily writing, where he realized his creative mind was motivated by the young child with the command-of-lights imagination within. As an adult, he battles with depression, and in the pages of his journals, he has created his own therapeutic approach to self-healing. In *Life, I Don't Have The Answers, You Do; I Am Still Here*, he shares a collection of inspiring and thought-provoking quotes and thoughts designed to inspire readers. The process of writing his first book moved him deeply; he cried, laughed, doubted, praised, and expressed every human emotion possible. It was, for him, a cathartic and serendipitous affair. A bold new collection of stream-of-consciousness writings and musings about life, love, faith, hope, healing, and creativity, *Life, I Don't Have The Answers, You Do: I Am Still Here* invites readers to explore their own inner playgrounds for answers.

In times of not knowing, Sheila Walsh offers a lifeline of hope. With great compassion born of experience and hardship, Walsh comes alongside the hurting, fearful, and exhausted to remind us that we serve a God who is so much greater than our momentary troubles, no matter how insurmountable they feel. She doesn't offer a quick fix. She offers a God fix. *Brokenness Becomes New* Marisa Briones, 2021 This is a life of living a lukewarm life knowing the truth of Jesus Christ of Nazareth. I was born and raised in a Christian church I lived the life of holding hands with the Lord one day and next day with Satan. This is called lukewarm. My life is written in this book how I overcame many things in life thinking there was no way out. I am a single mother my daughter is now 6 years old. I lived an abusive relationship, unloved, discourage, fear, anxiety, gossip, vulgar language, hatred, heartache and many trials in this life, feeling hopeless and never found a purpose until I found myself surrendering to Jesus in 2016 and gave him all my broken piece and told Him to transform and heal my past. He spoke to forgive and follow his steps. I am now walking the life of freedom, a friend of the Holy Spirit, and living victorious with the Lord and training my daughter to grow up to know Jesus is Her king and will never fail her. I found hope in Jesus, I have strength I have overcome the tunnel walking in the light with my head up high with the crown the Lord has given to me and my daughter to fulfill the assignment He has given to us with his guidance. This book will bring freedom and Jesus shall become your best friend and you shall find your identity and find rest in Him. Dance with Jesus till he brings in

your prince to dance with you, don't lose ur hope increase ur faith and the best remedy I recommend is His powerful word. This book will show you how to find yourself again in Christ. Forgive, love, and increase your faith.

**Hopeful Realism in Urban Ministry** Barry K. Morris, 2016-05-20 What, pray tell, does a faithful urban ministry require if not a triadic relationship of prayer, justice, and hope? Could such a theologically conjunctive relationship of prayer, justice, and hope fortify urban ministry and challenge students and practitioners to ponder and practice beyond the box? Frequently, justice is collapsed to charity, hope into wishful thinking or temporarily arrested despair, and prayer a grasp at quick-fix interventions. An urban ministry's steadfast public and prophetic witness longs for the depth and width of this triad. Via three countries' decades of endeavors, one chapter brainstorms urban ministry practices while another's literature survey signals crucial convictions. Amid many, seminal theologians are summoned to ground urban ministry intimations and implications: Niebuhr on justice, Moltmann on hope, and Merton on contemplative prayer. Evident is passion that fuels compassion in the service of justice, hope that engages despair, and prayer that draws from the contemplative center of it all--thankful resources for long haul ministry. The triad presses to illumine a concrete ministry's engagement of relentless, forced option issues yet with significant networks resourcing. Contrast-awareness animates endurance. The summary exegetes the original grace-based serenity prayer. Hence, hope vitally balances realism's temptation to cynicism. Realism saves hope from irrelevancy.

*Salvaging Wesley's Agenda* Kevin Twain Lowery, 2008-03-15 Kevin Twain Lowery believes that two of John Wesley's most distinctive doctrines--his doctrines of assurance and Christian perfection--have not been sufficiently developed. Rather, these

doctrines have either been distorted or neglected. Lowery suggests that since Wesleyan ethics is centered on these two doctrines, they need to be recast in a schema that emphasizes the cognitive aspects of religious knowledge and moral development. Salvaging Wesley's Agenda constructs such a new framework in three stages. First, Lowery explores Wesley's reliance upon Lockean empiricism. He contends that Wesleyan epistemology should remain more closely tied to empirical knowledge and should distance itself from mystical and intuitionist models like Wesley's own spiritual sense analogy. Second, examining the way that Wesley appropriates Jonathan Edwards's view of the religious affections, Lowery shows that Wesleyan ethics should not regard emotions as something to be passively experienced. Rather, emotions have cognitive content that allows them to be shaped. Third, Lowery completes the new framework by suggesting ways to revise and expand Wesley's own conceptual scheme. These suggestions allow more of Wesley's concerns to be incorporated into the new schema without sacrificing his core commitments. The final chapter sketches the doctrines of assurance and perfection in the new framework. Assurance is based on religious faith and on self-knowledge (both empirical and psychological), and perfection is understood in a more teleological context. The result is a version of Wesleyan ethics more faithful to Wesley's own thought and able to withstand the scrutiny of higher intellectual standards.

Hope Charlene Moorer, NCC LPC, 2022-08-25 Hope Heart of Peaceful Endurance A Godly Resilience In our ever-evolving world where nefarious happenings are occurring regularly and positivity seems to be obscure, we all seem to be searching for hope. It is the possession we need and perhaps long for to encourage every passing day. When things look impossible or in despair, we have to build up our hope and lean on our faith. Hope is a skill. In this easy-to-read yet powerful book, Charlene takes you through five practical steps on employing your hope skills. There is exploration through subjective and dictionary definitions of hope before introducing the steps of this indistinct skill. We are more resilient than we give ourselves credit. By using Bible verses, real-life narratives, constructive levity, and pragmatic ingenuity, the goal is to convey to the reader \* how to identify and utilize the hope steps \* how to prevent the enemy from stealing your hope \* why you have to watch your words or words spoken over you \* what the Bible has to say about hope \* how to look for the butterfly moments and pursue resilience \* how antagonistic feelings can affect your hope \* why hope is the link between faith and wellness \* where our hope comes from \* why you are worth it and being kind to yourself During tough times, hope is not the easiest to hold on to. However, it is the best gift you can give yourself. Be encouraged and allow God to minister to you. Happy reading!

The Psychology of the 12 Steps Paul V.Z. Psy. D., 2021-04-15 How does a homeless, once employed chef, living in his car become a Doctor of Psychology and Licensed Therapist? Resting Place Jane Rubietta, 2009-09-20 A personal retreat. We've never needed it more. We run from one place to the next--from meetings and appointments to our kid's soccer practice, from class to work to choir rehearsal, from the grocery store to small group--and then drop into bed later than we hoped, exhausted and dreading the morning. We want to slow down but don't know how and don't really believe that we can. And often, the idea of a personal retreat--time for solitude and silence--makes us feel as anxious as all our frenzied rushing. What in the world would we do with an hour, an afternoon or (gulp!) a whole day of solitude with God? But what is the cost of our frantic pace? What are we missing by not slowing down for reflection and meditation on Scripture? What kind of toll does our anxious running take on those around us--and, even

more deeply, on our own soul? In Resting Place, retreat speaker Jane Rubietta addresses soul matters with retreat topics such as dealing with our fear of abandonment, wrestling with discontent, overcoming our attempts to control others and fulfilling our deep desire to be loved. These retreats help us enter Psalm 23 rest, a place of true rest and trust in our loving, gentle Shepherd. Full of quotes to contemplate, Scripture to meditate on, questions, prayer and journaling ideas, and ideas for creativity, Jane Rubietta leads us to and through times of silence and solitude that will follow us into our everyday world as we learn to allow Jesus to guide, comfort and restore us. Come to the Shepherd, and find the true rest your soul is longing for.
