My Sister's Keeper? Justyna Fife, 1993

Biography of Jodi Picoult (Best-selling Author and Writer of Sing You Home and Lone Wolf) Laura Malfere, 2012-02-29 ABOUT THE BOOK Jodi Picoult's career began with the DC Comics Wonder Woman series, and she has since become one of the world's best known authors. Her first novel, Nineteen Minutes, shot to the number one position on the New York Times

Bestsellers List when it was published in 2007, paving the way for the impressive body of work that has followed. Picoult was born in Nesconset, Long Island, to two non-practising Jewish parents. Even at a very young age, Picoult demonstrated her love for writing and wrote a story titled *The Lobster Which Misunderstood*. Aged thirteen years old, she moves from Nesconset to New Hampshire and continued to demonstrate her love for writing throughout her high school years. EXCERPT FROM THE BOOK Picoult requested that straps be added to Wonder Woman's bustier, but her suggestion was politely turned down. Picoult then took a different angle to strengthening the character; she chose to endow her with a little more intelligence, and created stories that allowed Wonder Woman to rescue the guys, rather than being helped by them. When she left DC Comics, Picoult felt as though Wonder Woman was . . . headed in the right direction." Picoult's literary successes in novels appeared to dwindle for around a decade after she gave birth, but this was only due to her change in approach to the characters she wanted to represent. Picoult described herself as taking a more maternalistic and empathetic approach to those she wanted to write about, and it was from this point that she began researching her books intricately. Picoult's first heartbreaking novel, *Nineteen Minutes*, tells the story of a child who goes on a nineteen minute rampage with a hand gun, killing his classmates. It was a brave and poignant attempt at capturing the hearts of America, as it reflected events that are rarely, but still too often, broadcast across news channels... Buy a copy to keep reading!

"Yes We Can" Wolfgang Mieder, 2009 As President Barack Obama outlined his promise for change during the presidential campaign, he made effective use of proverbs and proverbial phrases, and invented many quotable epithets that have all the makings of future proverbs. This book examines how Obama's natural and authentic reliance on traditional metaphors enhances his impressive rhetoric, rather than reducing it to mere sound bites. Proverbs, with their often colorful metaphors, add expressiveness and emotion to his communications, giving people the opportunity to follow his pragmatic or philosophical arguments through common language. No matter the subject, Obama's prose contains metaphorical language that makes his rhetoric and oratory universally accessible. This book contains detailed analyses of the proverbial rhetoric in Obama's books *Dreams from My Father* (1995) and *The Audacity of Hope* (2006). A section looks at his proverbial language in 229 speeches, news conferences, interviews, and radio addresses, and the final section presents in-depth studies of his seven most significant addresses. It includes a comprehensive contextualized index of 1714 proverbial texts found within the writings and speeches from Obama's political beginnings to his memorable inaugural address.

Forbidden Truth Deborah Olayinka Almaroof,2014-05-07 Have you ever heard a song or read a poem and thought, I wonder what made the artist sing/write these words? Whats the story behind that song? What does the message actually mean? What memory is the artist reflecting on? Maybe you read a metaphoric poem written by a legendary poet and wondered what it really meant. Not the interpretations made by many over the years. With Forbidden Truth, poet and author

Deborah Almaroof gives you her complete vision. She allows you to embark on the mental capacity at the time of each work's creation and gives insight into what each poem means. Deborah Almaroof began writing at a young age, love songs and short stories. At the age of 20, as a sophomore at North Carolina Agricultural and Technical State University, five hours away from her hometown; she found herself alone and unhappy being so far away from her family. She searched for a coping mechanism and one night began to write. It was then that she tapped into a gift she never knew she had; the ability to construct poetry. To her surprise what she initially thought nothing of turned into endless nights up, turning her deepest thoughts into amazing art. At the age of 21, she vowed that at the age of 25 she would release her first poetry book. Here she gives you a collection of her poems and personal quotes, teamed up with her life experiences that inspired them. It has been said that the richest place on earth is a graveyard. Many are buried with unshared riches, gifts, ideas and talents. With this project the author proclaims that no measurement of success comes from the external; critique nor praise compares to the magnitude of success inside these pages. To achieve this goal, first time author and poet Deborah Almaroof says this is her success. Reaching a goal in a world where many people never witness their biggest dreams transform into a reality. Forbidden Truth is truly one to sink your teeth into!
