She possesses an incredible gift--the ability to communicate with loved ones who have passed, convey messages of love and healing, and impart a greater understanding of our interconnectedness. Though her abilities are exceptional, they are not unique, and that is the message at the core of this book. Understanding the secret language of the universe is a gift available to all. She relates stories of people who have experienced these uncanny revelations and instances of unexplained synchronicity, as well as those drawn from her own experience. There's the producer whose lost child appears to her as a deer that approaches her unhesitatingly at a highway rest stop; the name tag of an ER nurse that lets a terrified wife know that her husband will be okay; the Elvis Presley song that arrives at the exact time of her own father's passing; and many others. A Spiritual Journey to Unwavering Faith Dave Scelba, 2023-05-19 Almost everyone at some point in their lives questions their faith and/or belief in God. Even the most learned religious scholars, ordained and lay readers and faith-based teachers admit to having doubt at times. The author wrestled with faith and a belief in God for many years but feels blessed to have experienced a series of life-changing events that opened his eyes, heart, and mind. Today he has absolutely no doubt in the existence of God and that there is an afterlife. *A Spiritual Journey to Unwavering Faith* is a multi-denominational and multi-dimensional book written for every reader regardless of their religious backgrounds or spiritual beliefs. It details the writer's unique experiences, and the purpose in sharing his spiritual journey is to give those with doubt, a sense of comfort, peace, and hope. It also provides confirmation and inspiration to those who already have faith, and to hopefully strengthen their existing belief. The author's spiritual journey began about a year before the passing of his father-in-law and continued to grow and become stronger with the passing of his father and mother. Each died in the author's arms and as they took their last breaths, he asked them to please give him a sign or do whatever they could to confirm the existence of God and the afterlife. Literally moments after they each passed and many times since, each communicated with the author and provided profound signs that were personal connections known only between themselves. Initially the author viewed these After Death Communication (ADC) signs as sheer coincidences, but after experiencing a series of unique, strange, unexplainable encounters the writer finally realized he was witnessing events that went beyond the obvious or what could be identified by using his five key senses. Once he accepted the possibly a higher power was at work, he allowed his eyes, heart, and mind to be opened to a whole new world or realm. He also discovered the incredible power of prayer. During his research and the discovery process the author read many books that included historical mythology, afterlife experiences, spiritual enlightenment, faith, the Old and New Testaments of several different Bible translations, excerpts of the Koran, Divine interventions, and devotionals written by lay persons from around the world. He especially enjoyed reading devotionals from people of all walks of life who told their stories through essays that connected to specific scripture. Their personal

experiences relating to selected scripture were genuine, insightful and deeply moving. The author found it interesting how philosophies and life recommendations quoted in so many modern day spiritual and self-help books and materials are rooted in scripture. As the author connected his own personal events to specific scriptures, he realized everything he was searching for was already compiled in one comprehensive best-selling book of all time ... the Bible.

The Magic Of Mindset Angela M. Clubb, 2021-01-18 Insanity is defined as doing the same thing over and over again expecting a different result. By changing your mind, you change your life. Change is inevitable and usually occurs at the most inopportune times. What if you could control or channel the change in a manner you dictate? What if you could create your ideal life in the way you decide? Would you take the leap of faith or would you roll along the same path hoping and praying things will just work out? In truth, there is no magic pill to make this happen overnight. However, there is the Law of Attraction (LOA). By understanding the Law of Attraction, you can recode your brain to create the life you desire from losing weight to manifesting money to living the life you have always wanted. This book will provide you both the understanding and the practical guidance on how the Law of Attraction can change your life. By the end of the book, you will have the confidence to begin your own journey to obtaining anything you can imagine. You are only limited by the limits you put on your mind.

Becoming Psychic Jeff Tarrant, 2023-11-07 A scientific, brain-based approach that provides an understanding of psychic abilities, spirit communication, and energy healing. First Place Award from The BookFest in the Category of Nonfiction: Body, Mind, & Spirit-Parapsychology Jeff Tarrant was fascinated by the paranormal as a child but then his training as a neuropsychologist turned him into a hardcore skeptic. If something could not be reliably and consistently demonstrated in the laboratory, then it wasn't real. These rigid ideas were gradually worn away as he repeatedly witnessed and experienced things that simply should not be possible—telekenesis, clairvoyance, telepathy, mediumship, energy healing, and more.... This book follows his journey of studying, interviewing, and testing a wide variety of mediums, psychics, and healers as he tries to determine what is going on in their brains when they engage in these supernormal abilities. Readers will get to know these gifted people, exploring what makes them tick and discovering firsthand evidence that this stuff is real. If we can understand how the psychic mind works, might the rest of us be able to use this information to help develop our own abilities? *Becoming Psychic* uses knowledge uncovered through case studies, expert interviews, and research to offer a variety of practical insights to help readers develop their own psi abilities. Each chapter concludes with a "try it yourself" section, helping readers apply specific concepts and techniques into their own psychic development practice. In addition to uncovering the tips, skills, and tools identified in Tarrant's research, the book also explores how to use brain-hacking technology, such as neurofeedback, audiovisual entrainment, and pulsed electromagnetic fields to "nudge" the brain toward heightened psychic abilities--as well as quieting internal chatter, supporting empathy, and enhancing creativity—all the mental skills necessary

to move from balance and wellness to the extraordinary! Becoming Psychic fills an important gap in the psychic development literature. There are books that tell the stories of psychics and mediums. There are books that focus on the science and evidence for these practices, and there are books devoted to teaching you how to develop your own skills. This book contains all of the above and more!

Haunted by Words Left Unspoken Anna Marie Buonomo, 2024-06-24 It is rare for someone to journey through life without carrying the burden of regret: regret for what was, wasn't, or might have been. Perhaps your regret lies in the echoes of unvoiced words. Did you withhold the depths of your love, leaving it buried within? Were you powerless to set the boundaries that could have protected your heart? Did your voice falter when you needed to speak up? In the quiet corners of our hearts, the heavy weight of regret finds its dwelling, reminding us of the striking power of unspoken words and unexpressed truths. Regardless of the regret (or regrets) you may harbour, have you tried to process that feeling? Have you managed to come to terms with it, or does it continue to weigh you down? Are you stuck in the past, unable to truly live in the present, because of your regret? In *Haunted by Words Left Unspoken: How Speaking Your Truth Can Set Your Past Free*, Anna Marie Buonomo addresses the topic of regret through a series of letters that are supported by poetry, thoughtful prose, and quotations from great thinkers. Divided into three sections—the past, the present, and the future—this book demonstrates how our relationship with ourselves can evolve and grow with time. Using her own life experiences as examples, Anna challenges her readers to face their regrets and move toward letting go and healing. After all, if we can face our own truths and release regret, we will create space for happiness in the present that will, in turn, manifest the future we envision.

HOLY SH*T, THEY'RE GONE: Navigating the F*cking Aftermath of Loss Without the Bullsh*t Cassandra Crossno,2025-03-10 THE BOOK GRIEF DOESN'T WANT YOU TO READ ----- So, they're gone. And now, everything is fucked. Your entire fucking world just got obliterated. One second, they were here—your person, your anchor, your goddamn reason for breathing—and now, they're just fucking gone. Reduced to memories, ashes, a gaping, screaming HOLE in the fabric of your goddamn existence. The world SHATTERS, doesn't it? One minute they're breathing, laughing, living, and the next... NOTHING. Just a void that swallows everything whole, leaving you choking on the dust of what used to be. Everything you knew is a smoldering crater, a wasteland of what-ifs and never-agains. And the infuriating, soul-crushing reality? The goddamn sun STILL rises. Traffic STILL crawls. People STILL bitch about their lattes. The fucking AUDACITY of the world to keep turning when yours has stopped DEAD. Meanwhile, you're drowning in this soul-crushing, brain-melting, rage-inducing hellscape called grief. People start talking, and 95% of what they say is the most tone-deaf, ignorant, rage-inducing, and straight-up offensive bullshit you'll ever hear in your life. "Oh, they're in a better place." Better place my ass. Their place was right the fuck here, with you. "Everything happens for a reason." Say that again, and you might catch hands. ----- Grief isn't just sadness. It's a goddamn onslaught. It's a neurochemical shitstorm that hijacks your brain, making you forget your own address and put the remote in the fridge. It's a physical assault that leaves you exhausted,

nauseous, shaky—like you got hit by a truck and then dragged for miles. You expect the big days to hurt—birthdays, anniversaries, holidays. But it's the tiny, everyday gut-punches that fuck you up the most. Looking at their side of the bed and feeling like the air just got knocked out of your lungs. Seeing their favorite coffee mug. Hearing their laugh in a goddamn dream. Yeah, those. And then there's the pressure—to “move on,” to “find meaning,” to be some kind of goddamn poster child of grief instead of the broken, furious, drowning mess you actually are. Guess what? You don't have to play by their rules. This is not a soft, hand-holding guide to healing. This is not a collection of gentle affirmations. This is not a “breathe deeply and let go” pile of spiritual bypassing. **THIS IS A GODDAMN WAR MANUAL FOR THE SOUL UNDER SIEGE.** A brass-knuckled, battle-scarred, no-holds-barred roadmap through the hellscape of grief. This book is going to rip grief open, lay it the fuck out, and force it to look you in the eye. It will not tell you to “move on.” It will not pat you on the head and tell you “it gets better.” It will tell you the brutal, ugly, completely unfair truth about what it means to keep breathing when the one person who made life worth living isn't here anymore. ----- **WHAT'S INSIDE THIS LITERARY GRENADE?** □ **THE TRUTH, THE WHOLE TRUTH, AND NOTHING BUT THE FUCKING TRUTH** No sugarcoating. No silver linings. Just the unfiltered, gut-wrenching reality of loss—the moments when you actually get mad at your person for dying. The way grief makes you feel like a fucking burden. The guilt when you catch yourself laughing for the first time in weeks. The deep, bone-shaking loneliness that makes you feel like you're screaming into a void. □ **A BATTLE PLAN FOR YOUR BRAIN** Grief isn't just an emotion. It's a complete biological hijacking. Your brain is in full-scale fucking mutiny. It's chemically rewiring itself to handle trauma, which is why you can't concentrate, why you forget what day it is, why food tastes like cardboard, why you feel like you're losing your goddamn mind. Welcome to grief brain. It's real. It's brutal. And it's a fucking menace. □ **A FIELD GUIDE TO IDIOTS & THEIR BULLSHIT** People will say some of the stupidest shit you've ever heard in your life. From the toxic positivity crowd (“Just be grateful for the time you had!”) to the spiritual bypassers (“It was their time” / “The universe has a plan”), we're calling out every category of grief-related dumbassery and giving you the arsenal you need to shut them the fuck up. □ **A RAGE ROOM IN BOOK FORM** If you're pissed off at the world, you're not crazy. You're grieving. And grief isn't just crying into a pillow—it's an all-out war against reality. You're mad at fate, at the universe, at people who still have what you lost. And yes, you're probably mad at your person, too. That's normal. That's grief. □ **PERMISSION TO BE A BADASS** Forget “moving on gracefully.” Here, you get the green light to flip off the world, throw things, scream into the void, and grieve however the hell you need to, whenever you need to, for as long as you need to. There is no deadline on your grief, and anyone who tells you otherwise can go to hell. □ **NAVIGATING THE GRIEF MINEFIELD** From surviving the first everything without them (first holiday, first birthday, first Tuesday that just feels fucking impossible) to shutting down clueless assholes who think they're helping, this book arms you with the tools you need to exist in a world that suddenly doesn't make a goddamn lick of sense. □ **A WHOLE LOT OF “I SEE YOU”** Because in your darkest moments, you don't need a

grief expert. You need someone who knows what it's like to watch their fucking world burn and remember all over again that they're never coming back. Someone who's still standing somehow. Someone who won't tell you how to feel but will stand in the wreckage with you, middle fingers up, ready to take on grief like the soul-stealing motherfucker it is.

----- WHY THE FUCK DO YOU NEED THIS BOOK? If you've ever wanted to punch someone who said, They're in a better place, THIS IS YOUR BIBLE. If you're drowning in platitudes and useless advice from people who haven't experienced the soul-crushing pain of loss, THIS IS YOUR LIFE RAFT. If you've fantasized about telling the universe to go fuck itself, THIS IS YOUR ANTHEM. If you're teetering on the edge of sanity and desperately searching for something, anything, to help you feel less alone, THIS IS YOUR COMPANION. If you're ready to rage, fight, claw your way back to the land of the living, one brutal, messy step at a time, THIS IS YOUR GODDAMN WEAPON. THIS ISN'T JUST A BOOK; IT'S A GODDAMN CALL TO ARMS. Here's what they don't tell you: you're never going to be the same. Grief doesn't go away. You don't get over it. You learn to live with the absence. You learn to breathe again, step by step. You learn how to carry them forward with you—not in some cheesy “they're watching over you” kind of way, but in the real, raw, everyday moments where their absence is a weight you learn to bear. ----- SO, WHAT THE FUCK NOW? Now, we get to fucking work. Grief is a feral beast, and it will hunt you down. You can't run from this pain. You can't bury it, drink it away, fuck it away, work it away. The longer you fight it, the harder it fucking hits. The only way out is through. And this book? It's coming with you. This isn't some soft, hand-holding, “it gets better” bullshit. This is about dragging yourself through the fire, one brutal, ugly, soul-crushing step at a time, until you realize grief didn't kill you, even though it sure as fuck tried. It's about facing the cruelest reminders of their absence, from the mundane to the catastrophic, and learning how to survive these heart-punch moments without letting them pull you into an abyss. It's about giving yourself credit for just existing—because sometimes, that's the hardest fucking thing you'll ever do. One day, you'll wake up, and the first thing you feel won't be pain. One day, you'll laugh without feeling guilty about it. One day, you'll realize that you are still fucking here. And that means you are not fucking done yet. There is a shitload of work ahead of you. We're gonna torch some lies. Make a fucking mess. Get way too loud, then turn that mess into something raw, beautiful, and all yours. So, grab your weapon, steel your nerves, and prepare to fight for your goddamn life. Let's begin.

Becoming Immaculate Cari Palmer, 2024-05-13 There is no about the book information as of this time.

The Diary of Losing Dad Emily Bevan, 2022-02-17 The Diary of Losing Dad is the true story of a heartbroken woman trying to keep it together, and an intimate insight into what it is like to slowly, painfully lose someone you love. Actor and writer Emily Bevan recalls the surreal months leading up to her father's untimely death, during which she was filming a zombie series for television. Told from the perspective of a family who are stress-eating Percy Pigs, scrabbling around for change for the parking machine, and breaking down in the chemist because the pharmacist won't sell them two packets of

cream, this moving account is interspersed with diary entries, poems and her daily scribbles. Here Emily renders scenes of hospital life – both devastating and life-affirming – together with anecdotes of her family rallying around this much-loved man, and the poignant memories of his constant and enduring presence. The book looks at how we each have our own unique response to tragedy: we all know that we are going to have to face death, yet we are so ill-equipped to deal with it.
