Esther Stenersen

Serving My Dragon Eve Langlais, 2025-08-14 My name is Matias and my life has become a soap opera since a bossy dragon adopted me. I found a half-drowned lizard while hiking, but the hungry reptile isn't the only thing I picked up in Charcani Chico. Kayleigh, a beautiful and curvy woman with amnesia, needs my help, too. Somehow, they both end up living in my house and that's where the craziness starts. First off, turns out the little lizard I came across is a dragon. How do I know? Because she told me! Yes, my little Pollita can talk, and she's making grandiose plans for the future. If I can keep her safe. That won't be easy because it turns out Kayleigh's amnesia wasn't caused by an accident. Someone tried to murder her because she was a witness to Pollita's attempted kidnapping. To keep both Pollita and Kayleigh safe, we end up hiding out in the jungle for a while. However, trouble ends up finding us in our piece of paradise. Who knew that serving a tiny, demanding dragon would have me living out my very own telenovela? Bring on the danger, drama, and excitement, because I'm ready to face it all for love.

After Imperialism Richard R Cook, David W Pao, 2012-04-26 Is the Church merely a Western institution? Where does Christianity fit in with Chinese identity? Does Chinese Evangelism detract from Chinese culture? This collection of essays addresses Christian Evangelism within a historical context to China's diverse character, and explores prejudices and reactions to the evangelical movement throughout China. The contributors of this volume are committed to the belief that evangelicalism continues to have the historical assets and intellectual, hermeneutical and theological, tools able to contribute to the global church.

Spirits & Creatures Series Collection Ronesa Aveela, 2022-03-15 The Spirits and Creatures series takes an in-depth look at spirits and creatures across Eastern Europe. Author Ronesa Aveela grew up in Bulgaria where many of these entities were part of the tales and beliefs her grandmother told to her. This series will look at the origins of these beings, and popular ways people believed you could appease or defeat them. Illustrations, stories, music, and videos add to the details of these

fascinating beings. This collection contains the first three books of the series, plus a book of additional dragon tales: *A Study of Household Spirits of Eastern Europe *A Study of Rusalki - Slavic Mermaids of Eastern Europe *A Study of Dragons of Eastern Europe *Dragon Tales from Eastern Europe Although the books have extensive research, they are meant for a non-academic audience.

Chicken Lynn Crosbie, 2018-05-22 From the acclaimed author of *Where Did You Sleep Last Night*, an acidly funny, raw, and devastating love story of a decrepit, fallen film star and the young feminist filmmaker who revives his career. Set in disparate parts of Los Angeles, *Chicken* uproariously, grievously, relates the collision and inevitably ruinous paths of two incendiary figures. One is the once beautiful and very famous Parnell Wilde, a maverick actor arrogant in his disastrous fall. The other is Annabel Wrath, a much younger, idiosyncratic cult filmmaker with contradictory motives for seeking the older man out. The two are profoundly altered by their meeting and its harrowing denouement and manage to save each other from their paths of torment and dizzying spirals of decline. But when Parnell is offered the chance to perform in the sequel to *Ultraviolence*, the feature film that made him famous — and to work again with its brilliant but merciless director — he and Annabel are forced to wrestle with their fractured pasts as the extreme, fleeting, and dangerous world of fame threatens to divide them.

FilmCraft: Producing Geoffrey Macnab, Sharon Swart, 2013-07-04 Responsible for hiring all members of cast and crew from the director onwards, the producer's role is central to the making of any film and responsibilities can include everything from script development to securing financing to masterminding a film's marketing campaign. While few film producers are household names, they wield a degree of control that only the biggest name directors can aspire to. As with all of the *FilmCraft* titles, this book is based on new indepth interviews and features such greats as Tim Bevan, Marin Karmitz, Jeremy Thomas, Jon Kilik, Lauren Shuler Donner, Jan Chapman, and Peter Aalbæk Jensen.

Germanic Myths in the Audiovisual Culture Paloma Ortiz-de-Urbina, 2020-05-11 Germanic mythology is currently experiencing a significant boom in audiovisual media, especially among younger audiences. Heroes such as Thor, Odin and Siegfried populate television and comic series, films, and video games. When and why did this interest in Germanic mythology emerge in the media? Starting from the interpretation of the myths used by Richard Wagner in 'The Ring of the Nibelung' at the end of the 19th century, the contributions in this volume examine the reception of Germanic myths in audiovisual media in the course of the 20th and 21st century.

One Mummy to Go, Please! JM Paquette, Beau Lake, 2024-11-25 A security guard, a mercenary, a lawyer, a thief, and a reanimated mummy walk up to a food truck... Elizabeth "Eliza" Cunningham has always known what she wants, whether that's a medal in an Olympics qualifier (Bronze!), acceptance to an anthropology program at an elite university (Oxford!), or her many sexual conquests (except her childhood best friend Reese Eldin, who was, admittedly, a drunken mistake). But when her parents are killed in a car crash, Eliza's aspirations die along with them, and she flees as far away as the insurance money can get her: Cairo, Egypt. There, she runs a food truck called Shawarma Warrior King. She's a good cook and scores an exclusive contract at a dig site (unfortunately, managed by Reese). But trouble has a way of following Eliza. An accident at the dig site awakens a disgraced pharaoh called Milfonnos the Blighted One, whose delusions of grandeur have not faded in the last five thousand years. To stop him, Eliza must enlist the help of Jack Manning, a hunky security guard; Yong-Jin Hak, a mercenary; Rafi Sabbagh, a lawyer and her downstairs neighbor; and Teo Carranza, a belly-dancing thief. The group embark on a treasure hunt and heist to stop the pharaoh's violent attack on the city. As tensions rise, Eliza finds that she has feelings for all the men—including Milfonnos. But someone in the group isn't happy with the harem, and his motives aren't as transparent as they seem. This story contains verbal abuse, explicit violence and gore, graphic sexual content, strong language, and more. Know the acts, events, and characters are purely fiction.

Heart of Stone JM Paquette, 2024-11-12 Between rockstars and fae Lords, what's a girl to do? Margot Tanner has had a crush on Ash Stonewall since she was 15. Though close with her cousin Niklaus Hodges and drummer Timothy Green, the elusive Ash has always been just a step out of reach. Years later, Margot is the stage manager for the band Stone Dragons as they tour the country, but she is tired of longing for the unattainable Ash. With the gentle encouragement of Nik and Tim, she attends an afterparty and meets the mysterious Tobin Fetch. Their instant connection is a surprise, but even more shocking are the fairy wings that suddenly erupt from her back after exchanging a few kisses in a dark room. Ash Stonewall has enjoyed hiding among the humans, following his father's decree to stay out of fae politics. However, the temptation of Margot Tanner has always been troublesome, and he dreads the day someone discovers Margot's untapped potential. Now that Tobin has unlocked her true identity, Ash has to decide what is more important: hiding his true nature as a fae Lord and maintaining his rock star identity or revealing himself and claiming Margot as his own to protect her from fae who would abuse her gifts. Tobin Fetch always has a plan, but he never expected to stumble across an Unclaimed fae at an afterparty. Never one to ignore such a boon, Tobin is quick to free her powers, launching her into the fae world, but he never expected to want her for his own. Bound by loyalties in every direction, Tobin must decide how far he is willing to go to protect this newfound treasure. Caught in the middle of forces she barely understands, not to mention a band tour that seems to attract more and more frenzied fans, Margot must find her place in a world where everyone answers to someone. In this strange hierarchy, where does Margot belong?

The Dragon Warden's Mate Sabrina P. Borne, 2025-02-11 Tika They delivered me to him on a silver platter. Four years ago I was an ordinary girl with a privileged life. After killing the only family I have left, they call this my penance. As I watch the man they call a monster from underneath my lashes, the handcuffs burn on my wrist. The orange jump suit makes sweat drip down my ample bosom as he growls at me. Mate he roars. The others around us freeze as we are lead in line. His eyes never leave me as he gives orders while others call him Alpha. With a snap of his fingers I watch as one of his men shreds himself apart to turn into a hideous beast. As I meet his golden gaze and my world starts to tilt, only one thing is clear. I just became the prisoner of a monster. ~ Xander When I imagined my mate, I saw a woman of strength and great beauty. When I met her eyes for the first time she wasn't in chains. She wasn't a prisoner facing persecution for a crime. I find the sweet

scent of her to be contradicting. The way my cock hardens behind my robe as she looks at me from underneath her lashes, lets me know that she is a very bad girl indeed. In that moment I decided, since I always bring out the best in people.....this time, I want to bring out the worst.

The Next Happy Tracey Cleantis, 2015-03-03 When the best option is to let go of the life you planned for yourself and find a new path, a world of possibilities can surprisingly open up. Learn whether it is time to let go, and if so, how to move through your grief and find your way forward in *The Next Happy*. If you believe, you can do anything. Although well-meaning, these intended words of inspiration can make us feel like failures. The reality is that no matter how positive our outlook or how tenacious our approach, our dreams simply do not always come true--and there is nothing we can do about it. After multiple fertility treatments and years of hardship in her pursuit to have a child, Tracey Cleantis was forced to face this reality head-on. Yet, through this process and her work counseling hundreds of clients through the loss of their goals and aspirations, she discovered one simple truth: Sometimes there comes a time when the smartest, healthiest, and sanest thing to do is to let go of the original plan in order to find a new way forward toward happiness. And with this critical shift, a world of possibilities opens up to us. New, tangible dreams take shape. In *The Next Happy*, Cleantis offers a roadmap for that journey, teaching you how to: face the possibility of letting go of a dream that isn't working; accept and face sadness, anger, and shame; understand the true reasons why you wanted what you wanted and the real-life causes for why you didn't get it; and ask the questions that will let you move on and set realistic goals for finding a new way forward. With down-to-earth wisdom and humor, this enlightening counterpoint to the popular self-help notion to "follow your dream, no matter what it takes" provides the guidance and support to help you make the decision of whether it is time to give up an impossible dream, and if so, move through your grief, and discover the next happy.
