Discovering What the Future Holds Kay Arthur, 2009-07-21 Why wonder or worry about the future? God has given you a sneak preview. With all that's transpiring in the world, people can't help but wonder what the future holds. Will there ever be peace on earth? How long will the world live under the threat of terrorism? Is a one-world ruler on the horizon? God has already provided answers to these questions in the book of Daniel, which sets forth His blueprints for the future. In fact, when you understand the prophecies Daniel reveals, every other prophecy in the Bible will fit somewhere in the plan. If you want to understand the future, if you want to know what will happen in the "end of days," you need to begin with the prophecies of the Book of Daniel. Join me on this glorious adventure into the future. --Kay Arthur The 40-Minute Bible Studies tackle vital issues in short, easy-to-grasp lessons for personal or group use—with no homework required.

*Prophecy's Shadow: Exploring the Future in Literature* Pasquale De Marco, 2025-07-07 **\*\*Prophecy's Shadow: Exploring the Future in Literature\*\*** delves into the enigmatic realm of prophecy, examining its origins, manifestations, psychological underpinnings, and ethical implications throughout history and across cultures. From the enigmatic oracles of ancient Greece to the visionary poets of the Romantic era and the self-proclaimed prophets of our own time, this book explores the diverse and ever-evolving nature of prophecy. It examines the ways in which prophecy has shaped the course of history, from inspiring social movements to inciting wars and persecutions, and the profound impact it has had on our collective consciousness. Through a multidisciplinary approach, **\*\*Prophecy's Shadow\*\*** draws on insights from literature, history, psychology, and philosophy to unravel the mysteries of prophecy. It explores the cognitive biases that make us susceptible to prophetic claims, the role of emotion in shaping our beliefs, and the dangers of unchecked prophecy in a world grappling

with uncertainty and division. At the heart of this exploration is the enduring question: What is the nature of prophecy? Is it a divine gift, a psychological phenomenon, or a mere product of wishful thinking? Can the future truly be known, or are we forever condemned to navigate the uncertainties of time? As we stand on the cusp of a new era, marked by unprecedented technological advancements and global interconnectedness, the need for prophecy seems more urgent than ever before. In a world where the future feels both tantalizingly close and profoundly uncertain, we yearn for voices that can help us make sense of the chaos and guide our path forward. **\*\*Prophecy's Shadow\*\*** offers no easy answers, but it provides a deeper understanding of the complex and multifaceted nature of prophecy. It invites readers to question their own assumptions, to critically examine the claims of prophets, and to embrace the inherent uncertainty of the future. Ultimately, this book is a testament to the enduring human fascination with prophecy and its profound impact on our lives. It is a timely and thought-provoking exploration of the ways in which we seek to know the future and the consequences of our beliefs. If you like this book, write a review on google books!

**The Beggar of Kuraku** Timi Laja, 2018-06-25 The city of Kuraku had been the economic epicenter of the entire Yoruba kingdom. It was a city of commerce, peace, and military power. Suddenly, it was as if the ruling spirits had a quarrel with a community they had so favored for a long time. Omens, deaths, famine, and other natural disasters became the order of the day. After several abortive steps to find answers to the helpless situation, one of the most powerful diviners was contracted to help find answers to the mystery. Adventurous steps taken by this great custodian of magic resulted in outstanding revelations and confrontations that shook not only the city of Kuraku and its environs but also the entire Yoruba kingdom. Shocking events were brought to the fore, like the mysteries surrounding a young disabled beggar in town and the emergence of other mysterious and diabolical supernatural personalities bent on changing the natural order of life as we know it not only in the land but in the entire earth if their evil plan succeeded.

**The Blood of Lambs** F. V. Hank Helmick, 2012-08 The Blood of Lambs is a biblical historical fictional novel about the life of Saint Stephen, the first martyr as written about in the Acts of the Apostles pages 6&7. Stephen was a rich man's dissolute son from Alexandria with the face of an angel. Accompanied by his two brothers Benjamin and Nabal, they set sail for Israel

where they meet Acacius ben Xanthine an agnostic soldier of fortune. They defend themselves from an attack by brigands led by Antigonis the One Eyed and Adder the mysterious deadly little killer who is the secret leader of the Sicarii-a deadly band of Zealot cutthroats, who plays both ends against the middle. Antigonis as an Avenger of the Blood creates an enmity between the two groups that threads its way throughout the entire story. Acacius stumbles upon a plot led by Simon Magus the Magician to conquer the world. He works with the leader of the Roman Legion Italica II, the Tribune Julian Lombard to uncover the plot. Myra the Madam is the only person to ever escape from the secret cave of Antigonis and she is dedicated to avenge her friend's murders by Adder and Antigonis. The setting for the story is Israel at the time of Christ's Passion. Stephen meets and is infatuated by Jeshua and becomes a disciple and meets the beautiful and vivacious Michal. Rabbi Agamemnon, the leader of the Synagogue of Roman Freemen lines himself up with Simon Magus. Both Adder and Antigonis are subjected to the prophetic curse of their prostitute victim Miriam, a cousin of a witch in the lineage of the Witches of Endor. The story follows the historical events of the era. The myths, mysticism and miracles of the early Church are played upon throughout the story. The author has been scrupulous in the use of authentic historical data, which is the only thing too which he will take pride.

**The End Times** Kurt B. Bakley,2016-01-20 In this book we will read the ancient prophecies for the next 1000 years and beyond. It quite different then any other works on this subject, but I feel this is the correct one, I could be wrong. We will read the dates and time periods of Daniel and Revelation, all the Bible, Nostradamus and ancient Egyptian art to see what will happen and when. All prophecies in all books will be fulfilled if true during this time span. Se read on and see your future. Be sure to read my other books entitled: Predictions for 2015 Revised Edition, The Experiment at Philadelphia Revised Edition End Time Signs II and The End Times. Prophecies dont always happen the way we think they will and many times give more than one date, event and time. Some preachers call this secondary fulfillment. For the prophecies of this book to come true the events of September 24-28, and/or October 15-17, December 31, 29, 24-25, 14, 7 November 10-11,22, 2016 or 2017 must come to pass or else another type of future will happen. I explain this in this book and document how other books predicts four or five possible futures and from four or five one will come true as Isaac Newton and a woman in a life after death experience predicted. She said when she was dead she saw four or five futures unfold before her. She came back to life and forgot about them and one day in her kitchen she notice it was the exact copy of one of her futures she saw long ago when she was dead. One comes true out of four or five. If the people remain sinning the good prophecy could fail. This book was finished on December 14, 2015 (leave in).

author Clifford Pickover presents a nearly exhaustive list of fortune-telling techniques, from the ominous practice of human sacrifice to reading clues on the Internet. This book takes us one step further by exploring our own inner psyches: Why does looking into the future provide a source of solace in a world filled with uncertainty, disease, and chance?
