We Got It From Our Daddy Brandy Linn, 2019-08-29 Have you ever looked at your precious but squirrely child in awe? Have you ever stood in awe of their innocence, in awe of their wonder, or in awe of their curiosity of seeing the world for the first time? Or have you ever just stood there and stared at their little face, just mesmerized by their beauty and adorableness, vowing to protect them from the world, including their future self? Have you ever had to correct your child out of love, and it really did hurt you more than them? Have you ever provided and sacrificed for them, so they would not go without? Of course, we have, and it is because that is God's nature to love, adore, protect, and provide for us His children. Not only does He look at us in adoration and through the eyes of love, protection, and provision, but also, He went a step further. He gave us an inheritance. He left us a legacy to follow. He gave us His parental DNA to love, adore, protect, and provide for our children and for all His children all around the world.

Moments of Clarity Thomas L. Jackson, 2004-04-16 The gift of a commonplace book: A seed that can bloom well beyond a lifetime. A place to collect the wisdom and stories which others in ancient and modern times have to teach us. And then, even further possibilities: to make sense out of everyday nonsense; to enthuse the heart; to enliven a passion for life; to guide the spiritual journey; to laugh; to relax from the speed and demands of our too busy world; to gently remind us of our inclusion in the family of history and society; to enjoy and relish the utter beauty of language and story; to discover new writers and thinkers even as we revisit old favorites; to find inspiration for writing, speaking, motivating, creating, and even counseling; to guide our young with gentle reminders of the purposes of life; and, finally perhaps, to define our own voice in the living of life...
