The Kingdom of God Is at Hand Ivory Simion, 2018-08-20 Warning: The Books of Simion are the most Profound books of knowledge that have ever been delivered to the Gentile nations. The Books of Simion are written for Kings and all in Authority only so Kings and all in Authority can determine what is best for the people. The Books of Simion are the Books of Records that are referred to as the Books of Remembrance that are written for Kings and all in Authority so Kings and all in Authority are not dishonored and their Kingdoms are not destroyed by deceptions. Ezra 4: 14-15 and Malachi 3: 16 The Books of Simion are the translation of the Holy Bible and the ancient scriptures by those who are scattered, whose ancestors were slaves and persecuted in Egypt for 430 years. Later in the latter days, ascendants were taken to a foreign land named America on ships in bondage and held there as slaves and persecuted for 430 years that the Holy Bible has identified as God's chosen people and God's firstborn. There is no other interpretation and translation of the Holy Bible and the end-time prophecies of the God of Abraham by any other race of people on the planet earth that is better (Genesis 15:13-14, Acts 7:6-7, Deuteronomy 28:68, Jeremiah 30:3, Jeremiah 30:18, Luke 21:24, John 11:52, Joel 3:1, and Exodus 4:22). The Books of Simion will connect all the dots or events in history together with the Holy Bible and the ancient scriptures to bring events and scriptures together, to make sense of what happened in our past, to understand what is happening in our present, and to determine what will happen in the future. The readers will learn more about the Holy Bible, God and the devil, the extraterrestrials, the old black African dominion, and the new white Gentile dominion from the Books of Simion than they have learned and understood from the combined books and learning institutions they have been exposed to all their lives. For the first time in the readers' lives, they will understand what they could never understand before. Without the Books of Simion, the readers will go from university to university constantly learning but never able to come to the knowledge of the truth (2 Timothy 3:7). All the great secrets, including the mystery of the gospel, have been revealed in the Books of Simion. Because the world was started over to give the Gentiles a second chance for salvation in the world we live in today, the final outcome from all our actions and choices of today will be revealed as well as what we all must do to inherit the earth. Absolutely nothing is more important than knowing the final outcome from last time before we make our final choices this

time. Prepare yourself.

Maria Maria Gniotek,2023-12-05 About the Book Maria is a book about the author's life and what happened to her throughout her various relationships. After going through an abusive relationship that resulted in her being cursed, she looks for salvation and forgiveness through God. Eventually she learns that no matter what, God was always with her and Jesus' protection was always on her and her life.

Power of Samson: Guardian of God's Secret Code Donald Alexander,2020-02-07 Initially setting out to disprove God's existence, a scientist stumbles upon mysterious Biblical codes and patterns that point to God's fingerprint. Through his personal testimony, he proves that these incredible discoveries reveal undeniable, reproducible, objective evidence that God Exists. 52 embedded associations connect Samson to Jesus, in the same order, in just 96 verses in the Book of Judges. The probability of this happening by chance, is smaller than finding a single atom on Planet Earth by chance! Yet numerous other code sequences are also embedded in the lives of a Great Cloud of Witnesses including Joseph, Samson, David, Jonah, Elisha, Moses, and Joshua in the same order as those in the life of Christ. How could numerous independent authors have known about the steps of Christ in such detail, hundreds to over a thousand years in advance? The Author behind these accounts somehow can see events in the distant future. How can this be? Could He be the Omniscient One called God?

Death's Masquerade Shattered Charlotte M. Nabors,2011-12-27 This book is about gaining a biblical understanding of death. Whether you are Christian or not, you may see things in a whole new way and gain an understanding of the many theories you have heard over the years. This book is valuable to anyone who has had questions about God's justice or injustice, hellfire, or where we go when we die. Learn about suicide, euthanasia, ghosts, the crucifixion, and many more insights. The wisdom within is heavily supported with biblical texts and the personal experiences of the author and others.

Incredible Answers to Prayer Roger J. Morneau,1990 It was five degrees below zero, and Roger Morneau was out of gas. If his toes froze, they would have to be amputated. The man bowed his head in prayer. It was almost as if something hit the back of my automobile and it shot forward, he says. Then the motor started to accelerate and hummed like never before. He drove the 27 miles to safety without a drop of gas!

No Longer Naked and Ashamed Jean Sheldon,2009-05-29 This book describes the problem of sin and salvation in terms that relate to real life. Using the metaphor of abuse and recovery from abuse, the book outlines what sin as abuse is and the steps to recovery from it so as to make it clear that God is not an Abuser. Once we learn this truth--that God is entirely trustworthy, loving, and freedom-giving, we can be transformed and live in healthy relationships with others.

Angels George J. Marshall, 2008-05-23 In the 1990s alone, more than 400 works on angels were published, adding to an already burgeoning genre. Throughout the centuries angels have been featured in, among others, theological works on scripture; studies in comparative religions; works on art, architecture and music; philological studies; philosophical, sociological, anthropological, archeological and psychological works; and even a psychoanalytical study of the implications that our understanding of angels has for our understanding of sexual differences. This bibliography lists 4,355 works alphabetically by author. Each entry contains a source for the reference, often a Library of Congress call number followed by the name of a university that holds the work. More than 750 of the entries are annotated. Extensive indexes to names, subjects and centuries provide further utility.
