

Antigona Salvador Espriu

Fanny Söderbäck

The Poetry of Salvador Espriu D. Gareth Walters, 2006 Two standpoints govern the approach taken to the poetry of Salvador Espriu in this extended study of his work. First, the author explores the structural implications of symmetry and numerology, in a chronological rather than thematic survey of the poetry - a procedure that involves a consideration of how each book attains its distinctive character while having common preoccupations and stylistic traits. Secondly, he examines the tension implicit in Espriu's poetry between involvement and detachment or between the civic and the lyric.

Interpretando Antígona Laura Llevadot (ed.), 2016-05-30 La tragedia de Sófocles Antígona ha sido objeto de innumerables versiones, interpretaciones y traducciones a lo largo de la historia de la cultura occidental. La acción de la joven hija de Edipo que entierra a su hermano Polinices a pesar de la expresa prohibición real, la rebeldía de una mujer que arrastra consigo la turbulenta historia de su linaje, ha permitido replantear cuestiones esenciales de la existencia humana todavía vigentes. Antígona alumbra aún hoy problemas tales como la cuestión del derecho al duelo -allí donde hay todavía muertos sin enterrar o desaparecidos a los que no les ha sido restituida su dignidad simbólica-, experiencias como la muerte del otro, así como la decisión de la muerte propia consentida, la cuestión tan debatida hoy en torno a la fraternidad como cimiento de lo común, y aun la temática del género que las filosofías feministas de la diferencia se han propuesto repensar a partir de esta obstinada figura. Los textos que constituyen el presente volumen tratan de dar cuenta de las diversas aproximaciones que la tragedia de Antígona ha suscitado.

Antigone's Tomb / La tumba de Antígona, 2025-08-15 The philosopher María Zambrano grants Antigone a compelling new voice in her reimagining of Sophocles' tragedy, which she described as 'something quite different that hasn't occurred to anyone'. Written in 1967 from exile, La tumba de Antígona is Zambrano's only play and retells Antigone's story through the prism of the Spanish Civil War. This dramatized 'talking cure' evokes the eponymous hero's experience of solitude, delirium, and passion within the marginal space of her tomb, casting her as the messenger of consciousness for the second half of the twentieth century. Recent studies place Zambrano in the visionary company of women with questing minds such as Hannah Arendt, Simone Weil, and her close contemporary, the Spanish writer Rosa Chacel, whose lives were complicated by fascist conflicts that impelled them to travel across Europe and to the Americas in search of refuge. Placing emphasis on the play as a text for performance, this first English translation (including the author's prologue and a critical introduction) aims to

extend interest in this trailblazing reworking of classical myth by this acclaimed Spanish woman writer and encourage further connections within exile and Antigone scholarship.

The Aesthetics of the Ephemeral Jennifer Duprey, 2014-07-01 Analyzes theatrical texts and performances while providing political and historical mappings. In *The Aesthetics of the Ephemeral*, Jennifer Duprey examines five contemporary plays from Barcelona: *Olors* and *Testament* by Josep Maria Benet i Jornet, *Antígona* by Jordi Coca, *Forasters* by Sergi Belbel, and *Temptació* by Carles Batlle. She argues that in both the theatrical text and its performance an aesthetics of the ephemeral materializes that is related to specific manifestations of cultural and historical memory in Spain and Catalonia. These manifestations of memory include historical concerns such as the possibility of another form of justice in predicaments of violence after the Civil War, and they also include contemporary issues such as the production of ruins by the processes of gentrification in Barcelona, the complexity of immigration in Spain, and the destruction or preservation of Catalan cultural legacies. In her analysis of these topics, Duprey engages and expands on theories related to questions of subjectivity and identity in late modernity. This book will be of interest to those concerned with Iberian cultural studies and with how theater reflects on and contributes to contemporary political dialogue.

The Camp Colman Hogan, Marta Marin-Dòmine, 2021-02-03 The camp is nothing if not diverse: in kind, scope, and particularity; in sociological and juridical configuration; in texture, iconography, and political import. Adjectives of camp specificity embrace a spectrum from extermination and concentration, to detention, migration, deportation, and refugee camps. And while the geographic range covered by contributors is hardly global, it is broad: Chile, Rwanda, Canada, the US, Central Europe, Morocco, Algeria, South Africa, France and Spain. And yet—is to so characterize the camp to run the risk of diffusing what in origin is a concentration into a paratactical series of “identity particularisms”? While *The Camp* does not seek to antithetically promulgate a universalist vision, it does aim to explore the imbrication of the particular and the universal, to analyze the structure of a camp or camps, and to call attention the role of the listener in the construction of the testimony. For, by naming what cannot be said, is not every narrative of internment and exclusion a potential site of agency, articulating the inner splitting of language that Giorgio Agamben defines as the locus of testimony: “to bear witness is to place oneself in one’s own language in the position of those who have lost it, to establish oneself in a living language as if it were dead, or in a dead language as if it were living.”

Antígona Sòfocles, 2022-09-01 *Antígona*, de Sòfocles, és segurament l'expressió literària antiga més sublim del conflicte humà entre els dictats de la consciència pròpia i les lleis establertes pels homes. Creont, rei de Tebes, ha prohibit sepultar el cadàver de Polinices, que s'ha alçat en armes contra ell. Antígona, però, la germana de Polinices, el desobeeix. I el seu acte i les conseqüències terribles que comporta també són l'expressió del sacrifici personal a causa d'un convenciment que, en aquest cas, té la raó de ser en la pietat entre germans. Ressenya: «La lluita per una justícia que està per damunt d'unes lleis

concretes, la lluita pels drets no escrits, no legislats, però inherents en la persona humana..., aquest és el tema de l' Antígona. I per això és una de les tragèdies gregues més valorades.» De la introducció de Joan Castellanos i Vila

Antígona. Relectura de un mito de la antigüedad Juan Alfredo Obarrio Moreno, Sandra Adams, 2022-04-22 Hay una opinión muy difundida, y ciertamente poco razonada, de que solo lo novedoso merece nuestra atención. Argumentaciones como estas silencian el criterio de calidad y relegan al olvido los grandes libros del pasado. Esta triste realidad lleva a preguntarnos si ya no somos capaces de apreciar el valor de aquellos textos que llevan miles de años esperándonos, obras que cuando las descubrimos, las leemos y las comprendemos, nos llenan de gozo y de sabiduría. Gran descubrimiento lo llamamos. La Antígona de Sófocles lo fue para nosotros. Lo fue porque gracias a su estudio comprendimos la verdad de la afirmación de Zubiri: No es que los griegos sean nuestros clásicos: es que, en cierto modo, los griegos somos nosotros. Lo somos porque con ellos aprendimos que la razón significa la facultad de preguntarnos el porqué de las cosas, un logos -o una ratio- que lleva a concebir la ciencia y la cultura como un gran riesgo y como una azarosa aventura, una aventura, la del saber, que nos acompaña desde hace tres mil años, justo desde que Homero, como lo presenta la leyenda, era maestro de escuela en Quíos una cultura en la que hallamos esas respuestas de las que adolece nuestro maltrecho tiempo. Sandra Adams. Licenciada en Filología Alemana por la Universidad de Mainz. Máster en Humanidades y Artes Liberales por la Universidad Católica de Valencia San Vicente Mártir. Doctora por la Universidad Católica de Valencia San Vicente Mártir, con la tesis titulada Antígona: El derecho frente a la conciencia, obtenido la calificación de cum laude. Ha publicado diversos artículos en revistas científicas indexadas. Juan Alfredo Obarrio Moreno es Licenciado en Historia y en Derecho. Catedrático de Derecho Romano (Univ. de Valencia). Autor de 23 monografías. Entre sus líneas de investigación cabe destacar sus estudios de tradición romanísticas, sobre la Universidad, sobre la Apología de Sócrates, así como su inquietud por abordar la relación entre Derecho y Literatura, a la que ha dedicado cuatro monografías. Es Académico Correspondiente de la Real Academia de Jurisprudencia y Legislación de España, del Instituto de Historia de la Intolerancia, Inquisición y Derechos Humanos, así como de la Fundación Universitas.

Antígona: a eterna sedução da filha de Édipo Andrés Pociña, Aurora López, Carlos Morais, Maria de Fátima Sousa e Silva, 2015-11-01 Este volume reúne um conjunto de estudos que têm por motivo o mito de Antígona, a sua expressão clássica e a sua recepção moderna e contemporânea, em diferentes contextos culturais (Portugal, Brasil, Espanha, França e Itália). This volume includes several texts about the myth of Antigone, its classical expression and modern and contemporary reception, in different cultural contexts (Portugal, Brazil, Spain, France and Italy). This volume includes several texts about the myth of Antigone, its classical expression and modern and contemporary reception, in different cultural contexts (Portugal, Brazil, Spain, France and Italy).

Culture in Exile Elisenda Marcer, 2024-12-03 This edited book breaks new ground by bringing together research on

inner and territorial exile in the context of National Socialism in Germany and the Franco regime in Spain, and in proposing an integrated model of exilic cultural production. Original contributions explore previously neglected aspects of the inner and territorial exile cultures, focusing on the specificity of the national settings (including Catalonia) whilst also seeking to place research findings within a conceptual framework of exile which views the experiences and cultural manifestations of inner and territorial exiles not as polar opposites, but as interactions of response to fascist dictatorship. This book will be of interest to scholars and students of German Studies, Hispanic Studies, comparative literary and cultural studies, and modern history more broadly.

Portrayals of Antigone in Portugal ,2017-04-03 Portrayals of Antigone in Portugal gathers a collection of essays on the Portuguese drama rewritings of this Theban myth produced in the 20th and 21st centuries. For each of the cases analysed, the Portuguese historical, political and cultural context is described. This perspective is expanded through a dialogue with coeval European events. As concerns Portugal, this results principally in political and feminist approaches to the texts. Since the importation of the Sophoclean model is often indirect, the volume includes comparisons with intermediate sources, namely French (Cocteau, Anouilh) and Spanish (María Zambrano), which were extremely influential on the many and diversified versions written in Portugal during this period.

Feminist Readings of Antigone Fanny Söderbäck,2012-02-01 Feminist Readings of Antigone collects the most interesting and provocative feminist work on the figure of Antigone, in particular looking at how she can figure into contemporary debates on the role of women in society. Contributors focus on female subjectivity and sexuality, feminist ethics and politics, questions of race and gender, psychoanalytic theory, kinship, embodiment, and tensions between the private and the public. This collection seeks to explore and spark debate about why Antigone has become such an important figure for feminist thinkers of our time, what we can learn from her, whether a feminist politics turning to this ancient heroine can be progressive or is bound to idealize the past, and why Antigone keeps entering the stage in times of political crisis and struggle in all corners of the world. Fanny Söderbäck has gathered classic work in this field alongside newly written pieces by some of the most important voices in contemporary feminist philosophy. The volume includes essays by Judith Butler, Adriana Cavarero, Tina Chanter, Luce Irigaray, and Julia Kristeva.

By the Grace of God William R. Viestenz,2014-09-17 Though neither king nor priest, Spanish dictator Francisco Franco nevertheless conceptualized his right to sovereignty around a political theology in which national identity resembled a sacred cult. Using Franco's Spain and la España sagrada as a counterpoint to European secularity's own development, *By the Grace of God* is the first sustained analysis within Spanish cultural studies of the sacred as a political category and a tool for political organization. William Viestenz shows how imagining national identity as a sacred absolute within a pluralistic, multicultural state leads to dictatorship, scapegoating, and exceptional violence. Using novels and poetry from the Catalan

literary tradition and stalwarts of the Castilian canon, his analysis demonstrates that the sacred is a concept that spills over into key areas of secular political imagination. *By the Grace of God* offers an original theory of the sacred that challenges our understanding of twentieth-century political thought.

By the Grace of God William Viestenz, 2014-01-01 Using Franco's Spain and *la España sagrada* as a counterpoint to European secularity's own development, *By the Grace of God* is the first sustained analysis within Spanish cultural studies of the sacred as a political category and a tool for political organization.

Brill's Companion to the Reception of Sophocles, 2017-04-03 Brill's Companion to the Reception of Sophocles offers a comprehensive account of the influence, reception and appropriation of all extant Sophoclean plays, as well as the fragmentary Satyr play *The Trackers*, from Antiquity to Modernity, across cultures and civilizations, encompassing multiple perspectives and within a broad range of cultural trends and manifestations: literature, intellectual history, visual arts, music, opera and dance, stage and cinematography. A concerted work by an international team of specialists in the field, the volume is addressed to a wide and multidisciplinary readership of classical reception studies, from experts to non-experts. Contributors engage in a vividly and lively interactive dialogue with the Ancient and the Modern, which, while illuminating aspects of ancient drama and highlighting their ever-lasting relevance, offers a thoughtful and layered guide of the human condition.

Bilingual Legacies Anna Casas Aguilar, 2022-05-30 *Bilingual Legacies* examines fatherhood in the work of four canonical Spanish authors born in Barcelona and raised during the dictatorship of Francisco Franco. Drawing on the autobiographical texts of Juan Goytisolo, Carlos Barral, Terenci Moix, and Clara Janés, the book explores how these authors understood gender roles and paternal figures as well as how they positioned themselves in relation to Spanish and Catalan literary traditions. Anna Casas Aguilar contends that through their presentation of father figures, these authors subvert static ideas surrounding fatherhood. She argues that this diversity was crucial in opening the door to revised gender models in Spain during the democratic period. Moving beyond the shadow of the dictator, Casas Aguilar shows how these writers distinguished between the patriarchal father of the nation and their own paternal figures. In doing so, *Bilingual Legacies* sheds light on the complexity of Spanish conceptions of gender, language, and family and illustrates how notions of masculinity, authorship, and canon are interrelated.

Theatre Censorship in Spain, 1931-1985 Catherine O'Leary, Michael Thompson, 2023-05-15 This is a comprehensive study of the impact of censorship on theatre in twentieth-century Spain. It draws on extensive archival evidence, vivid personal testimonies and in-depth analysis of legislation to document the different kinds of theatre censorship practised during the Second Republic (1931-6), the civil war (1936-9), the Franco dictatorship (1939-75) and the transition to democracy (1975-85). Changes in criteria, administrative structures and personnel from these periods are traced in relation

to wider political, social and cultural developments, and the responses of playwrights, directors and companies are explored. With a focus on censorship, new light is cast on particular theatremakers and their work, the conditions in which all kinds of theatre were produced, the construction of genres and canons, as well as on broader cultural history and changing ideological climate – all of which are linked to reflections on the nature of censorship and the relationship between culture and the state.

Catalan Culture, 2018-03-28 This volume presents studies of some of the key artistic manifestations in Catalonia in recent times, a period of innovation and experimentation, and addresses issues concerning literature, film, theatre and performance art. From the creation of a new popular theatre in the work of the Valencian playwright Rodolf Sirera, or the conception of landscape, myth and memory in the late work of the novelist Mercè Rodoreda and the urgency of memory and remembrance in the writings of Jordi Coca, the effects of censorship in Catalonia appear to have proved a spur and a challenge to writers. Desiring to occupy illegal spaces, performance groups have manifested both literally and metaphorically the international dimension of Catalan culture in the modern period, posed in the present volume by the instances of La Cubana and Els Joglars, and further evidenced in the cross-fertilization in the work of contemporary Catalan playwrights and filmmakers to foreground issues of national plurality and tensions arising between the periphery (Catalonia) and the centre (Spain and Castile).

Tragedias Sófocles, 2021-09-16 Con las tragedias de Sófocles (siglo V a. C.), podría decirse que el teatro alcanza su plena consolidación como género literario en el sentido moderno del término. Por un lado, se introduce una serie de innovaciones formales que darán a la pieza teatral un perfil escénico en buena medida definitivo. Y, por otro lado, eso está al servicio de intereses de fondo más importantes: Sófocles plasma la problemática del individuo aislado, representado en el héroe trágico que se caracteriza por una grandeza extraordinaria, una soledad doliente y una impotencia trágica ante fuerzas superiores. Además, es un excelente testigo de las inquietudes ideológicas de la apasionante época que le tocó vivir y que fue fundamental en la evolución intelectual de Occidente. Publicado originalmente en la BCG con el número 40, este volumen presenta la traducción De las siete Tragedias de Sófocles que se conservan íntegras realizada por Assela Alamillo. Carmen Morenilla (Universidad de Valencia) ha redactado una nueva introducción para esta edición.

Actes del quinè Col·loqui internacional de llengua i literatura catalanes, Universitat de Lleida, 7-11 de setembre de 2009
Imma Creus, Maite Puig, 2010 El Quinè Col·loqui Internacional de Llengua i Literatura Catalanes es va celebrar a Lleida el 2009, organitzat com sempre per l'associació Internacional de Llengua i Literatura Catalanes en col·laboració amb les entitats locals i del país, i es va desenvolupar, al voltant del motiu central de la frontera, en tres línies temàtiques; el català i les llengües veïnes, la literatura i les arts, la llengua dels escriptors. En aquest segon volum oferim les ponències i les comunicacions referents al tema de les relacions entre la literatura i les arts, a més de la conferència de clausura.

Unveiling the Energy of Verbal Art: An Psychological Sojourn through **Antigona Salvador Espriu**

In a global inundated with monitors and the cacophony of quick communication, the profound energy and emotional resonance of verbal artistry usually diminish in to obscurity, eclipsed by the regular onslaught of sound and distractions. Yet, situated within the lyrical pages of **Antigona Salvador Espriu** , a fascinating function of literary brilliance that pulses with organic thoughts, lies an remarkable journey waiting to be embarked upon. Written with a virtuoso wordsmith, this mesmerizing opus guides viewers on a mental odyssey, softly revealing the latent potential and profound affect embedded within the intricate web of language. Within the heart-wrenching expanse with this evocative analysis, we will embark upon an introspective exploration of the book is central styles, dissect its fascinating writing model, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.

Antigona Salvador Espriu Introduction

Antigona Salvador Espriu Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Antigona Salvador Espriu Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Antigona

Salvador Espriu : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Antigona Salvador Espriu : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Antigona Salvador Espriu Offers a diverse range of free eBooks across various genres. Antigona Salvador Espriu Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Antigona Salvador Espriu Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Antigona Salvador Espriu , especially related to Antigona Salvador Espriu , might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Antigona Salvador Espriu , Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Antigona Salvador Espriu books or magazines might include. Look for these in online stores or libraries. Remember that while Antigona Salvador Espriu , sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Antigona Salvador Espriu eBooks for free,

including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Antigona Salvador Espriu full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Antigona Salvador Espriu eBooks, including some popular titles.

FAQs About Antigona Salvador Espriu Books

1. Where can I buy Antigona Salvador Espriu books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available?
Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Antigona Salvador Espriu book to

- read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Antigona Salvador Espriu books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
 5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
 6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
 7. What are Antigona Salvador Espriu audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
 8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
 9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
 10. Can I read Antigona Salvador Espriu books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
