Heat Wave Tj Klune, 2022-07-19 The explosive finale to the Extraordinaries trilogy by New York Times bestselling author TJ Klune! School's out for the summer and a raging, malevolent heat has blanketed Nova City. Dark, twisted, probably evil shadows have drenched the doorsteps of her good people's homes. And Nicholas Bell—fanboy, hero, ADHD-haver—is being super dramatic again. But honestly, Nick's life is pretty much perfect. Yeah, it's hot out, but he finally gets to team up and train with his steamy superhero boyfriend to bring justice, protection, and disaster energy to the people of Nova City. It's everything he's ever dreamed of! With graduation on the horizon and his future unknowable, Nick focuses on enjoying the present. Seth, Jazz, and Gibby are busy setting up headquarters for Lighthouse, their hero team. Nick's dad has partnered with former chief of police Rodney Caplan to start a new private investigation agency. And Nick's mother, the superhero known as TK, is right there at Nick's side. Where she's always been. Hasn't she? But something's off. It's not just Simon Burke running for mayor and campaigning to "cure" Extraordinaries. And it's not even the rumors that Nick's ex-boyfriend and villain-in-the-making Owen Burke has escaped. Something else isn't right, and Nick will need all his friends and loved ones together to uncover the truth before Nova City falls prey to the Burke family. A truth that will reveal a traitor in their midst and burn through their lives like a wildfire. Praise for *The Extraordinaries* An Indie Bestseller! An Indie Next Pick! A Gold Nautilus Book Award Winner! "Half a love-letter to fandom, half self-aware satire, and wholly lovable. I haven't read anything quite like this before!" —Sophie Gonzales, author of *Only Mostly Devastated* "The most down-to-earth book about superheroes I've ever read. I laughed, I cried, and I had a smile on my face the entire time I was reading it." —Mason Deaver, bestselling author of *I Wish You All the Best* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Complete Extraordinaries Series TJ Klune, 2023-12-05 This ebundle includes the complete Extraordinaries series: The Extraordinaries, Flash Fire, and Heat Wave. Lambda Literary Award-winning author TJ Klune's YA series, The Extraordinaries, tells a queer coming-of-age story about a fanboy with ADHD and the heroes he loves. The Extraordinaries: Some people are extraordinary. Some are just extra. Nick Bell? Not extraordinary. But being the most popular fanfiction writer in the Extraordinaries fandom is a superpower, right? After a chance encounter with Shadow Star, Nova City's mightiest hero (and Nick's biggest crush), Nick sets out to make himself extraordinary. And he'll do it with or without the reluctant help of Seth Gray, Nick's best friend (and maybe the love of his life). Flash Fire: When new Extraordinaries begin arriving in Nova City—siblings who can manipulate smoke and ice, a mysterious hero who can move objects with their mind, and a drag queen superhero with the best name and the most-sequestered costume anyone has ever had—it's up to Nick and his friends Seth, Gibby, and Jazz to determine who is virtuous and who is villainous. And new Extraordinaries aren't the only things coming to light. Long-held secrets and neglected truths are surfacing that challenge everything Nick knows about justice, family, and being extraordinary. Which is a lot to handle when Nick really just wants to finish his self-insert bakery AU fanfic. Will it all come together in the end or will it all go down in flames? Heat Wave: School's out for the summer and a raging, malevolent heat has blanketed Nova City. Dark, twisted, probably evil shadows have drenched the doorsteps of her good people's homes. And Nicholas Bell—fanboy, hero, ADHD-haver—is being super dramatic again. But something's off, and Nick will need all his friends and loved ones together to uncover the truth before Nova City falls prey to the Burke family. A truth that will reveal a traitor in their midst and burn through their lives like a wildfire. Ravensong TJ Klune, 2022-09-01 Ravensong is the second book in the Green Creek Series, the beloved fantasy romance sensation by New York Times bestselling author TJ Klune, about love, loyalty, betrayal, and family. "Complex and startling... Green Creek is the perfect setting." —Charlaine Harris The Bennett family has a secret: They're not just a family, they're a pack. Ravensong is Gordo Livingstone's story. Gordo Livingstone never forgot the lessons carved into his skin. Hardened by the betrayal of a pack that left him behind, he sought solace in the garage in his tiny mountain town, vowing never again to involve himself in the affairs of wolves. It should have been enough. It was, until the wolves came back, and with them, Mark

Bennett. And when his town is caught in the jaws of a beast, Gordo is summoned back into the life that left him. “Gordo, you must rise. For your pack. For us. I must ask you to become the witch to the wolves.” Now, a year later, Gordo has once again found himself the witch of the Bennett pack. Green Creek has settled after the death of Richard Collins, and Gordo constantly struggles to ignore Mark and the song that howls between them. But time is running out. Something is coming. And this time, it’s coming from within. The Green Creek Series is for adult readers. Now available from Tor Books. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Wolfsong TJ Klune, 2022-09-01 *Wolfsong* is the beginning of the Green Creek Series, the beloved fantasy romance sensation by New York Times bestselling author TJ Klune, about love, loyalty, betrayal, and family. “Wolfsong is so well written that I'm in awe of TJ Klune's talent.” —Charlaine Harris The Bennett family has a secret: They're not just a family, they're a pack. *Wolfsong* is Ox Matheson's story. Ox Matheson was twelve when his father taught him a lesson: Ox wasn't worth anything and people would never understand him. Then his father left. Ox was sixteen when the energetic Bennett family moved in next door, harboring a secret that would change him forever. The Bennetts are shapeshifters. They can transform into wolves at will. Drawn to their magic, loyalty, and enduring friendships, Ox feels a gulf between this extraordinary new world and the quiet life he's known, but he finds an ally in Joe, the youngest Bennett boy. Ox was twenty-three when murder came to town and tore a hole in his heart. Violence flared, tragedy split the pack, and Joe left town, leaving Ox behind. Three years later, the boy is back. Except now he's a man – charming, handsome, but haunted – and Ox can no longer ignore the song that howls between them. The Green Creek Series is for adult readers. Now available from Tor Books. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Brothersong TJ Klune, 2022-09-01 *Brothersong* is the fourth and final book in the Green Creek Series, the beloved fantasy romance sensation by New York Times bestselling author TJ Klune, about love, loyalty, betrayal, and family. “Complex and startling... Green Creek is the perfect setting.” —Charlaine Harris The Bennett family has a secret: They're not just a family, they're a pack. *Brothersong* is Carter Bennett's story. In the ruins of Caswell, Maine, Carter Bennett learned the truth of what had been right in front of him the entire time. And then it—he—was gone. Desperate for answers, Carter takes to the road, leaving family and the safety of his pack behind, all in the name of a man he only knows as a feral wolf. But therein lies the danger: wolves are pack animals, and the longer Carter is on his own, the more his mind slips toward the endless void of Omega insanity. But he pushes on, following the trail left by Gavin. Gavin, the son of Robert Livingstone. The half-brother of Gordo Livingstone. What Carter finds will change the course of the wolves forever. Because Gavin's history with the Bennett pack goes back further than anyone knows, a secret kept hidden by Carter's father, Thomas Bennett. And with this knowledge comes a price: the sins of the fathers now rest upon the shoulders of their sons. The Green Creek Series is for adult readers. Now available from Tor Books. At the Publisher's request, this title is being sold without Digital Rights

Management Software (DRM) applied.

Heartsong TJ Klune, 2022-09-01 Heartsong is the third book in the Green Creek Series, the beloved fantasy romance sensation by New York Times bestselling author TJ Klune, about love, loyalty, betrayal, and family. "Complex and startling... Green Creek is the perfect setting." —Charlaine Harris The Bennett family has a secret: They're not just a family, they're a pack. Heartsong is Robbie Fontaine's story. All Robbie Fontaine ever wanted was a place to belong. After the death of his mother, he has bounced around from pack to pack, forming temporary bonds to keep from turning feral. It's enough—until he receives a summons from the wolf stronghold in Caswell, Maine. Life as the trusted second to Michelle Hughes—the Alpha of all—and the cherished friend of a gentle old witch teaches Robbie what it means to be pack, to have a home. But when a mission from Michelle sends Robbie into the field, he finds himself questioning where he belongs and everything he's been told. Whispers of traitorous wolves and wild magic abound—but who are the traitors and who the betrayed? More than anything, Robbie hungers for answers, because one of those alleged traitors is Kelly Bennett, the wolf who may be his mate. The truth has a way of coming out. And when it does, Robbie will learn that packs and homes can disappear in an instant. The Green Creek Series is for adult readers. Now available from Tor Books. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
