

Married Couple Romance Novels

Booklovers Library

Amazing Grace for Married Couples Cavins Jeff Pinto Matthew Armstrong Patt,2005-09 Amazing Grace for Married Couples will deepen your commitment to marriage like no other book. This is a collection of inspiring stories about renewed relationships that were once on the brink of disaster. While most people would have written these couples off as hopelessly incompatible, through the grace of God, they overcame seemingly insurmountable obstacles. As a result, every couple is more in love today than they were on their wedding day. In this book, you will experience how God's grace healed: ? A marriage that began lovingly but quickly sputtered out when the young wife became addicted to gambling. ? A wife whose addiction to romance novels undermined her relationship with her family and led to much heartbreak. ? A man and wife who discovered they had both been unfaithful to each other. When their lack of trust in each other turned them into virtual strangers, divorce seemed the only option.

The Man I Know DAISY. JANE,2023-04-07 I walked in on my husband and heard three words no wife wants to hear. Let me explain. Only... it's not what you think. Or... what anyone would think. What I caught him doing... What he wants... I'm scared. But a little fear is healthy, right? The Man I Know is a married couple standalone. You won't find a third act break-up, babies in the epilogue or a ton of angst. Instead, this story centers around a happily married couple (with children) who discover, after years of marriage, that one of them needs more. Low-angst and high steam, the plot centers around deepening an already healthy relationship. Author's Note: Please visit the reading guide on the author's website for all content warnings and other information. For Adult Readers.

The Bitter Side of Love Vallerian M. Wisdom,2012-11 Love in a marriage is often expected to bear only the sweet fruits. Nevertheless, every married couple can testify that disappointment is unavoidable and bitter. At this point, throwing in the towel seems to be the only solution, but those who have lived to witness victory can tell a different story. This book takes us through a couple whose marriage had hit a hard rock. However, one spouse's commitment to God through pain, temptations, and despair won her husband back and restored their marriage. If you care for your marriage, be daring enough to read this book. Your marriage is not beyond repair, because God is here to turn that bitter experience into something better!

Romance Fiction and American Culture William A. Gleason,Eric Murphy Selinger,2017-05-15 Since the 1970s, romance

novels have surpassed all other genres in terms of popularity in the United States, accounting for half of all mass market paperbacks sold and driving the digital publishing revolution. *Romance Fiction and American Culture* brings together scholars from the humanities, social sciences, and publishing to explore American romance fiction from the late eighteenth to the early twenty-first century. Essays on interracial, inspirational, and LGBTQ romance attend to the diversity of the genre, while new areas of inquiry are suggested in contextual and interdisciplinary examinations of romance authorship, readership, and publishing history, of pleasure and respectability in African American romance fiction, and of the dynamic tension between the genre and second wave feminism. As it situates romance fiction among other instances of American love culture, from Civil War diaries to Bob Dylan's *Blood on the Tracks*, *Romance Fiction and American Culture* confirms the complexity and enduring importance of this most contested of genres.

Extra Innings Maren Lee, Jess Bryant, 2020-06-08 When Deacon Callahan asked his wife Lily to marry him when they were eighteen years old, he only wanted three things: Lily by his side forever, a career in professional baseball and a family. Now at twenty-eight, he's a veteran in the league. He and Lily are married, but they haven't been able to conceive and the stress has put a strain on their marriage that's making it crumble. When Lily Callahan said 'yes' to Deacon all those years ago, she couldn't wait to spend her life by his side, cheering him on and raising their family. But she didn't count on not being able to have children. And she didn't count on always coming in second to baseball. Deacon is rarely ever home and when they are together, they're just going through the motions. Lily is fed up and ready to call it quits when a surprise rocks her world. Can Deacon show Lily that she's number one in his life before it's too late? Can they save their relationship? Or are they just waiting for the clock to run out on their happily ever after?

The Married Couple's Bible Study Krys McDonald, 2023-01-17 Strengthen your marriage through Scripture All marriages take effort and intention—and studying Scripture together can provide the guidance you need to thrive at every stage of your relationship. Whether you're going through a challenging time or just looking to grow even closer, this inspiring Bible study shows you how to make your relationship and your faith a priority. Over the course of twelve weeks, you'll deepen your bond with each other while ensuring that God remains at the center of your marriage. Created for busy couples—Carving out time for the Lord is easy; weekly studies consist of three scripture passages, reflective prompts, and prayers you can do together in 15 to 20 minutes. Explore common challenges—Find deeper meaning in God's Word with thoughtful commentary that speaks to issues all married couples face, from establishing good communication to remaining faithful. Lessons for life—Apply the Lord's teaching to your everyday life through engaging activities that ask you to celebrate each other, practice active listening, foster intimacy, and more. Grow closer to your spouse and to the Lord with The Married Couple's Bible Study .

Remain Faithful Kenneth O. Peterman, 2008-06 With this book you can . . . Strengthen your marriage by implementing

biblical principles. .Repair 'rocky' marriages regardless of the severity of the problem - even unfaithfulness. Using biblical principles in this book, you can . . . Learn the importance of forgiveness. Minister to your spouse with positive results. Stay married even in the worst of times. Repair a broken relationship. Understand why divorce is never the answer. Shield your marriage from moral weakness. Deal with moral weakness in a spouse. Emphasize the importance of child rearing. Kenneth O. Peterman has been a Christian counselor since 1967. He also served as a pastor, a Bible college instructor and the Program Director for one of the largest drug rehabilitation centers in Baltimore, Maryland. Dr. Peterman earned a B.S. in Bible from the Philadelphia Biblical University, a Th.M. from Dallas Theological Seminary, and a Ph.D. from California Graduate School of Theology. He has also written *You Can Improve Family Communication*. He and his wife, Evie, live in Baltimore, Maryland, and are the parents of two children.

I thoroughly enjoyed falling into the story! I loved it! Just what I was wanting on a lovely Fall evening...

Witches, Isis and Narrative Stavros Frangoulidis, 2008-11-06 This is the first in-depth study of Apuleius' *Metamorphoses* to look at the different attitudes characters adopt towards magic as a key to deciphering the complex dynamics of the entire work. The variety of responses to magic is unveiled in the narrative as the protagonist Lucius encounters an assortment of characters, either in embedded tales or in the main plot. A contextualized approach illuminates Lucius' relatively good fortune when compared to other characters in the novel – this results from his involvement with the magic of a sorcerer's apprentice, rather than that of a real witch, and signals the possibility of eventual salvation. A careful investigation of Lucius' attitude towards Isis in book 11 and his relationship with the witch-slave girl Photis earlier on suggests that the novel's final book may be read as a second *Metamorphoses*, consciously rewritten from a positive perspective. Last but not least, the book also breaks new ground by examining the narrative structure of the *Metamorphoses* against the background of the typical plotline found in the ideal romance. The comparison shows how Apuleius both follows

and alters this plot, exploiting the genre to his own specific ends, in keeping with his central theme of metamorphosis.

Still Reading Romance Josefine Smith, Kathleen W. Taylor Kollman, 2025-04-01 In a world that commodifies feminism, is adapting romance novels for small and big screen projects, and the Romance Writers Association is evolving to a more inclusive representative group, it is imperative for researchers to reevaluate the cultural assumptions and gender norming work happening in the romance genre. It is time to question the cultural capital of traditional archetypes, explore the experience of romance readers, and question how romance and cultural studies researchers create quantitative, qualitative, and mixed methods research. This work centers around a data set collected with a revised version of Janice Radway's Reading the Romance survey that will be shared with all the authors of this anthology. By having access to this pool, authors will have the opportunity to explore different elements of reader experience and cultural norms in romance fiction, and potentially reflect on changes since Janice Radway's seminal work. The norms and negotiations readers experience while consuming romance is especially interesting as romancelandia becomes a more mainstream part of popular culture with the popularity of Bridgerton and romance series like Ice Planet Barbarians exploding on BookTok. No other book in romance or popular culture studies identifies a data set as the connecting element, and to do so creates an exciting opportunity to create a more inclusive study of popular romance, offer truly interdisciplinary research on the question of how readers read romance, and generate diverse areas of future scholarship. This edited volume explores multiple issues in romance fiction, based on survey data from real romance readers. An updated version of Janice Radway's influential survey looking at romance readers in the early 1980s, this time scholars explore romance readers' habits and attitudes in the twenty-first century. Each contributor in this volume uses the same survey data to make unique statements about gender, intersectionality, popular fiction, and popular culture. By using a common data set but approaching it from different perspectives, this unique volume is able to apply multiple methodologies to the same subject.

Forever Soul Ties Vanessa Davis Griggs, 2012-01-01 When one woman is caught in the act of her greatest transgression, it's the beginning of her greatest transformation. . . It started innocently: a coincidental meeting between old high school friends--first loves--at Butterfly's business, The Painted Lady Flower Shop. Then came lunch, then confessions of unhappy marriages, loneliness. It went on that way for years between Butterfly and Ethan. That's how they built the soul tie--the bond that, despite their devotion to God, has now led to adultery. And as with all things done in secret, they've been found out. Well, Butterfly has. As a leader in her church, Butterfly is suddenly cast into the spotlight. But she soon realizes she's being used as a pawn to bring down a new pastor--a young man who is upsetting tradition by preaching about real-life issues real people deal with. People like Butterfly. And as she faces a challenging search for truth, forgiveness, and the real meaning of love, she may finally break out of her cocoon. . . There are enough tears, hugs, and lessons learned before summer's over to appease readers, young and adult, who like a good dose of faith with their fiction. --Publishers Weekly on Ray of Hope Griggs

address[es] the challenges of living by Biblical rules with homespun humor. Fans will be pleased. --Publishers Weekly on *The Truth Is the Light* A smart novel that addresses an issue that many in the church shy away from--divorce--with frank realism. --Library Journal on *Practicing What You Preach* Vanessa's rich stories of faith in action always hit the writing trifecta--they make you laugh, cry, and yearn for more. --Angela Benson, National bestselling author I absolutely love Vanessa's unique writing style. She is one of a kind. --Mary Monroe, New York Times bestselling author

Modern Love David Shumway, 2003-08 "My ideas of romance came from the movies," said Woody Allen, and it is to the movies—as well as to novels, advice columns, and self-help books—that David Shumway turns for his history of modern love. *Modern Love* argues that a crisis in the meaning and experience of marriage emerged when it lost its institutional function of controlling the distribution of property, and instead came to be seen as a locus for feelings of desire, togetherness, and loss. Over the course of the twentieth century, partly in response to this crisis, a new language of love—"intimacy"—emerged, not so much replacing but rather coexisting with the earlier language of "romance." Reading a wide range of texts, from early twentieth-century advice columns and their late twentieth-century antecedent, the relationship self-help book, to Hollywood screwball comedies, and from the "relationship films" of Woody Allen and his successors to contemporary realist novels about marriages, Shumway argues that the kinds of stories the culture has told itself have changed. Part layperson's history of marriage and romance, part meditation on intimacy itself, *Modern Love* will be both amusing and interesting to almost anyone who thinks about relationships (and who doesn't?).

The Rock Star's Email Order Bride Demelza Carlton, A mail order bride and a rock god: can they make fairy tales come true? In the final year of her business degree, Phuong has her future all mapped out. Finish studying, then go home and save her family's business. Until her father dies and it all falls apart. Broke and jobless, she stumbles on a solution: find herself an Australian husband. Fast. She's not looking for love - Phuong doesn't believe in fairy tales. Her marriage will be a business deal, pure and simple. But when she meets her husband-to-be and discovers he's a reclusive rock star living at Romance Island Resort, maybe it's time to believe a girl can live happily ever after. A tiny taste of what's in store: Idly, she clicked on one of the unread messages from some other man whose profile was a sculpted, headless torso, like something cropped from the cover of a romance novel. Mr Six-Pack's message was short: I'm looking for a woman who knows all fairy tales are lies, but who still hopes one might come true. Reflexively, Phuong clicked on his profile. Mr Six-Pack was a gym junkie, he admitted, who went by the name of Lucky Jason. He worked on a remote island, but it was lonely and he wanted to share his living accommodation with someone who could brighten the darkness at night. Or so he said. She laughed softly before clapping a hand over her mouth at the thought that she might wake Norman. His snores continued, like he was sawing down a tree with his nose in his sleep, so she breathed a sigh of relief and returned to ogling Jason's abs. Desire flooded through her for the first time in months. She hit the reply button. Which fairy tale did you have in mind, and which character are you?

The big bad wolf, the woodcutter or Prince Charming? Before she could think better of it, she sent the message. The response came back almost instantly: What would you like me to be? I can cut down everyone keeping you from me, carry you off to my castle like Prince Charming, then turn into the big bad wolf and eat you all up until you scream for joy. That only happens in books, she whispered to herself, then typed the words and fired them off. Lucky Jason had an answer for that, too: One day, some romance author will write books about us and a million lonely women will crave the sort of sex you only have to ask for. Arrogant much? No one's that good. What if I'm after Prince Charming, a man who loves me, listens to me and wants to take care of me, and I'm not interested in sex? Prince Charming is a prick who'll smother you and turn jealous if you look at anyone else. He'll lock you in a tower and never let you out. And he wouldn't know what to do with his own c*ck, let alone your body. Prince where-do-I-put-my-prick. That's not me, babe. No? You don't get jealous? What do you do when your girl looks at another man? Grin and wink at the guy while my arm's around her. He'll never be me and never have what I do, but that's cool. Not everyone's as awesome as me. Let me show you, babe. Romance Island Resort series This is the second book in the Romance Island Resort series, which includes: Maid for the Rock Star (#1)The Rock Star's Email Order Bride (#2)The Rock Star's Virginity (#3)The Rock Star and the Billionaire (#4)The Rock Star Wants A Wife (#5)The Rock Star's Wedding (#6)Maid for the South Pole (#7) Keywords: Keywords: new adult, new adult rock star romance, rock star romance series, small town bride romance, small town romance series, island romance series, australian romance series, mail order bride romance

The American Bookseller ,1891

The Formulas of Popular Fiction Anna Faktorovich,2014-09-22 This book creates a taxonomy for the major bestselling fictional genres: romance (e.g., authors Heyer, Cartland, Woodiwiss and Roberts), religious and inspirational (Corelli and

Douglas), mystery and detective (Conan Doyle, Christie and Mankell), and science fiction, horror and fantasy (Wells, Tolkien, Orwell, Niven, King and Rowling). Chapters look at a genre from its roots to its most recent works. The structural patterns in the plot, characters and setting of these genres are then explained. The book also provides a critique of currently popular hyper-formulaic, hack, unliterary writings that have multiplied in recent decades. Special topics such as the publishing oligopoly and the resulting homogeneity among bestselling works and the steady movement from literary to unliterary fiction are also examined.

A Guide to the Best Fiction Ernest Albert Baker,1913

The American Novel 1870-1940 Priscilla Wald,Michael A. Elliott,Jonathan Arac,2014-02 Witnessing the end of a war that nearly terminated the nation, the abolition of racial slavery and rise of legal segregation, the rise of Modernism and Hollywood, the closing of the frontier and two World Wars, the literary historical period represented in this volume constitutes the crucible of American literary history. Here, 35 essays by top researchers in the field detail how considerations of race and citizenship; immigration and assimilation; gender and sexuality; nationalism and empire; all reverberate throughout novels written in the United States between 1870 and 1940. Contributors discuss the professionalization of literary production after the Civil War alongside legal and political debates over segregation and citizenship; while chapters on journalism, geography, religion, and immigration offer discussions on everything from the lasting role of literary realism in American fiction to the Spanish-American War's effect on developing theories of aesthetics and popular culture. The volume offers thorough coverage of the emergence of serial fiction, children's fiction, crime and detective fiction, science fiction, and even cinema and comics, as new media and artistic revolutions like the Harlem Renaissance helped usher in the new international aesthetic movement of Modernism. The final chapters in the volume explore the relationship of the novel to the emergence of American literature as a category in the academy, in public criticism and journalism, and in mass culture.

Married Couple Romance Novels Introduction

In today's digital age, the availability of Married Couple Romance Novels books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Married Couple Romance Novels books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Married Couple Romance Novels books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Married Couple Romance Novels versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Married Couple Romance Novels books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources

provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Married Couple Romance Novels books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Married Couple Romance Novels books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for

students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Married Couple Romance Novels books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Married Couple Romance Novels books and manuals for download and embark on your journey of knowledge?
