**War Wisdom** Christian P. Potholm, 2015-10-16 War Wisdom: A Cross Cultural Sampling is a unique combination of directory and analysis. It provides a relevant “universe” of quotations, together with their authors, about war from various ages and across a large number of societies including those found in China, Japan, Persia, Mongolia, Europe, and America (both North and South), as well as Native American nations and Africa. A lengthy introductory essay presents and analyzes a dozen relevant themes found throughout those cultures, themes which show a pattern of very widespread, if not universal, appeal. Of particular relevance is the author’s engagement with the conflicting wisdom pertaining to war found within the same society as well as common themes appearing across cultures, societies, and time frames.

*The First Lady of World War II* Shannon McKenna Schmidt, 2023-05-02 The first book to tell the full story of Eleanor Roosevelt's unprecedented and courageous trip to the Pacific Theater during World War II. On August 27, 1943, news broke in the United States that First Lady Eleanor Roosevelt was on the other side of the world. A closely guarded secret, she had left San Francisco aboard a military transport plane headed for the South Pacific to support and report the troops on WW2's front lines. Americans had believed she was secluded at home. As Allied forces battled the Japanese for control of the region, Eleanor was there on the frontlines, spending five weeks traveling, on a mission as First Lady of the United States to experience what our servicemen were experiencing... and report back home. The most remarkable journey any president's wife has ever made. —Washington Times-Herald, September 28, 1943 Mrs. Roosevelt's sudden appearance in New Zealand well deserves the attention it is receiving. This is the farthest and most unexpected junket of a First Lady whose love of getting about is legendary. —Detroit Free Press, August 28, 1943 By a happy chance for Australia, this famous lady's taste for getting about, her habit of seeing for herself what is going on in the world, and, most of all, her deep concern for the welfare of the fighting men of her beloved country, have brought her on the longest journey of them all—across the wide, war-clouded Pacific. —Sydney Morning Herald, September 4, 1943 No other U.S. mother had seen so much of the panorama of the war, had been closer to the sweat and boredom, the suffering. —Time, October 4, 1943

**The Rise and Fall of Franklin Delano Roosevelt** Robert Underhill,2012 Meanwhile, totalitarian leaders in Germany and Italy encouraged huge rearmaments programs and began encroaching upon neighboring governments. Austria, Czechoslovakia, Hungary, Romania, and smaller nations were taken over by Nazis, thereby adding to a Reich which der Fuhrer (the leader) and his cohorts claimed would last a thousand years. Driven by that zeal, the German Wehrmacht (armed forces) in 1939 invaded Poland, and another World War was begun. Roosevelt and his interactions with Churchill, who was urgently seeking U.S. assistance -- while the American population wanted no part in another war --

**The Borrowed Years, 1938-1941** Richard M. Ketchum,1991 Re-creating the consciousness of America from 1938-1941, *The Borrowed Years* skillfully mingles the personal with the cataclysmic. It begins with a new generation of journalists-- Murrow, Shirer, Severeid--bringing us the faraway voices of men named Chamberlain, Churchill, and Hitler, and tellsolationism and the woeful weakness of the U.S. military during that borrowed time when America lost its innocence. 20 photographs and 5 maps.

**The Pacific Campaign in World War II** William Bruce Johnson,2006-05-02 This is a fascinating new account of how diplomacy and politics gave way to military strategy and warfare in the Pacific. Presenting previously unpublished documents this book freshly examines the key events in the fight for the Pacific.

**American Commando** John F. Wukovits,2009 Provides an account of how Lieutenant Colonel Evans Carlson helped lay the foundation for Special Forces in the modern military through his leadership of the 2nd Raider Battalion in the jungles of Guadalcanal during World War II where he and his troops employed guerilla tactics against an entrenched Japanese force to disrupt their supply chain, inflict combat defeats, and gather valuable intelligence.

*American Women During World War II* Doris Weatherford,2009-10-16 *American Women during World War II* documents the lives and stories of women who contributed directly to the war effort via official and semi-official military organizations, as well as the millions of women who worked in civilian defense industries, ranging from aircraft maintenance to munitions manufacturing and much more. It also illuminates how the war changed the lives of women in more traditional home front roles. All women had to cope with rationing of basic household goods, and most women volunteered in war-related programs. Other entries discuss institutional change, as the war affected every aspect of life, including as schools, hospitals, and even

religion. American Women during World War II provides a handy one-volume collection of information and images suitable for any public or professional library.

*FDR* Jean Edward Smith, 2008-05-13 NATIONAL BESTSELLER - A model presidential biography... Now, at last, we have a biography that is right for the man - Jonathan Yardley, The Washington Post Book World One of today's premier biographers has written a modern, comprehensive, indeed ultimate book on the epic life of Franklin Delano Roosevelt. In this superlative volume, Jean Edward Smith combines contemporary scholarship and a broad range of primary source material to provide an engrossing narrative of one of America's greatest presidents. This is a portrait painted in broad strokes and fine details. We see how Roosevelt's restless energy, fierce intellect, personal magnetism, and ability to project effortless grace permitted him to master countless challenges throughout his life. Smith recounts FDR's battles with polio and physical disability, and how these experiences helped forge the resolve that FDR used to surmount the economic turmoil of the Great Depression and the wartime threat of totalitarianism. Here also is FDR's private life depicted with unprecedented candor and nuance, with close attention paid to the four women who molded his personality and helped to inform his worldview: His mother, Sara Delano Roosevelt, formidable yet ever supportive and tender; his wife, Eleanor, whose counsel and affection were instrumental to FDR's public and individual achievements; Lucy Mercer, the great romantic love of FDR's life; and Missy LeHand, FDR's longtime secretary, companion, and confidante, whose adoration of her boss was practically limitless. Smith also tackles head-on and in-depth the numerous failures and miscues of Roosevelt's public career, including his disastrous attempt to reconstruct the Judiciary; the shameful internment of Japanese-Americans; and Roosevelt's occasionally self-defeating Executive overreach. Additionally, Smith offers a sensitive and balanced assessment of Roosevelt's response to the Holocaust, noting its breakthroughs and shortcomings. Summing up Roosevelt's legacy, Jean Smith declares that FDR, more than any other individual, changed the relationship between the American people and their government. It was Roosevelt who revolutionized the art of campaigning and used the burgeoning mass media to garner public support and allay fears. But more important, Smith gives us the clearest picture yet of how this quintessential Knickerbocker aristocrat, a man who never had to depend on a paycheck, became the common man's president. The result is a powerful account that adds fresh perspectives and draws profound conclusions about a man whose story is widely known but far less well understood. Written for the general reader and scholars alike, FDR is a stunning biography in every way worthy of its subject.
