Song of the Road Dorothy Garlock, 2024-09-24 A poor, pregnant widow finds love and new hope when she fixes up her family's roadside motel in this historical romance by a New York Times bestseller. [An] engaging Depression-era romance. . . . this sweet romance is a treat, buoyed by strong characters and Garlock's old-fashioned, no-nonsense storytelling. — Publishers Weekly By 1935, countless vehicles had traversed Route sixty-six, their hum creating a uniquely American song. Most were heading west—but roads go in two directions, and in Dorothy Garlock's riveting third novel featuring Route sixty-

six, the fabled highway is one that leads home . . . It's just a string of rundown cabins on a stretch of New Mexico highway. But returning to Cross Roads widowed, broke, and pregnant, Mary Lee Clawson knows her dad's motor court is a godsend. With steely resolve, she sets out to rebuild the failing business and discovers she has to fight more than foreclosure. There's her mother, Dolly—disinherited, angry, and whiskey-soaked—not to mention her disreputable friends. Still, Mary Lee wins champions: kind neighbors, a thirteen-year-old drifter who would die for her, and Jake Romero, a man with a past whose disarming green eyes awaken emotions she has never felt before. Filled with new hope and braving new challenges, Mary Lee must trust her heart to claim what is hers on Route sixty-six.

A Song to Die For Mike Blakely, 2014-11-18 A rousing tale mixing love, music, and mystery from Spur Award-winning author Mike Blakely. It's 1975 and guitarist and singer/songwriter Creed Mason hopes to ride the new wave of Texas-style, Austin-based country music all the way back to the big time. A one-hit wonder whose Nashville career was cut short by a trip to Vietnam, Creed is desperate to get back into the business. His break arrives when a country legend, Luster Burnett, comes out of a fifteen-year retirement for one last album and tour in order to pay off a huge debt to the I.R.S. As Luster's new guitarist and band manager, Creed jumps at the chance of a lifetime. Rosa Martini, a beautiful young mob princess from Las Vegas, is found dead just outside of Austin. Texas Ranger Captain Hooley Johnson looks into the case, only to find a second young woman murdered—a friend of Rosa's. To complicate things, Rosa's adoptive brother, mob hit man Franco Martini, is spotted nosing around Austin in the wake of the murders. Soon it appears to Johnson, and to Creed, that the mob-related murders and the band are somehow connected. When the band wins an unexpected booking at the biggest casino in Vegas, Creed begins to wonder what kind of contract his band is being set up for—a major-label recording deal, or a mob hit?

For a Song Rodney Morales, 2016-09-30 Set in Honolulu during the late spring of 2007, Rodney Morales's *For a Song* melds actual events into an edgy detective novel that evokes contemporary Hawai'i as a place where the hauntingly beautiful and the hauntingly tragic too often intersect. Against a backdrop of political scandal and police corruption, the richly complex plot is driven by true-to-life characters and crisp dialogue. David "Kawika" Apana is a reporter turned private detective who has hit rock bottom. Divorced and broke, his career is revived when he hits it big in a game of high stakes poker and trades in his winnings for a boat, which becomes his new home and office. His first client is a vivacious middle-aged blonde, Minerva Alter, who hires him to find her missing daughter, Caroline "Kay" Johnson, an activist and budding

filmmaker. Apana is startled to learn that Minerva was once married to Lino Johnson, a petty criminal brazenly gunned down in Honolulu's Chinatown eighteen years earlier—an unsolved murder he had covered during his reporter days. In his investigation, Apana encounters a curious mix of cops, Federal agents, politicians, union officials, ragtag criminals, whistleblowers, stage actors, screen directors, triathletes, as well as Kay's also-missing boyfriend, lawyer turned lifeguard Matthew Serrano. Apana's pursuit of leads takes him all over O`ahu: from the metro downtown area, to the Windward and Leeward coasts, to the fabled North Shore, and to places far beyond. It also takes him back in years as he revisits the Lino Johnson murder and discovers how much he had missed the first time around.

Turbo Michel Prince, Wren McCabe, 2022-08-11 In book eleven of The Steel MC Montana Charter: Porsche 'Turbo' DeGrassa isn't one to sit still. While she's always up for a challenge or a new project, she tends to take them on without ever completing anything. Never in her life has she had a place become more than a pass through to the next adventure, and yet, she's now five years into living with the Steels in Montana and itching to find something or someone to finally keep her from spinning like a top through life. For months now, Michael 'Bugs' Hanover, has been wondering why his daughter had become distant. The ordinarily bubbly eight-year-old now is reserved and quiet. When he discovers the unthinkable at pick up, he snaps, sending his daughter and him on a cross-country trek to hide out with former SEAL Thomas 'Hack' Creek and regroup. His daughter's safety and future are his only concern. While justified by all rights to the wrong he committed, the law may see it differently. The last thing he needs is a stunning woman connecting with his daughter and him when the stop was supposed to be a harbor in a storm. A wild woman, much like his ex that didn't keep his daughter safe, was now the one the little girl ran to for comfort. For Porsche, stepping in with a broken child cannot be a temporary project abandoned for the next fun opportunity. While Michael needs to move on, Turnabout Creek offers him a life after service if he can find a way to stay out of prison. Will he strive to stay one step ahead of the law? Or will he fight for what is right and the chance to be with the Turbo charged woman dancing her way into his life? Trigger Warning : Child Sex Abuse Discussed

Now for the Disappointing Part Steven Barker, 2016-11-01 True stories from the world of temporary employment for anyone terrified of being stuck in a job they hate. When Steven Barker was twelve, his father, in pursuit of the American Dream, moved the family from Canada to Connecticut, having worked his way up from an IBM mailroom to landing a vice president position in a top computer factory. Steven, in contrast, has followed the philosophy of "quit everything until you find something you don't want to quit," and has spent over fifteen years as a contract employee, a demographic that has come to make up 2 percent of the nation's work force. *Now for the Disappointing Part* is the first collection of essays written for the temp workers of the millennial generation—those who, by choice or circumstance, delay or abandon plans for long-term careers for the variety (and anxiety) of contract work. Funny, insightful, and sometimes shocking, Barker details his life moving from job to job as his contracts expire. He faces abuse as an account manager at Amazon when callers assume he's in India. He learns about office politics at a nonprofit. And he attends an open call at UPS for holiday help. The chapters explore issues ranging from financial instability to how gender and race play into the workforce to the (often poor) treatment temporary employees receive compared to full-time employees performing the same job. Throughout Barker also reveals his parallel relationships with women, which, like the jobs he works, appear to have predetermined expiration dates. *Now for the Disappointing Part* is more than the stories of a man who thinks life is too short to spend forty hours a week doing something you hate. It will resonate with a generation of people who are struggling to find work, stability, and happiness, and are afraid of losing all of them.

Seduced Nelson George, 1997-01-21 [A] smart, funny, and wonderfully resonant novel . . . It's the 1980s, and aspiring songwriter Derek Harper is a man easily seduced. Not only do the Big Three *money, fame, and women *keep him running, but Harper falls prey to subtler forms of seduction as well: the ease of rationalizing bad behavior, abdicating responsibility, and keeping the whole world at arm's length. All these issues are brilliantly interwoven with a behind-the-scenes look at the music industry, particularly the evolution of rap. *Los Angeles Times Book Review *Seduced* is at its most compelling when author Nelson George delves into the differences between life in the projects and the middle-class heaven of St. Albans and

how it evolved over thirty years. . . . George's style is, well, seductive, luring the reader into a world that takes in the range of black experience funneled through the music industry. *St. Petersburg Times Seduced shows Nelson George at the top of his game doing what he does best: zinging the black music biz. The road chapters alone have enough shrill wit, stabbing satire, and tight accuracy to parallel the life of anyone who's ever been out there during the Reagan-stressed '80s. *Houston Chronicle In Seduced, Nelson keeps it real. This is a sex story, a New York story, and a music biz story rolled into one, starring a humble, beautifully average middle-class dreamer, who's not unlike a male version of a Terry McMillan heroine.

From superstars like Prince and Sade to production geniuses like Kashif and Jam & Lewis, it tells the fascinating stories of the artists involved and how they made some of the best-loved records of the era - creating a blueprint for music today.

Sorry, Not for Sale Urmila Bhargava,2011-02 In India, what good is honesty and integrity if it doesn't make you rich? The first requisite of a businessperson in India is to have a lot of greed and love for money to the exclusion of everything else in life. Along with this, one should be prepared to sacrifice everything to achieve success in business, even basic things like self-respect, honor, and, of course, honesty have little or no place in it. Corruption has increased globally. Urmila Bhargava was born to an affluent family of lawyers in British, India. As a young married woman, she lived in the tea districts, enjoying a life of comfort. But all too soon she was repulsed by the unpalatable truth of the British elite that merit alone was not sufficient to achieve success in the corporate world, and that there were other considerations to get promotions. In 1976, after her husband's sudden demise, she became an instant entrepreneur in the field of recycling used oil-even though, at the time, she had no technical knowledge. From politicians to tea planters, government employees to friends and relations, Bhargava gives us an intimate and often startling view of life in India over the past fifty years. She shares with us the challenge of being a businesswoman of uncompromising standards, who, for more than two decades, singlehandedly fought corrupt practices in India-ultimately achieving success in her business, which, up till now, has been the domain of men.
