*August Gone, Massacra Nella Testa* Sparky Parks, 2006-07 There is no time but the one we are in. Maybe she is there and maybe she is somewhere else. A man can only lose his mind running through the ages and it leaves him in the middle of himself with nothing but time to recall the past. Somewhere between Europe and Africa and a lost sense of reality, a man walks in the world and remembers the time from whence he came, finding himself all alone and missing the ones he loves. Stan Funnel searches for the purpose of it all by running through the seasons, spilling all the noodles, while he waits for a

world that will not come to him. Travel with the mind of a schizophrenic who finds himself without a core and no home to come back to. Learn how to start all over again in August Gone.
