City of Song Michael A. Figueroa, 2022 Modern Jerusalem, a city central to Jewish, Muslim, and Christian religious imaginaries and the political epicenter of the Israeli-Palestinian crisis, is to put it mildly a highly contested space. More surprising, perhaps, is that its musical landscape not only reflects these rifts but also helped to define them as the ancient city transitioned to modernity during the twentieth century. In *City of Song: Music and the Making of Modern Jerusalem*, author Michael A. Figueroa argues that musical renderings of Jerusalem have been critical to the formation of Israeli political consciousness. The book demonstrates how Israeli songwriters helped to shape their public's territorial imagination--creating images of a city at once heavenly and earthly, that dwells in longing, that must not be forgotten, that compels one to bereave the dead, that represents the fulfilment of prophecy, and that is the site of immense cultural diversity. The dynamic history of its representation in lyrics and music helps dispel any notion that the Israeli-Palestinian crisis is timeless, intractable, and based on static, essential identities; while there are continuities across historical divides, radical change constantly transpires. *City of Song* combines analyses of musical meaning, political discourse, and public performance over the long twentieth century (1880s-2010) to reveal how the Israeli-Palestinian crisis' territorial fixation on Jerusalem has been constructed, historically contingent, and subject to artistic intervention in modernity. Through a musical history of Jerusalem,

Figueroa introduces a novel, humanities-centered approach to one of the world's most contested cities, and one of the defining cultural and political questions of our era.

Crooked River City Terry Wait Klefstad,2018-08-16 A pianist, arranger, and composer, William Pursell is a mainstay of the Nashville music scene. He has played jazz in Nashville's Printer's Alley with Chet Atkins and Harold Bradley, recorded with Johnny Cash and Patsy Cline, performed with the Nashville Symphony, and composed and arranged popular and classical music. Pursell's career, winding like a crooked river between classical and popular genres, encompasses a striking diversity of musical experiences. A series of key choices sent him down different paths, whether it was reenrolling with the

Air Force for a second tour of duty, leaving the prestigious Eastman School of Music to tour with an R&B band, or refusing to sign with the Beatles' agent Sid Bernstein. The story of his life as a working musician is unlike any other—he is not a country musician nor a popular musician nor a classical musician but, instead, an artist who refused to be limited by traditional categories. Crooked River City is driven by a series of recollections and personal anecdotes Terry Wait Klefstad assembled over a three-year period of interviews with Pursell. His story is one not only of talent, but of dedication and hard work, and of the ins and outs of a working musician in America. This biography fills a crucial gap in Nashville music history for both scholars and music fans.

A City Called Heaven Robert M. Marovich, 2015-03-15 In A City Called Heaven, Robert M. Marovich follows gospel music from early hymns and camp meetings through its growth into the sanctified soundtrack of the city's mainline black Protestant churches. Marovich mines print media, ephemera, and hours of interviews with artists, ministers, and historians--as well as relatives and friends of gospel pioneers--to recover forgotten singers, musicians, songwriters, and industry leaders. He also examines the entrepreneurial spirit that fueled gospel music's rise to popularity and granted social mobility to a number of its practitioners. As Marovich shows, the music expressed a yearning for freedom from earthly pains, racial prejudice, and life's hardships. Yet it also helped give voice to a people--and lift a nation. A City Called Heaven celebrates a sound too mighty and too joyous for even church walls to hold.
