Amy Winehouse 1983 - 2011, 2011-08-04 Amy Winehouse's recent death has made the news the world over, and despite her much publicised battle with drink and drugs her passing has left the music world in a state of true shock. At just 27 years of age she sadly joins a list of greats that died before their time, including Janis Joplin, Kurt Cobain and Jim Morrison. As fans gathered outside her Camden house at the weekend to pay tribute to the singer her icon music soared to the top of the charts not only in the UK but the USA and around the world. Never far from the headlines, stories about her tumultuous personal life, wild parties and controversial drug abuse regularly featured in the newspapers. But 2011 was supposed to be the comeback for the troubled singer and she looked to be on her way last Wednesday when she appeared alongside her God daughter Dionne Bromfield. An award-winning singer, Amy Winehouse, had won a host of accolades including two prestigious Ivor Novellos, and an outstanding 5 Grammys in 2008. Blending different music styles including jazz, pop and soul Amy had an army of fans committed to her unique approach to life. This remarkably well-researched biography traces the turbulent life of the tattooed wonder from her childhood pranks, through stage school and early music to the global legend she will be remembered as.

Why are We Reading Ovid's Handbook on Rape? Madeleine Kahn, 2015-12-03 Why Are We Reading Ovid's Handbook on

Rape? raises feminist issues in a way that reminds people why they matter. We eavesdrop on the vivid student characters in their hilarious, frustrating, and thought-provoking efforts to create strong and flexible selves against the background of representations of women in contemporary and classical Western literature. Young women working together in a group make surprising choices about what to learn, and how to go about learning it. Along the way they pose some provocative questions about how well traditional education serves women. Equally engaging is Kahn's own journey as she confronts questions that are fundamental to women, to teachers, to students and to parents: Why do we read? What can we teach? and What does gender have to do with it?

Your Worshipfulness, Princess Leia Jeff Ryan, 2024-05-04 YOUR WORSHIPFULNESS is the story of how a teenage Carrie Fisher created Star Wars's greatest character, Princess Leia. Leia began as little more than a damsel in distress, albeit one with cinema's most iconic hairstyle. Over three films, Carrie made her a complicated character, beloved the world over. Then Darth Vader died, the Ewoks danced, the credits rolled, and that was that. Carrie now had the rest of her life to live, stuck in Leia's shadow. What do you do after the whole world has seen you duct-taped into a metal bikini? Worse, what can you do when the secrets you've tried to hide about your inner life won't stay hidden? When you can't control the thoughts in your head? YOUR WORSHIPFULNESS has everything: money, sex, love, power, and romance. It's a story of addiction and mental illness, of recovery and fame, of friendship and motherhood, trying to be your best when you can only remember the worst.

Adaptation in Young Adult Novels Dana E. Lawrence, Amy L. Montz, 2020-09-03 Adaptation in Young Adult Novels argues that adapting classic and canonical literature and historical places engages young adult readers with their cultural past and encourages them to see how that past can be rewritten. The textual afterlives of classic texts raise questions for new readers: What can be changed? What benefits from change? How can you, too, be agents of change? The contributors to this volume draw on a wide range of contemporary novels - from Rick Riordan's Percy Jackson series and Megan Shepherd's Madman's Daughter trilogy to Jesmyn Ward's Salvage the Bones - adapted from mythology, fairy tales, historical places, and the literary classics of Shakespeare, Charles Dickens, Jane Austen, and F. Scott Fitzgerald, among others. Unpacking the new perspectives and critiques of gender, sexuality, and the cultural values of adolescents inherent to each adaptation, the essays in this volume make the case that literary adaptations are just as valuable as original works and demonstrate how the texts studied empower young readers to become more culturally, historically, and socially aware through the lens of literary diversity.

Words Don't Hurt Me: They Make Me Dr. Yolanda Fleurant, Ph.D,2022-07-11 A traumatic childhood experience causes a failed relationship with my parents and most of my siblings. When those who were supposed to nurture you, provide for you, love you, guide you, take care of you, make you feel comfortable instead choose otherwise and disappoint you, the end results can lead to destruction, shame, low self-esteem and/or failure. "The Lord shall fight for you, and ye shall hold your peace" (Exodus 14:14). The power of choice and having dreams had kept me going, kept me alive. While it is common to find people fixated on their history, the past, or on what other people had done to them, or said about them, none of these will really help you move forward. The good news for me is that my life has taught me a lot. Although there were plenty of things I could not control—like my parents' anger, the slapping, the beatings, the whooping, the pulling, the name-calling, the putting me down in front of others—I always find strength to remain in a standing position. I had always tried to choose what next best thing for me to do. I had also tried to heal those internal wounds by reading self-help books. By doing so, I had learned better ways to cope and deal with issues, learn to love, appreciate, respect, forgive, and deal with my siblings in a less emotional way. I also know that life will take the meaning that you give to it. I sometimes feel cheated by my parents. I especially think that way because one of the things that children do is to teach their parents, challenge them, and expand their lives. An opportunity or a time in my life I had never lived or even experienced. It all seems like a story of unfinished sentences, of suppressed embraces, of almost belonging, of stammered affection.

We All Live Here Jojo Moyes, 2025-02-11 The #1 New York Times bestselling author, whose books so many love, brings us a fresh, contemporary story of a woman and her unruly blended family “Nobody writes women the way Jojo Moyes does.” —Jodi Picoult Lila Kennedy has a lot on her plate. A broken marriage, two wayward daughters, a house that is falling apart, and an elderly stepfather who seems to have quietly moved in. Her career is in freefall and her love life is . . . complicated. So when her real dad—a man she has barely seen since he ran off to Hollywood thirty-five years ago—suddenly appears on her doorstep, it feels like the final straw. Peril & Prayer Olivia Matthews, 2018-06-26 How do you solve a problem like Marianna? This year's Advent retreat has been booked for the Congregation of the Sisters of St. Hermione of Ephesus at the pastoral Briar Coast Cabin Resorts in New York. But when the combative Sister Marianna practically loses her religion arguing over minor details with resort co-owner Autumn Tassler, Sister Louise “Lou” LaSalle blessedly steps in as peacemaker. Only days later, Autumn is found strangled in her office, and hot-headed Sister Marianna becomes the sheriff's deputies' prime suspect. They believe her missing scarf may be the murder weapon, but Sister Lou believes Sister Marianna's being framed. If she has a prayer of keeping Sister Marianna out of prison, she'll need to once again put her faith in her nephew Chris LaSalle and reporter Shari Henson to help her solve the case. As the trio tries to cross suspects off the list, Sister Lou has no choice but to stick her neck out—if she's going to unveil who was desperate enough to resort to murder . . .

Straight to the Heart of Isaiah Phil Moore, 2016-05-20 More than any other book in the Old Testament, Isaiah reveals the depth of God's character, the depth of the Gospel and the depth of God's great plan for world history. Isaiah wants us to know that God is holier than we think (Isaiah 1-12), and to warn us that God is sterner than we think (Isaiah 13-35). And yet, he also wants to reassure us that God is stronger than we think (Isaiah 40-55), and to call us to action because God is closer than we think (Isaiah 56-66). Isaiah wants his prophecies to kill off our small-minded ideas about God: He wants to open our eyes to the Holy One of Israel; to stretch our minds and blow our senses with the reality of God. Isaiah has good news: God is far bigger than we think. *Straight to the Heart of Isaiah* is one of a series of devotional commentaries which allows people to get to grips with each book of the Bible one bite at a time. Each book contains 60 punchy and relevant chapters, crammed with fascinating and accessible scholarship.

The iPINIONS Journal Anthony Livingston Hall, 2019-02-27 Current Events Hall takes aim at the global events of 2018 with a unique and refreshing perspective. Topics in this volume include the following: • President Trump displaying brazen hypocrisies—"Complaining about Trump's hypocrisy is like complaining about a prostitute's promiscuity." • The Catholic Church covering up sins of pedophile priests—"These putative men of God cannot believe God exists. They must reason that, if he did, he would have stopped priests from systematically abusing children long ago. After all, what God would allow a criminal sex cult to flourish as a holy church in his name?" • Tiger Woods failing to win another major—"Tiger is becoming to PGA players what Hugh Hefner became to LA players: the most popular guy in the game who everyone knows can't do it anymore." • Caribbean leaders condemning "shithole" Trump—"Haitian migrants pose a heavy, unsustainable burden for the relatively small and poor countries of the Caribbean. This explains why, even though none have called Haiti a shithole, some Caribbean leaders have treated Haitians like shit." • Meryl Streep hailing Harvey Weinstein as "God"—"That she said this is as much an indication of how far Weinstein has fallen from grace as it is an indictment of how much even Streep was

beholding to his power and influence.” • Europeans doing more than Africans to solve Africa’s migrant crisis—“Only a symbiosis of European colonial guilt and African umbilical dependence explains why.” • Research showing the health benefits of bread—“No less an authority than the Bible decreed that bread and water are the staff of life. Which is why I hereby curse Atkins and his spawn of ketogenic false prophets in the name of God.” • Trump continuing bromance with Putin despite bipartisan criticism—“Trump is behaving like a teenage girl who was reprimanded by her parents for sneaking out for a booty call with a notorious bad boy. And she responds by sneaking that bad boy into her bedroom . . . and ends up pregnant.”
