The Emerging Church, Millennials, and Religion: Volume 2 Terry Shoemaker, Rachel C. Schneider, Xochitl Alvizo, 2022-03-01 Millennials and progressive Christians are continuing their work of creating alternative spaces for spiritual and religious expressions in North America. The practices and beliefs of progressive Christian movements like the emerging church and millennials, who tend toward spirituality over and against religion, have been the targets of much criticism. Yet millennials and progressive Christians continue to both curate spaces for self- and collective expression while also engaging within contexts often critical or hostile. This collection analyzes these movements from theological, religious-studies, and social-scientific perspectives to provide a more holistic view of what is taking shape in religious and spiritual trends, and it ventures to project what may lie ahead for the progressive Christianity that is emerging and enduring.

It's Now Or Never Jody Hice, 2012-01-11 Not since the Revolution has our nation faced greater challenges or more potential for total collapse. America is hanging by a thread. Politics have failed; government policies are disastrous; corruption abounds; the dollar is fading; courts are abandoning the Constitution; morality has been lost ... and the majority of citizens are dreadfully silent. The light from the city on a hill has grown dim. The question is, Will it go out? One thing is certain: now is the time for action! America originated from an ideal unlike anything previous, consisting of We the people and the foundation of under God. Tragically, the Founders' vision has become unrecognizable today. Hence, under God, we the people have a sacred responsibility to be good citizens ~ involved in preserving the moral and political purity of our republic. In fact, our system of government does not work without involvement from the people, so to be disengaged at this critical hour must be considered un-American and unacceptable. Another revolution is desperately needed if America is to be salvaged, and the sacrificial commitment of our forefathers will be required. Today the enemy is not the British; we are the problem ... but we are also the solution! It's Now or Never provides a path for reclaiming America. By clearly identifying the key issues that are destroying our nation's core, this book sets forth essential steps each citizen can take to help regain our country and become a part of the solution. The light of America can shine again. Your role is vital, but you must act quickly it's now or never!

Imaginatio et Ratio was started in the hopes that it could serve a growing community of artists and thinkers and strives to present accessible but high quality art, literary fiction, creative non-fiction, and theology/philosophy—as well as interviews and book, film, art and music reviews. The journal is published twice a year and is available in print and digital formats.
