It achieves a unique balance in emphasizing concepts without sacrificing scientific accuracy. The new MediaTutor, found at the end of each chapter, integrates the text and media by providing a brief description of the CD or WEB activity and the time requirement for completion. In creating the book and the media package, the authors and Prentice Hall reached out to the biology community - involving educators from around the country to help address the diverse needs of todays students. Factores asociados con sobrepeso y obesidad en el ambiente escolar Guillermo Meléndez, 2008 Refleja los factores que inciden en el sobrepeso y obesidad en la población escolar. El interés se centró en identificar aquellos factores que influyen en el niño para ir ganando peso desde que entra el primer grado de la educación primaria hasta que deja el sexto grado. En los menores de cinco años el fenómeno de obesidad es prácticamente mínimo y algo sucede, cuando el escolar llega a la primaria y empieza a socializar: cambian sus hábitos de alimentación y empieza a ir ganando peso progresivamente.

The Quijos Chiefdoms Andrea M. Cuéllar, 2009 Archaeological study of the emergence of the ethnohistorically documented Quijos chiefdoms in the eastern Ecuadorian Andes. This research evaluates links between the emergence of centralized leadership and the organization of agricultural production. The focus is on reconstructing the demographic history of 137 km² based on a full coverage systematic survey, and on reconstructing patterns of food production and consumption based on analysis of pollen, phytoliths and plant macroremains from the excavation of 31 tests at locations representing different environmental settings and settlement types. The study proposes a sequence starting at about 600 B.C., with the first manifestations of a regional system of centralized authority appearing after about 500 A.D. Neither control of basic resources nor specialized craft production seem to have been important in the social and political dynamics of the emerging Quijos chiefdoms.
