Practicing the Monastic Disciplines Sam Hamstra Jr., Samuel Cocar, 2021-07-12 In *Practicing the Monastic Disciplines*, authors Sam Hamstra Jr. and Samuel Cocar recover the wisdom of the Christian desert and make it more available and accessible to modern Christians, especially those in the evangelical circle they inhabit. Believing that moderns like themselves often flail in their Christian lives, the authors discover in the desert Christians of late antiquity a clear map for

growing in Christlikeness, as well as an effective set of tools (or weapons) for combating temptation. This set of insights sees its completion in the spiritual theology of Evagrius Ponticus, a monastic theologian who expertly assessed the maladies and corresponding remedies of Christian discipleship. Evagrius and his comrades offer modern Christians a coherent framework for spiritual formation and growth, one which treats seriously both the frailties of human nature and the potential for sanctification. This strand of patristic spirituality guides us toward glorifying God through both training our bodies and ordering our interior lives.

*Unseen Warfare* Hakeem Collins,2021-03-16 Your everyday guide to discerning and destroying the works of the devilFew Christians are aware of just how many day-to-day struggles are actually the work of demonic powers, bent on keeping them from their divine destiny.Jesus has given you all that you need for victory, but to walk in the fullness of your spiritual authority, you must learn...

*The Everyday Visionary* Jesse Duplantis,2016-11-08 One of the world's most humorous and dynamic ministers inspires readers to realize their potential and fulfill their dreams using the power of determined thoughts. Life is about dreaming, doing, and enjoying yourself in the process. Sometimes it might seem as if your dreams are just too wildly improbable, or there are too many obstacles standing in your way, or you've missed your window of opportunity. But if those dreams are divinely inspired, hope is far from lost. You just need to know how to visualize the path to your dream to make it a reality. Born a poor Cajun boy in south Louisiana, Jesse Duplantis was a rock musician in his early years and, after a life-changing experience with God, became one of the most candid, and popular, ministers of the Gospel today. For thirty years Jesse Duplantis has demonstrated what life can be when you focus on finding your personal path and nurturing a closer relationship with God and Jesus Christ. Jesse believes God can help anyone to succeed--no matter who you are or where you

come from. Weaving visionary-style thinking with powerful life principles and stories from his own life, Jesse shares what destiny really is, how to find yours, and how to avoid letting others kill your joy. You'll also learn about the Greatest Weaknesses and Destiny Killers that have prevented people from achieving their goals. Other key topics Jesse explores include: • The amazing power of human imagination: God gave it to you for a reason! • The strategic power of determined thoughts: Learn to use them and see results. • What to do if you feel it's too late for your dream: God-given dreams have no expiration dates. • Why you can't have what you speak against: Use the magnetic power of words to draw in what you know is yours. • How to overcome discouragement: It's okay to shut the door on negativity. • The big picture: You are important to God, and your dreams and visionary-style thinking may affect future generations. As Jesse says, Somebody is going to succeed...why not you? You can experience real joy, fulfillment, and success by following God's path to your dreams!
