Pornography and Genocide Thomas Trzyna, 2019-06-14 One out of every thirty five women born is killed for cultural or sexual reasons. In the twentieth century more women were killed for those reasons than all the people who died in wars. Women everywhere live in the higher stages of Gregory Stanton's eight stage genocide scale. Pornography contributes to the peril, whether in the form of battlefield rape films, the rape chants of frat boys, or the massive distribution of violent images on the web and through other media. The United Nations definition of genocide must be changed to recognize women as a targeted group. Pornography and Genocide pulls together the evidence from legal scholars and a myriad of contemporary studies and news accounts from around the world. It is time to face the war against women.

Screening Adult Cinema Farrah Freibert, Peter Alilunas, Desirae Embree, 2025-08-29 This collection of 39 original essays is designed to support film screenings. Each chapter focuses on a single adult film—a category broadly construed as films that foreground sex as a primary narrative, aesthetic, or marketing element. The chapters draw on a variety of perspectives, contexts, histories, themes, and politics in examinations of style, genre, authorship, performance, and stardom. The first of its kind, Screening Adult Cinema brings together a broad range of established scholars alongside new voices to demonstrate the global breadth and diversity of adult cinema, from a variety of time periods and transnational contexts, paying particular attention to regions and films that have been underrepresented within existing adult film scholarship. Following the Screening Cinema series, Screening Adult Cinema is intended as a teaching text and reference for courses in which film screenings are a core activity, while also appealing to adult film scholars. This unique collection will be invaluable for courses on adult or exploitation film history, feminist film studies, global queer cinema, and porn studies. It will also be useful for general courses in media studies with a focus on gender, sex, and sexuality.

Porn - Philosophy for Everyone Dave Monroe, 2011-01-11 This anthology takes the ever-controversial discussion of pornography out of solely academic circles; it expands the questions about porn that academics might tackle and opens the conversation to those who know it best—the creators and users of porn. Features essays on non-traditional issues in porn, including celebrity sex tapes, virtual sex, S&M, homosexual porn, and technology's impact on the porn industry. Features fascinating insights from psychologists, a lawyer, and an English professor, as well as industry insiders such as Dylan Ryder. A fun, entertaining, and philosophically provocative approach to pornography, written for the general reader.

Inside Moves Walter Danley, 2016-11-02 2nd in the series. The Wainwrights wed and honeymoon in Salzburg, Austria. Wainwright makes an accidental sighting of the pair who were suspects in the killing of his partners and calls the FBI's Vienna office for help. In the middle of all the excitement, a cablegram informs the newlyweds that Wainwright's brother died in a construction accident. They return to California for the services and his bride is kidnapped. And the fun piles-on from there.

Big White Ghetto Kevin D. Williamson, 2020-11-17 You can't truly understand the country you're living in without reading Williamson. —Rich Lowry, National Review His observations on American culture, history, and politics capture the moment we're in—and where we are going. —Dana Perino, Fox News An Appalachian economy that uses cases of Pepsi as money. Life in a homeless camp in Austin. A young woman whose résumé reads, “Topless Chick, Uncredited.” Remorselessly unsentimental, Kevin D. Williamson is a chronicler of American underclass dysfunction unlike any other. From the hollows of Eastern Kentucky to the porn business in Las Vegas, from the casinos of Atlantic City to the heroin rehabs of New Orleans, he depicts an often brutal reality that does not fit nicely into any political narrative or comfort any partisan. Coming from the world he writes about, Williamson understands it in a way that most commentators on American politics and culture simply can't. In these sometimes savage and often hilarious essays, he takes readers on a wild tour of the wreckage of the American republic—the “white minstrel show” of right-wing grievance politics, progressive politicians addicted to gambling revenue, the culture of passive victimhood, and the reality of permanent poverty. Unsparing yet never unsympathetic, *Big White Ghetto* provides essential insight into an enormous but forgotten segment of American society.

Double Love Cassandra Dee, 2019-04-17 I was desperate for cash, and meeting the handsome twins was the answer to my prayers. I can't afford tuition. Not even close. With my measly salary, I can't even afford food. So I started dancing at a private club. It wasn't my first choice. After all, what girl wants to get up on stage and sway to music for an audience? But after my first night, I met them. Zander and Zeke. Identical twins. Gorgeous and muscular, and billionaires to boot. They made me a deal: work for them, and they would triple my earning power. But what happens when I fall in love with not one, but both alpha males? Some people say I should run. Some people say I should hide. But I want to stay because the twins give me something I've always craved desperately: love, times two. Am I crazy? Am I insane? Or am I worthy of double the love? Hey Readers - You'll enjoy this rags to riches story of a young woman who finds her place in the world with not one, but two, handsome alpha males. As always, bring a fire extinguisher because you'll be going up in flames! Enjoy! Love, Cassie

Biblical Porn Jessica Johnson, 2018-04-19 Between 1996 and 2014, Mark Driscoll's Mars Hill Church multiplied from its base in Seattle into fifteen facilities spread across five states with 13,000 attendees. When it closed, the church was beset by scandal, with former attendees testifying to spiritual abuse, emotional manipulation, and financial exploitation. In *Biblical Porn* Jessica Johnson examines how Mars Hill's congregants became entangled in processes of religious conviction. Johnson

shows how they were affectively recruited into sexualized and militarized dynamics of power through the mobilization of what she calls biblical porn—the affective labor of communicating, promoting, and embodying Driscoll's teaching on biblical masculinity, femininity, and sexuality, which simultaneously worked as a marketing strategy, social imaginary, and biopolitical instrument. Johnson theorizes religious conviction as a social process through which Mars Hill's congregants circulated and amplified feelings of hope, joy, shame, and paranoia as affective value that the church capitalized on to grow at all costs.

Trinity's Children D. F. Scovil, 2012-05 As Gregory Howland embarks on a journey from Edmonton, Canada, to Trinity, an isolated mining community where he hopes to start over with his wife and three children in tow, he has no idea that their appearance will awaken a diabolical power trapped in the mine beneath the town that is focused on achieving only one goal the destruction of the world. The Howlands settle into an old mansion in Trinity, and Gregory begins a teaching job. Soon, however, they discover through their nightmares and other visions that their town was the scene of a series of brutal murders during the winter of 1937, followed by an earthquake that obliterated its inhabitants. As the mere presence of the Howlands seem to revive dark forces within their home, the three children realize that they are all that stand in the way of an evil presence ready to unleash its fury. Now all they have to do is to decide whether to take a stand against the monster or lead its forces in an unforgettable virtual battle. In this riveting tale of horror, an innocent family is caught in the grips of a town with a nasty secret a secret that will determine who will live and who will die.

Violence and the Pornographic Imaginary Natalie J. Purcell, 2012 No cultural product reveals our collective fascination with sexual violence more candidly than pornography. Popular heterosexual pornographies showcase scenes of intense sexual aggression and cruelty that are gendered in repetitive, patterned configurations—configurations that are designed to arouse. Purcell uses comparative critical readings of popular U.S. pornographies to illuminate the changing psychosocial foundations of sexually aggressive fantasies. By examining how depictions of violence in pornography have changed over the past forty years, she investigates the evolving desires and anxieties of the genre's growing U.S. audience. Adopting a thick descriptive approach, she moves beyond the mere observation and recording of instances of sexism and violence, elucidating the changing aesthetics, themes, and conventions of depicted sexual aggression and showing how they have emerged in specific socio-historical contexts. Finally, she draws from a range of industry publications and fan forums to examine the fabric and function of misogyny and violence in people's fantasies and everyday lives.

Witnesses of These Things J. Aaron Miller,2024-02-20 The risen Jesus sends his disciples out as “witnesses of repentance and the forgiveness of sins” in his name. In a time of uncertainty for the western church—particularly for “mainline” congregations—this commission offers a simple framework for faithful, contextual work and witness, growing in the way of the God who sets captives free and raises the dead. One part call to action, one part celebration of the miracle that is the local church, *Witnesses of These Things* is an invitation to grab hold of the life that is truly life for which each one of us and this God-beloved world are made.

Earth at Risk Derrick Jensen,Lierre Keith,2012-08-01 “In America, four hundred people own the wealth of more than half of the American population. We should not be saying tax the rich, but instead we should be saying take their money and

redistribute it, take their property and redistribute it.” —Arundhati Roy Industrial civilization is devouring the planet and the future. The oceans are acidifying, whole mountains have been laid to waste, and the climate is teetering into chaos. Every biome is approaching collapse. And fifty years of environmentalism hasn’t even slowed the rate of destruction. Yet environmentalists are not considering strategies that might actually prevent the looming biocide we are facing. Until Earth at Risk. Earth at Risk: Building a Resistance Movement to Save the Planet is an annual conference featuring environmental thinkers and activists who are willing to ask the hardest questions about the seriousness of our situation. The conference is convened by Derrick Jensen, acclaimed author of Endgame, who has argued that we need a resistance movement against civilization itself. The twelve people in this volume present an impassioned critique of the dominant culture from every angle: William Catton Jr. explains ecological overshoot; Thomas Linzey gives a fiery call for community sovereignty; Jane Caputi exposes patriarchy’s mythic dismemberment of the Goddess; Aric McBay discusses historically effective resistance strategies; and Stephanie McMillan takes down capitalism. One by one, they build an unassailable case that we need to deprive the rich of their ability to steal from the poor and the powerful of their ability to destroy the planet. These speakers offer their ideas on what can be done to build a real resistance movement, one that includes all levels of direct action—action that can actually match the scale of the problem. Earth at Risk includes: Derrick Jensen, author of Endgame, A Language Older than Words, and many others. Lierre Keith, author of The Vegetarian Myth: Food, Justice, and Sustainability; coauthor of Deep Green Resistance: Strategy to Save the Planet. Nora Barrows-Friedman, journalist and photographer; correspondent for outlets such as The Electronic Intifada, Al Jazeera, and Truthout.org. Jane Caputi, author of The Age of Sex Crime; Gossips, Gorgons, and Crones: The Fates of the Earth; and Goddesses and Monsters: Women, Myth, Power and Popular Culture. William Catton Jr., sociologist, author of Overshoot: The Ecological Basis of Revolutionary Change, and Bottleneck: Humanity’s Impending Impasse. Gail Dines, a founding member of Stop Porn Culture, author of Pornland: How Porn Has Hijacked Our Sexuality. Thomas Linzey, executive director of the Community Environmental Legal Defense Fund. Aric Mcbay, coauthor of Deep Green Resistance: Strategy to Save the Planet. Stephanie Mcmillan, cartoonist; author of The Beginning of the American Fall; organizer for the anti-capitalist/anti-imperialist collective One Struggle. Riki Ott, marine biologist, author of Not One Drop: Betrayal and Courage in the Wake of the Exxon Valdez Oil Spill. Arundhati Roy, author of An Ordinary Person’s Guide to Empire; Field Notes on Democracy: Listening to Grasshoppers; and many others. Waziyatawin, historian and anti-colonial activist, author of For Indigenous Eyes Only; What Does Justice Look Like? The Struggle for Liberation in Dakota Homeland; and other books.

Queer Horror Sean Abley, Tyler Doupé, 2024-08-20 From the beginning, horror has been part of the cinema landscape. Despite some of the earliest genre films with gay directors such as F.W. Murnau (Nosferatu) and James Whale (Frankenstein, The Invisible Man, Bride of Frankenstein), LGBTQIA characters have rarely been portrayed in full view. For decades, filmmakers have included coded content in their films with the homosexual experience translated into censor-friendly subtext for consumption by general audiences. Gradually, LGBTQIA characters and themes have moved from the background to the foreground as the horror genre has grown along with its audience's tastes and attitudes. Likewise, more and more LGBTQIA writers and directors have begun to offer their queer-centric takes on scary movies and today, queer horror is a thriving film genre. With more than 900 entries, this critical filmography is a comprehensive, critical, yet playful examination of the history of LGBTQIA content in horror films. Eight journalistic contributors dig into every era of scary movies, including the early silents, pre- and post-Hays Code content, grindhouse sleaze, LGBTQIA indies, and megaplex studio releases. From Whale's The Old Dark House (1932) to Don Mancini's Chucky films and everything in between, this collection explores what can be found at the intersection of LGBTQIA and horror in the film industry.
