The Abraham Lincoln Book of Quotes Travis Hellstrom, 2023-10-31 The Abraham Lincoln Book of Quotes is a collection of the best quotes, speeches, and advice from one of the most influential and greatest president of all time. Abraham Lincoln's words have been a source of wisdom and inspiration for so many people in all walks of life. From his rousing Gettysburg Address to his personal letters to his wife, there is always something new to learn about the man and, in turn, about ourselves. The Abraham Lincoln Book of Quotes compiles his best quotes, speeches, and advice in one place and reaches out to an America, and a world, which need them more than ever. Organized into sections by themes, this book is accessible and easy to share with friends and loved ones.

The Life and Writings of Abraham Lincoln Abraham Lincoln, 2012-06-13 Abraham Lincoln, the greatest of all American presidents, left us a vast legacy of writings, some of which are among the most famous in our history. Lincoln was a marvelous writer—from the humblest letter to his great speeches, including his inaugural addresses, the Emancipation Proclamation, and the Gettysburg Address. His sentences were so memorably crafted that many resonate across the years. Fourscore and seven years ago, begins the Gettysburg Address, our fathers brought forth on this continent a new nation, conceived in liberty, and dedicated to the proposition that all men are created equal. In 1940, the prolific author and historian Philip Van Doren Stern produced this volume as a guide to Lincoln's life through his writings. Stern's Life of Abraham Lincoln is a full biography of the man and includes a detailed chronology. Stern has collected all the essential texts of Lincoln's public life, from his first public address—a stump speech in New Salem, Illinois, in 1832 for an election he went on to lose—to his last piece of public writing, a pass to a congressman who was to visit the president the day after Lincoln went to Ford's Theater on April 14, 1865. Some 275 such documents are collected and placed in their historical context. Together with the Life and the Introduction, Lincoln in His Writings, by noted historian Allan Nevins, they give a full and vivid picture of Abraham Lincoln.

The Mind and Art of Abraham Lincoln, Philosopher Statesman David Lowenthal, 2012-02-09 By analyzing many of Lincoln's most important speeches, The Mind and Art of Abraham Lincoln, Philosopher Statesman shows him to be a profound and systematic thinker who tries to get at the root of issues, not all of them strictly political. Lowenthal emphasizes Lincoln's manner of writing, which enables him to conceal his most radical thoughts, and pays special attention to the

reasoning and artfulness with which he treats a wide variety of subjects. The book follows Lincoln from his Perpetuation or Lyceum address in 1838 to his last speech just after Lee's surrender, as he confronts the great issues of the day and lays out the fundamentals of American politics. Along the way, Lowenthal's careful analysis frees Lincoln of the charge of racial prejudice with which he has been saddled in recent years.

There Must Be Something Wrong with You! Don Tomlinson,2020 This memoir is meant to depict the honest memories of a man who grew up gay during the 1950s, 60s, and 70s; got married, had children, and remained in the closet for 55 years. It is not meant to blame, offend, preach or express opinions as to what is right or wrong for anyone except for the writer. It is meant to be an honest depiction of the writer's thoughts and experiences throughout his life and how growing up gay and in the closet in the Southern area of the United States affected his life and those he loved. It is hoped that those who read this memoir will gain insight, inspiration, or a better understanding of what it means to be gay, to live in the closet and then to be set free to live a life of honesty with himself and others.

Practical and Inspirational Guidelines for Winning J. David Irwin, 2021-05-27 This book contains a compilation of lessons learned over a lifetime of study in the school of hard knocks through a wide spectrum of activities that range from family interactions on the one hand to complex business/professional involvements on the other. As a result, numerous personal examples, coupled with biblically and spiritually based inspirational material, are provided that serve to illustrate the ideas and concepts that have been applied to achieve a winning outcome in these environments. Within the context of this book, winning refers to the attainment of a successful outcome, regardless of the context, and although many of the concepts and ideas discussed will be confined primarily to the interpersonal relationships among individuals and presented in the framework of a business or family environment, they are also applicable when dealing with members of a civic organization, a church group, a professional organization, or any other group where people interact or work together for some common goal. Although the achievement of successful personal interactions in any endeavor can be difficult and the optimum path

unknown, when the effort is systematically performed in concert with Almighty God, winning can become a way of life.
