## Christina Lauren

**Beautiful Player** Christina Lauren, 2013-10-29 In the third book in the Beautiful series, an agreement between a venture capitalist and a bookish woman quickly becomes a very NSFW version of My Fair Lady. When Hanna Bergstrom receives a lecture from her overprotective brother about neglecting her social life and burying herself in grad school, she's determined to tackle his implied assignment: get out, make friends, start dating. And who better to turn her into the sultry siren every man wants than her brother's gorgeous best friend, Will Sumner, venture capitalist and unapologetic playboy? Will takes risks for a living, but he's skeptical about this challenge of Hanna's...until the wild night his innocently seductive pupil tempts him into bed, and teaches him a thing or two about being with a woman he can't forget. Now that Hanna's discovered the power of her own sex appeal, it's up to Will to prove he's the only man she'll ever need.

**The Beautiful Series, 5 Books Collection Set** Beautiful Bastard, Beautiful Stranger, Beautiful Player, Beautiful Secret, Beautiful by Christina Lauren Christina Lauren, 2016-10-04

Beautiful Boss Christina Lauren, 2016-02-29 The ninth work in the New York Times and #1 internationally bestselling series that started with Beautiful Bastard. In this novella, Will Sumner and Hanna Bergstrom (from Beautiful Player) find that a wedding and everlasting love were just the beginning. One player tamed. One nerd girl satisfied. One more major life decision to make. When Will fell for Hanna, her quirky sense of humor and fierce dedication to her career were part of the attraction. But when the job offers start rolling in for her—and oh, they do—Hanna has trouble deciding what she wants, where they should live, and how much she should burden Will with the decision. Magic between the sheets is only one part of a relationship...getting on the same page is quite another altogether.

Beautiful Beloved Christina Lauren, 2015-02-02 The seventh work in the New York Times and #1 internationally bestselling series that started with the Beautiful Bastard, Beautiful Stranger, and Beautiful Player novels. Featuring all the Beautiful characters...plus one tiny new addition to the group. In Beautiful Stranger, finance whiz Sara Dillon met the irresistibly sexy Brit, Max Stella, at a New York City club. Through the series we've watched them learn to balance commitment with their less than private brand of playfulness. In Beautiful Beloved, Max and Sara take it to the next step. But the question is: Will they be able to find a balance between the wild sexcapades they aren't ready to retire, and the demands of parenthood that come along with their new Beautiful bundle of joy? Parenthood: it's not for the weak of heart.

**The Paradise Problem** Christina Lauren, 2024-05-14 Christina Lauren, the instant New York Times bestselling and “reigning romance queens” (PopSugar) of modern classics such as *The Unhoneymooners* and *Love and Other Words*, returns with a swoonworthy novel following the buttoned-up heir of a grocery chain and his free-spirited artist ex as they fake their relationship in order to receive a massive inheritance. Anna Green thought she was marrying Liam “West” Weston for access to subsidized family housing while at UCLA. She also thought she’d signed divorce papers when the graduation caps were tossed, and they both went on their merry ways. Three years later, Anna is a starving artist living paycheck to paycheck while West is a Stanford professor. He may be one of four heirs to the Weston Foods conglomerate, but he has little interest in working for the heartless corporation his family built from the ground up. He is interested, however, in his one-hundred-million-dollar inheritance. There’s just one catch. Due to an antiquated clause in his grandfather’s will, Liam won’t see a penny until he’s been happily married for five years. Just when Liam thinks he’s in the home stretch, pressure mounts from his family to see this mysterious spouse, and he has no choice but to turn to the one person he’s afraid to introduce to his one-percenter parents—his unpolished, not-so-ex-wife. But in the presence of his family, Liam’s fears quickly shift from whether the feisty, foul-mouthed, paint-splattered Anna can play the part to whether the toxic world of wealth will corrupt someone as pure of heart as his surprisingly grounded and loyal wife. Liam will have to ask himself if the price tag on his flimsy cover story is worth losing true love that sprouted from a lie.

**Beautiful Secret** Christina Lauren, 2015-04-14 New York Times and #1 internationally bestselling author Christina Lauren’s *Beautiful* and *Wild Seasons* series hook up in *Beautiful Secret* for an erotic intercontinental romp that celebrates the best of both worlds! When Ruby Miller’s boss announces he’s sending her on an extended business trip to New York City, she’s shocked. As one of the best and brightest young engineers in London, she knows she’s professionally up to the task. The part that’s throwing her is that she’ll be spending a month up close and personal working alongside—and staying in a hotel with—Niall Stella, her firm’s top urban planning executive and *The Hottest Man Alive*. Despite her ongoing crush, Ruby is certain Niall barely knows she’s alive...until their flirty overnight flight makes him sit up and take notice. Not one for letting loose and breaking rules, recently divorced Niall would describe himself as hopeless when it comes to women. But even he knows outgoing California-girl Ruby is a breath of fresh air. Once she makes it her mission to help the sexy Brit loosen his tie, there’s no turning back. Thousands of miles from London, it’s easy for the lovers to play pretend. But when the trip is over, will the relationship they’ve built up fall down?

**Beautiful Stranger** Christina Lauren, 2013-04-16 The scorching sequel to *Beautiful Bastard*! Escaping a cheating ex, finance whiz Sara Dillon’s moved to New York City and is looking for excitement and passion without a lot of strings attached. So meeting the irresistible, sexy Brit at a dance club should have meant nothing more than a night’s fun. But the manner—and speed—with which he melts her inhibitions turns him from a one-time hookup and into her *Beautiful Stranger*.

The whole city knows that Max Stella loves women, not that he's ever found one he particularly wants to keep around. Despite pulling in plenty with his Wall Street bad boy charm, it's not until Sara—and the wild photos she lets him take of her—that he starts wondering if there's someone for him outside of the bedroom. Hooking up in places where anybody could catch them, the only thing scarier for Sara than getting caught in public is having Max get too close in private.

**Beautiful** Christina Lauren, 2016-10-04 The final, 5th full-length novel (and 10th work overall) in the Beautiful series that started with Beautiful Bastard. This one focuses on the love life of Jensen, the brother of the heroine in Beautiful Player. A movie of the series is in the works with Constantin and Lionsgate.

**Beautiful Bastard** Christina Lauren, 2013-02-12 An ambitious intern. A perfectionist executive. And a whole lot of name calling. Discover the story that garnered more than two million reads online. Whip-smart, hardworking, and on her way to an MBA, Chloe Mills has only one problem: her boss, Bennett Ryan. He's exacting, blunt, inconsiderate—and completely irresistible. A Beautiful Bastard. Bennett has returned to Chicago from France to take a vital role in his family's massive media business. He never expected that the assistant who'd been helping him from abroad was the gorgeous, innocently provocative—completely infuriating—creature he now has to see every day. Despite the rumors, he's never been one for a workplace hookup. But Chloe's so tempting he's willing to bend the rules—or outright smash them—if it means he can have her. All over the office. As their appetites for one another increase to a breaking point, Bennett and Chloe must decide exactly what they're willing to lose in order to win each other. Originally only available online as The Office by tby789—and garnering over 2 million reads on fanfiction sites—Beautiful Bastard has been extensively updated for re-release.

*The Soulmate Equation* Christina Lauren, 2021-05-18 INSTANT NEW YORK TIMES BESTSELLER “Writing duo and reigning romance queens Christina Lauren are back with...their most ambitious book to date.” —PopSugar Chosen as a best pick by Bustle, Marie Claire, Entertainment Weekly, E! Online, PopSugar, BuzzFeed, Goodreads, Country Living, The Pioneer Woman, Woman's World, Bookish, Bookreporter, Frolic, and more! The New York Times bestselling authors of The Unhoneymooners and Love and Other Words return with a witty and effervescent novel about what happens when two people with everything on the line are thrown together by science—or is it fate? Perfect for fans of Abby Jimenez. Single mom Jess Davis is a data and statistics wizard, but no amount of number crunching can convince her to step back into the dating world. After all, her father was never around, her hard-partying mother disappeared when she was six, and her ex decided he wasn't “father material” before her daughter was even born. Jess holds her loved ones close but working constantly to stay afloat is hard...and lonely. But then Jess hears about GeneticAlly, a buzzy new DNA-based matchmaking company that's predicted to change dating forever. Finding a soulmate through DNA? The reliability of numbers: This Jess understands. At least she thought she did, until her test shows an unheard-of 98 percent compatibility with another subject in the database: GeneticAlly's founder, Dr. River Peña. This is one number she can't wrap her head around, because she already knows Dr.

Peña. The stuck-up, stubborn man is without a doubt not her soulmate. But GeneticAlly has a proposition: Get 'to know him and we'll pay you. Jess—who is barely making ends meet—is in no position to turn it down, despite her skepticism about the project and her dislike for River. As the pair are dragged from one event to the next as the “Diamond” pairing that could launch GeneticAlly's valuation sky-high, Jess begins to realize that there might be more to the scientist—and the science behind a soulmate—than she thought. “Laugh-out-loud, sweet, charming, and humorous” (Library Journal, starred review), The Soulmate Equation proves that the delicate balance between fate and choice can never be calculated.

**Dating You / Hating You** Christina Lauren, 2017-06-06 Everyone knows that all's fair in love and war. But these two will learn that sabotage is a dish best served naked. A sexy, compulsively readable romantic comedy that dives headlong into the thrill and doubt of modern love, Dating You/Hating You by New York Times bestselling author Christina Lauren is the story of what two high-powered agents will—and won't—do to get everything they ever wanted. Despite the odds against them from an embarrassing meet-awkward at a mutual friend's Halloween party, Carter and Evie immediately hit it off. Even the realization that they're both high-powered agents at competing firms in Hollywood isn't enough to squash the fire. But when their two agencies merge—causing the pair to vie for the same position—all bets are off. What could have been a beautiful, blossoming romance turns into an all-out war of sabotage. Carter and Evie are both thirtysomething professionals—so why can't they act like it? Can Carter stop trying to please everyone and see how their mutual boss is really playing the game? Can Evie put aside her competitive nature long enough to figure out what she really wants in life? Can their actor clients just be something close to human? Whether these two Hollywood love/hatebirds get the storybook Hollywood ending, or just a dramedy of epic proportions, you get to enjoy Christina Lauren's heartfelt, hilarious story of romance in the modern world.

Twice in a Blue Moon Christina Lauren, 2019-10-22 From the New York Times bestselling author of The Unhoneymooners and the “delectable, moving” (Entertainment Weekly) My Favorite Half-Night Stand comes a modern love story about what happens when your first love reenters your life when you least expect it... Sam Brandis was Tate Jones's first: Her first love. Her first everything. Including her first heartbreak. During a whirlwind two-week vacation abroad, Sam and Tate fell for each other in only the way that first loves do: sharing all of their hopes, dreams, and deepest secrets along the way. Sam was the first, and only, person that Tate—the long-lost daughter of one of the world's biggest film stars—ever revealed her identity to. So when it became clear her trust was misplaced, her world shattered for good. Fourteen years later, Tate, now an up-and-coming actress, only thinks about her first love every once in a blue moon. When she steps onto the set of her first big break, he's the last person she expects to see. Yet here Sam is, the same charming, confident man she knew, but even more alluring than she remembered. Forced to confront the man who betrayed her, Tate must ask herself if it's possible to do the wrong thing for the right reason... and whether “once in a lifetime” can come around twice. With Christina Lauren's signature “beautifully written and remarkably compelling” (Sarah J. Maas, New York Times bestselling author) prose and perfect for

fans of Emily Giffin and Jennifer Weiner, *Twice in a Blue Moon* is an unforgettable and moving novel of young love and second chances.

**In a Holidaze** Christina Lauren, 2020-10-20 THE INSTANT NEW YORK TIMES BESTSELLER One Christmas wish, two brothers, and a lifetime of hope are on the line for hapless Maelyn Jones in *In a Holidaze*, the quintessential holiday romantic novel by Christina Lauren, the New York Times bestselling author of *The Unhoneymooners*. It's the most wonderful time of the year...but not for Maelyn Jones. She's living with her parents, hates her going-nowhere job, and has just made a romantic error of epic proportions. But perhaps worst of all, this is the last Christmas Mae will be at her favorite place in the world—the snowy Utah cabin where she and her family have spent every holiday since she was born, along with two other beloved families. Mentally melting down as she drives away from the cabin for the final time, Mae throws out what she thinks is a simple plea to the universe: Please. Show me what will make me happy. The next thing she knows, tires screech and metal collides, everything goes black. But when Mae gasps awake...she's on an airplane bound for Utah, where she begins the same holiday all over again. With one hilarious disaster after another sending her back to the plane, Mae must figure out how to break free of the strange time loop—and finally get her true love under the mistletoe. Jam-packed with yuletide cheer, an unforgettable cast of characters, and Christina Lauren's trademark “downright hilarious” (Helen Hoang, author of *The Bride Test*) hijinks, this swoon-worthy romantic read will make you believe in the power of wishes and the magic of the holidays.

**Love and Other Words** Christina Lauren, 2018-04-10 After a decade apart, childhood sweethearts reconnect by chance but how many words will it take for them to figure out where it all went wrong? From the New York Times bestselling authors of the “delightful” (Shelf Awareness) *The Unhoneymooners*. The story of the heart can never be unwritten. Macy Sorensen is settling into an ambitious if emotionally tepid routine: work hard as a new pediatrics resident, plan her wedding to an older, financially secure man, keep her head down and heart tucked away. But when she runs into Elliot Petropoulos—the first and only love of her life—the careful bubble she's constructed begins to dissolve. Once upon a time, Elliot was Macy's entire world—growing from her gangly bookish friend into the man who coaxed her heart open again after the loss of her mother...only to break it on the very night he declared his love for her. Told in alternating timelines between Then and Now, teenage Elliot and Macy grow from friends to much more—spending weekends and lazy summers together in a house outside of San Francisco devouring books, sharing favorite words, and talking through their growing pains and triumphs. As adults, they have become strangers to one another until their chance reunion. Although their memories are obscured by the agony of what happened that night so many years ago, Elliot will come to understand the truth behind Macy's decade-long silence, and will have to overcome the past and himself to revive her faith in the possibility of an all-consuming love.

*Beautiful Player* Christina Lauren, 2015-09

Roomies Christina Lauren, 2017-12-05 From subway to Broadway to happily ever after. Love in all its thrill, hilarity, and uncertainty has never been so compulsively readable as in this “fresh, modern” (Entertainment Weekly) romance from the New York Times bestselling authors of *The Unhoneymooners* and *Love and Other Words*. Marriages of convenience are so...inconvenient. For months Holland Bakker has invented excuses to descend into the subway station near her apartment, drawn to the captivating music performed by her street musician crush. Lacking the nerve to actually talk to the gorgeous stranger, fate steps in one night in the form of a drunken attacker. Calvin Mcloughlin rescues her, but quickly disappears when the police start asking questions. Using the only resource she has to pay the brilliant musician back, Holland gets Calvin an audition with her uncle, Broadway’s hottest musical director. When the tryout goes better than even Holland could have imagined, Calvin is set for a great entry into Broadway—until his reason for disappearing earlier becomes clear: he’s in the country illegally, his student visa having expired years ago. Seeing that her uncle needs Calvin as much as Calvin needs him, a wild idea takes hold of her. Impulsively, she marries the Irishman, her infatuation a secret only to him. As their relationship evolves and Calvin becomes the darling of Broadway—in the middle of the theatrics and the acting-not-acting—will Holland and Calvin realize that they both stopped pretending a long time ago?
