Creating Identity Jayashree Kamblé, 2023-04-11 While the world often categorizes women in reductive false binaries—careerist versus mother, feminine versus fierce—romance novels, a unique form of the love story, offer an imaginative space of mingled alternatives for a heroine on her journey to selfhood. In *Creating Identity*, Jayashree Kamblé examines the romance genre, with its sensile flexibility in retaining what audiences find desirable and discarding what is not, by asking an important question: Who is the romance heroine, and what does she want? To find the answer, Kamblé explores how heroines in ten novels reject societal labels and instead remake themselves on their own terms with their own agency. Using a truly intersectional approach, Kamblé combines gender and sexuality, Marxism, critical race theory, and literary criticism to survey various aspects of heroines' identities, such as sexuality, gender, work, citizenship, and race. Ideal for readers interested in gender studies and literary criticism, *Creating Identity* highlights a genre in which heroines do not accept that independence and strong, loving relationships are mutually exclusive but instead demand both, echoing the call from the very readers who have made this genre so popular.

The Symbolism and Sources of Outlander Valerie Estelle Frankel, 2015-04-07 Outlander is much more than a television romance about a World War II nurse and a Jacobite soldier in a fetching kilt. The series--and the massive serial novel on which it is based--has been categorized as a period drama, adventure saga, military history and fantasy epic. Inspired by the Irish legends of Fionn Mac Cumhaill and the prophecies of Brahan Seer, the storyline is filled with mythology and symbolism from around the world, from the Fair Folk and the Loch Ness monster to wendigos, ghosts, zombies and succubae. Literary references abound, from the Bible to the classics, to Shakespeare and the English romantic poets. The series is also rich with its own symbolism: heather and white roses, the dragonfly in amber, Claire's blue vase and wedding gown, her wedding rings and pearl necklace. This book untangles the myriad of myths, legends, symbols and literary references found in the series.
