Manga, Murder and Mystery Mimi Okabe, 2023-06-29 Little is known about the boy detective in Japanese detective fiction despite his popularity. Who is he, and what mysteries does he unveil about cultural understandings of youth in Japanese society? *Manga, Murder and Mystery* answers these questions by exploring the figure of the shonen (boy) detective in commercially successful manga series such as *Detective Conan*, *The Case Files of Young Kindaichi*, *Death Note* and *Moriarty the Patriot*. The book explores how these popular works tackle the crisis of young adult culture within the socioeconomic climate of Japan's 'lost decade' and Heisei era, broadly speaking. Mimi Okabe shows how detective manga materialized in a nation undergoing a state of crisis and how the boy detective emerged as a site of national trauma to address perceived youth problems but in thematically different ways.

Spinegrinder Clive Davies, 2015-03-06 First came video and more recently high definition home entertainment, through to the internet with its streaming videos and not strictly legal peer-to-peer capabilities. With so many sources available, today's fan of horror and exploitation movies isn't necessarily educated on paths well-trodden — Universal classics, 1950s monster movies, Hammer — as once they were. They may not even be born and bred on *DAWN OF THE DEAD*. In fact, anyone with a bit of technical savvy (quickly becoming second nature for the born-clicking generation) may be viewing *MYSTICS IN BALI* and *S.S. EXPERIMENT CAMP* long before ever hearing of Bela Lugosi or watching a movie directed by

Dario Argento. In this world, H.G. Lewis, so-called “godfather of gore,” carries the same stripes as Alfred Hitchcock, “master of suspense.” SPINEGRINDER is one man’s ambitious, exhaustive and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema, of a sort that most critics won’t care to write about. One opinion; 8,000 reviews (or thereabouts).

Pain Afar Darkness Anwesha panda, Samarjit swain, PAIN AFAR DARKNESS is an anthology book which puts light on the ongoing harassment and violence against women like rape, dowry, female foeticide, body shaming etc., How it's increasing day by day in every street and no proper action is being taken against the culprits. We are celebrating 75 years of Independence and a girl/woman is yet not safe in her own house, street, workplace, school. Be she an infant or in her 60s, nothing stops some demons to take away their evil eye off them. Domestic violence, harassments in a toxic marriage, forcing a woman to abort the girl child she is carrying in her womb, sex trafficking etc. Reading articles on these activities shivers down one's spine. It shatters a person in all the ways that even after multiple trials and safety measures no one can stop these harassments against women. Authors from all over India have participated to make it successful with their beautiful transcribes. This book permits writers to pour down their thoughts on paper about the violence and how a woman should fight them. We, Samarjit Swain and Anwesha Panda, have tried our best to make this book a successful one.

Unbelievable Crimes Volume One Daniela Airlie, 2023-02-15 Step into some of the most heinous (yet relatively unknown) crimes ever committed and delve into twelve twisted tales of murder in Unbelievable Crimes. From the deplorable abduction and imprisonment of young women by James Jamelske, who kept his victims in his basement, to the tale of charismatic charmer Charles Schmid who boasted about his savage murders, each story dives into pure evil. I'll take you back to 1993, to the city of Houston, where two teenage girls, Jennifer Ertman and Elizabeth Peña, were brutally raped and murdered in a crime so brutal it shook the community. I'll cover the hard-to-hear but important information about the disturbing case as well as what became of the culprits. I'll also delve into the bizarre and twisted story of Carl Tanzler, a man who becomes fixated on a beautiful young woman. After her death, he kept her as a mummified corpse in his home for years, with a truly inexplicable outcome. You'll also be introduced to the gruesome story of Omaila Nelson, an Egyptian-American woman who killed her husband before proceeding to cook and eat parts of his body. While most people know about the incomprehensible acts of Ted Bundy, or the wicked crimes of killer clown John Wayne Gacy, there's an underbelly of true crime that has been less covered over the years. Some crimes had a fleeting news story, or a 30-second snippet on a local news station, and have since been long forgotten. These are the crimes we ought to remember, ensuring the victims don't get wiped from the annals of true crime history. Discover the dark side of humanity as we delve into some of the most shocking and twisted little-known true crime stories. To most, the senseless acts of violence and pure evil depicted in these cases are simply unimaginable. But, they're all somebody's reality. Please note, as with all true crime content, this book contains details that cover real life

murders and violence.

Horrifying True Crime Stories 2 Danielle Tynning,2020-11-16 From mass murderers to hostage-takers to the most sadistic criminals you've not yet heard of, Horrifying True Crime Stories: Book 2 will once again explore some of the most disturbing crime cases from around the world. Spouse-killers, child-killers and mindlessly brutal murderers all have their abhorrent crimes laid out in this book. You'll read about Blake Leibel, who mercilessly tortured his girlfriend before killing her and draining her of her blood. I'll tell you about the murder of Junko Furuta, which saw the teenage girl held hostage by her peers and tortured beyond belief before she succumbed to her injuries and died. The outcome of that case is as unbelievable as it is unjust. Then there's the murder of Bobbie Jo Stinnett by her 'friend', Lisa Montgomery. After murdering a pregnant Stinnett, Montgomery cut the unborn baby out from the womb and went on to pass the baby off as her own. There are eight more horrific true crimes explored in this book, so if true crime intrigues you, read on. But please be warned, the cases in this book are highly disturbing and include graphic and distressing descriptions. Horrifying True Crime Stories Danielle Tynning,2020-11-16 Real-life is stranger and more frightening than fiction, and this book serves to cement that principal even further. In this compilation, there are eleven cases of some of the most deplorable, unjust and violent crimes I've come across. From cannibals to rapists to the sickest, most twisted criminals you've not yet heard of, you'll read about them all in this book. I'll tell you the story of Rurik Jutting, a British banker living in Hong Kong who held two women hostage, tortured them and raped them over a number of days. You'll learn about Issei Sagawa, a Japanese cannibal who killed and ate a woman - but walks free on the streets today. Then there's the vile three-week torture of an Australian woman who, when she was eventually rescued, paramedics initially thought she was dead. You can also read about the 'Hello Kitty' murder, which is as bizarre as it sounds - and as equally haunting. But please be warned, the cases in

The Art of Movies Nicolae Sfetcu, 2014-05-06 Movie is considered to be an important art form; films entertain, educate, enlighten and inspire audiences. Film is a term that encompasses motion pictures as individual projects, as well as — in metonymy — the field in general. The origin of the name comes from the fact that photographic film (also called filmstock) has historically been the primary medium for recording and displaying motion pictures. Many other terms exist — motion pictures (or just pictures or picture), the silver screen, photoplays, the cinema, picture shows, flicks — and commonly movies.

Unique Pieces Multiple,

Unbelievable Crimes Volume Three Daniela Airlie, 2023-05-22 Take a journey with me into the depths of human malice in *Unbelievable Crimes Volume Three*. In this third installment, I delve into some of the most appalling (yet lesser-known) crimes of our time, walking with you through a truly shocking odyssey of wickedness. I've delved deep into the annals of true crime, and compiled an anthology of tales even the most knowledgeable of crime readers are unaware of. Discover the sinister story of "The Pockmarked Man", a mysterious figure whose heinous actions left a trail of devastation in his wake. He preyed on the women of Paris, assaulting them in horrific ways before ending their lives mercilessly. I'll also cover the tragic murder of Julia Rawson, a case that exposed the depths of evil that can lurk within seemingly ordinary people. A serial killer fanatic lured Julia back to his home before killing and dismembering her with the help of an accomplice. Explore the twisted

minds of Robert and Stephen Spahalski, a case of identical twins who were bound by blood - but united by their disturbing criminal acts. Read about the head-spinning web of deceit crafted by Dalia Dippolito, a woman whose cunning manipulation and determination to kill her husband will shock you. While this case reads like a script for a far-fetched thriller movie, this case is no tale of fiction. Uncover the truth behind the tragic and senseless murder of Angela Samota, a young woman whose life was brutally cut short, with unimaginable cruelty. Decades passed with Angela's killer free to roam the streets... but would advancements in DNA help snare her murderer and bring them to justice? Get to know these little-known cases and six more lesser-covered crimes in Unbelievable Crimes Volume Three. As with every book of this series, I will ensure the victims' suffering is remembered and be sure to emphasize the monstrous actions of criminals. This book delves into the darkest depths of human nature, recounting real-life cases of murder, violence, and unimaginable cruelty. Please bear this in mind before reading.
