We Are All Good People Here Susan Rebecca White, 2020-03-03 From the author of *A Place at the Table* and *A Soft Place to Land*, an “intense, complex, and wholly immersive” (Joshilyn Jackson, New York Times bestselling author) multigenerational novel that explores the complex relationship between two very different women and the secrets they bequeath to their daughters. Eve Whalen, privileged child of an old-money Atlanta family, meets Daniella Gold in the fall of 1962, on their first day at Belmont College. Paired as roommates, the two become fast friends. Daniella, raised in Georgetown by a Jewish father and a Methodist mother, has always felt caught between two worlds. But at Belmont, her bond with Eve allows her to finally experience a sense of belonging. That is, until the girls’ expanding awareness of the South’s systematic injustice forces them to question everything they thought they knew about the world and their places in it. Eve veers toward radicalism—a choice pragmatic Daniella cannot fathom. After a tragedy, Eve returns to Daniella for help in beginning anew, hoping to shed her past. But the past isn’t so easily buried, as Daniella and Eve discover when their daughters are endangered by secrets meant to stay hidden. Spanning more than thirty years of American history, from the twilight of Kennedy’s Camelot to the beginning of Bill Clinton’s presidency, *We Are All Good People Here* is “a captivating...meaningful, resonant story” (Emily Giffin, author of *All We Ever Wanted*) about two flawed but well-meaning women clinging to a lifelong friendship that is tested by the rushing waters of history and their own good intentions.

All Good People Here Ashley Flowers, 2023-12-26 #1 NEW YORK TIMES BESTSELLER • In the propulsive first novel from the author of *The Missing Half* and host of the #1 true crime podcast *Crime Junkie*, a journalist uncovers her hometown’s dark secrets when she becomes obsessed with the unsolved murder of her childhood neighbor—and the disappearance of another girl twenty years later. ONE OF POPSUGAR’S BEST BOOKS OF THE YEAR You can’t ever know for sure what happens behind closed doors. Everyone from Wakarusa, Indiana, remembers the infamous case of January Jacobs, who was discovered in a ditch hours after her family awoke to find her gone. Margot Davies was six at the time, the same age as January—and they were next-door neighbors. In the twenty years since, Margot has grown up, moved away, and become a big-city journalist. But she’s always been haunted by the feeling that it could’ve been her. And the worst part is, January’s killer has never been brought to justice. When Margot returns home to help care for her uncle after he is diagnosed with early-onset dementia, she feels like she’s walked into a time capsule. Wakarusa is exactly how she remembers—genial,

stifled, secretive. Then news breaks about five-year-old Natalie Clark from the next town over, who's gone missing under circumstances eerily similar to January's. With all the old feelings rushing back, Margot vows to find Natalie and to solve January's murder once and for all. But the police, Natalie's family, the townspeople—they all seem to be hiding something. And the deeper Margot digs into Natalie's disappearance, the more resistance she encounters, and the colder January's case feels. Could January's killer still be out there? Is it the same person who took Natalie? And what will it cost to finally discover what truly happened that night twenty years ago? Twisty, chilling, and intense, *All Good People Here* is a searing tale that asks: What are your neighbors capable of when they think no one is watching?

The Complete Works George MacDonald, 2022-11-13 In *The Complete Works*, George MacDonald offers an extensive collection of his literary masterpieces, encompassing poetry, novels, and fairy tales that delve into themes of spirituality, morality, and the power of imagination. MacDonald's writing is characterized by its lyrical prose and deep philosophical underpinnings, often reflecting the influence of Romanticism and early Victorian beliefs. His narratives frequently intertwine the fantastical with the moral, inviting readers to traverse realms where the ethereal meets the tangible, making this collection not just a showcase of his literary talent but a significant exploration of human experience and divine grace. George MacDonald (1824-1905) was not only a novelist but also a fervent theologian whose religious convictions deeply informed his prose. He is often regarded as a precursor to modern fantasy literature, influencing prominent figures such as C.S. Lewis and J.R.R. Tolkien. MacDonald's experiences in the Scottish Highlands and his embrace of Christian Universalism shaped his narrative vision, allowing him to portray both the struggles and redemptive arcs of his characters in profoundly relatable ways. *The Complete Works* is highly recommended for both the casual reader and the scholarly enthusiast, offering a rich tapestry that reflects the depth of human experience through the lens of divine love and wonder. This collection serves as an essential entry point to understanding the evolution of fantasy literature and the theological paradigms that informed MacDonald's groundbreaking work.

The Works of Sir Walter Scott, Bart Walter Scott, 1857

Pax Feminica Ajit Chaudhuri,2018-06-07 Imagine a society ruled by women, where women are the administrators, judges, and military commanders. Would it be free of want, injustice, and violence, as feminists would have us believe, or would it be much the same as any other society? This novel describes such a world, with its rules and norms and its philosophical underpinnings, from the viewpoint of patriarchal outsiders. Two middle-aged male wannabe adventurers, one an inveterate womanizer and the other a family man, stumble upon this world via a series of accidents in this work that takes the reader from Delhi and Kiev to a remote valley in the Indian Himalayas and flits between the thirteenth century, when Mongol hordes invaded Europe and a group of women decided that they had had enough of men, and the previous decade.

The Mysterious Numerical Bible Code and Other Revelations Lawrence D. Shawbrooks,2016-06-01 The Hebrew-Christian religion remains the most potent verifiably truthful religion on the planet. It suffers horrendously from murderous oppression in the Middle East, its homeland; and was crushed-flat by the largest political State the world has ever known (Soviet Russia); and it endures heavy disheartenment by flawed innuendo and secularisation throughout Europe. Despite these massive attacks from mistaken religion, hard-line atheists, and dont know-cant be bothered groups yet it remains. And more than this: It remains, philosophically, socially, prophetically, and scientifically the largest, most credible and consistent belief-system on the planet. Its not by accident that non-violent Christianity (believing in the non-violent Ten Commandments and the beautiful spirit of them in the Beatitudes), can survive such intense mentalphysical violent persecution and still remain so vibrant. True Christians know: The only reason it is so, is because the holy Messiah God of Israel is the only true God. He rules over all the kingdoms of men, but its only the kingdom of Christianity which knows this. He loves all humans (but not their thoughtsactions). However only Christians recognise this and sincerely give thanks that He is their God, their prophet, priest and king. He prophesied that enormous ungodliness would come against His church, and followers but these gates of hell would not overcome it, and so it is now, as we head towards Armageddon and the end of the human age. This book explains His prophecies, and associated key milestone calculations. This is one of many ways, witnessing that He is the genuine-unique-article, just as the Hebrew-Christian Bible says. The purpose of our existence is to have a loving relationship with Him. When humans choose to reject Him it causes us to create corrupt and false gods. Without realising it, many religious people worship corrupt gods, and atheism worships its false no-God god. These cannot bring a person into the paradise of fruitful everlasting life their ways effectively bring people into a fruitless everlasting living-death. This grieves the Messiah God of Israel because He loves fruitful life. To encourage us and to verify who He is He leaves indicators throughout history, evidencing even now, in these days of the deeply sceptical cheating spirit that humans are without excuse, come the judgement. Lawrence D. Shawbrooks is now retired but continues to work as an Elder in the Church oversight.
